SUNDAY SCHOOL LESSON

Memorize v. 26. The Lesson Passage—Acts 19:23-30, 35-41. Study Acts 19; 23 to 20:1, 23.

The Lesson is the story of a riot at Ephesus.

23. The same time; the time at which Paul was planning to leave Ephesus. He had been preaching there for over two years. That way; the new religion which Paul was teaching. 24 Silversmith; a man who manufactured articles of silver. Shrines for Diana. The heathen Ephesus worshiped Diana, the goddess of the moon. There was a great temple in Ephesus containing her statue. The "shrines" were small models of this temple and statue, which people placed in their houses and worshiped. Craftsmen; the master silversmiths who designed the models and hired men to make them. 25. Workmen; who were employed by the silversmiths. Like occupation; the same work. This craft; or business, making statues of Diana. 26. Turned away; from the worship of Diana. 27. To be set at naught; rendered useless, because the people, being enlightened by Paul's teaching, would not want any more idols. The temple; a magnificent place of worship erected to Diana. It was of pure white marble, and was reckoned one of the seven wonders of the world. All Asia and the world; not quite true, but the worship of Diana was certainly widespread.

28. Great is Diana; a sort of prayer to Diana. 29. The whole city. The silversmiths spread the alarm, till a tumult was raised. Macedonia; the province north of Greece, in which Paul preached on his Second Missionary Journey. Companions. The mob seized them because they could not find Paul. Theatre; an immense structure of a semicircular shape capable of seating 56,700 persons. 30. Would have entered; to save his companions. Suffer him not; prevented him, for fear the maddened crowd would tear him to pieces.

31-34 tell how certain influential friends of Paul, who had come from other cities in Asia, sent word to him not to venture into the theatre. For about two hours the mob roared and shouted, "Great is Diana of the Ephesians;" but most of the people were confused, for they did not rightly understand what the tumult was about.

35. Townclerk; a person of great authority. Appeased; quieted, perhaps by the uplifted hand. Fell down from Jupiter; from Heaven where they believed their chief god Jupiter lived.

37. Churches, temples. 38. Deputies; judges. 39. In a lawful assembly; a regularly called meeting of the citizens. 40. We; the authorities of the city. Called in question; made to answer to the Roman Government for allowing such an uproar. The Romans demanded law and order in the places they governed. Concourse; gathering. 41. Dismissed; sent away.

After the riot, Paul bade the Christians a tender farewell, and left for Macedonia, ch. 20:1.

GRAND KIDNEY MEDICINE

Fruit-a-tives Tured Him When Everything Else Failed.

Uverton, Que., March 17th, 1908

I wish to place on record, for the sake of others who may be suffering in the same way that I suffered, that the medicine I ever took and was as much real good as "Fruit-a-tives" did. I suffered for many years with Kidney Trouble, with bad pain in the back.

I took every known kidney remedy, and kidney pill, but nothing gave me any relief, and I was getting discouraged.

I was advised to try "Fruit-a-tives" and did so—and this medicine cured me when everything else failed.

I used altogether fifteen boxes of "Fruit-a-tives," and from the outset they gave me relief, and I am now practically well again; no pain, no distress, and all symptoms of kidney disease have entirely left me. I am very thankful to be once more well, and I freely make this statement for the sake of others who may suffer as I did. To them, I say try "Fruit-a-tives," as they are a grand kidney medicine.
