—On Monday evening friends from Summerside, Kelvin, Central Bedeque and other centres joined the community of North Bedeque when they gathered at the home of Mr. and Mrs. Ralph B. MacCaull to shower regretful farewells, good wishes and gifts on them, their daughter Elizabeth and aunt, Mrs. Mabon Stacey, prior to going to their new home in Carleton.

The chairman for the evening, Mr. Reuben Large, Wilnot spoke regretfully of the loss that North Bedeque would sustain in the removal of this family.

Mrs. Brewer Waugh read an appreciative address not only from the community but included in this address were sentiments and regrets from the Evening Auxiliary, North Bedeque United Church, Women's Institute and the Farmers Institute.

Mrs. James MacDonald presented to Mrs. Stavert and Mrs. MacCaull dainty pieces of china from the Women's Institute, Mrs. Ralph Wagner made the presentation to Mrs. MacCaull from the Evening Auxiliary of a beautiful hand made brooch and matching ear rings. The remainder of the evening was spent in a delightful informal manner with Mrs. Brewer Waugh accompanying for the evening.

The address:—  
To Selina, Ralph, Mrs. Stavert and Elizabeth:—How can we adequately express our regret that you have joined the restless throng who migrate? We, the former Miss Mina Phillips of Summerside, who had returned that evening from their honeymoon, the happy couple were the recipients of many lovely and costly gifts, including china, linen, silver, pyrex, a radio, and a substantial sum of money. The gifts were opened by Miss Clara Phillips, the verses were read by Mrs. Frank Dunn, and placed on a table by Miss Doris Griffin. Refreshments were served by the hostess and the evening pleasantly spent in music and dancing. ### Labrador Girl Is Recovering

GANDER, Nfld., May 19 — (CP)—Lena Blais, 28, severely burned in an accident in the bleak back country on Labrador's Eskimo River was reported making "satisfactory progress" in hospital here tonight after being brought here in a dramatic rescue by canoe, sled and airplane.

Dr. James Paton, superintendent of the Banting Memorial Hospital, said she suffered third degree burns but added that there was "every hope for her recovery."

Daughter of the Canadian Government telegraph, post office and lighthouse official at the river's mouth, Miss Blais was burned when an oil stove she was using exploded. She was given first aid by an English nurse at the Grenfell Mission at Forteau Bay, after being brought 50 miles down the Turbiant river in a frail canoe piloted by French-Canadian lumberjacks.

A United States Coast Guard plane picked her up there and flew here to Gander for treatment.

GLENMORE, B.C. — (CP)—Osoyogo, the elusive Okanagan Lake sea serpent, has been reported again, this time by Mr. and Mrs. A. Ritchie who said they got a glimpse of it while driving along the lake shore. They said the monster had a pointed head and was travelling fast.

Travellers' Rest and North Bedeque at a supper party in honor of one of their leaders, Mrs. Ralph MacCaull, who is leaving the community to reside in Carleton. Twenty girls and their leaders sang grace, then were seated at beautifully decorated tables. The place cards were most attractive and were especially designed for the occasion.

Later Mrs. Wagner spoke regretfully of Mrs. MacCaull's departure and Miss Doris Razner president of the group on behalf of the group expressed regret and wished her good luck and happiness in her new home. She then presented Mrs. MacCaull with a purse of money from the "Merry Maids."

Although Mrs. MacCaull was taken completely by surprise she replied very feelingly saying she had always enjoyed her work so much with them, she hoped Mrs. Wagner and her girls would have a very pleasant summer's work ahead of them and assured them she would visit them sometime. This splendid group of young people hold meetings in the summer months closing for the winter season.
