E. H. BEER, Agent of the Canadian Fire Insurance Co., has received advice from that Co. that the total net amount at risk in the burnt district at Toronto is \$63,000. This speaks well for a purely Canadian Co.

A PUBLIC temperance meeting was held in Hampton Hall recently for the purpose of organizing a Division of the Sons of Temperance. The meeting was called to order by appointing S. Cameron to the chair. After singing, "Throw out the Life-line," Rev. A. D. McDonald engaged in prayer, after which Miss Annie Clark favored the meeting with a beautiful recitation entitled "The voice of a mispent life." R. Nesbitt, followed with a ringing speech in which he ably reviewed the temperance work in this section of the country. He was followed by a reading by J. H. Mr. Edwards' Provincial organizer, followed with a concise but cheerful speech in which he set forth many of the advantages accruing to the total abstainer, and also explained the organization and working of the Division. **Best Way to Rear Healthy Children**

Develop Their Strength With Ferrozone Which Makes Rich Blood, Hardy Muscle, Steady Nerves.

Children brought up on Ferrozone are known by their strong, rugged frames, their cheery cheeks and healthy appearance. Mothers find it an indispensable tonic and blood builder, and in thousands of homes no other remedy is used.

Every Child and a rosy color came to her cheeks that I never saw there before. I weighed my child and she started to pick up and in seven weeks she gained almost eight pounds, and just looked the picture of health. I think this should be an example to many mothers, and I hope that others will try Ferrozone for their little boys and girls. I am thoroughly convinced that it's the most strengthening tonic. It has my strongest endorsement.

The reason Ferrozone works so beneficially with children is that it acts directly on their blood, freeing it of all unhealthy matter, the same time giving it an additional supply of iron. This at once results in more strength, new spirit and renewed vitality. Just one tablet at meal time works wonders.

You must be sure to get Ferrozone. Refuse to accept any article the druggist may say is just as good. Get what you ask for. Ferrozone, and the result we guarantee will be satisfactory. Price 50c per box or six boxes for \$2.50. By mail from N. C. Polson & Co., Kingston, Ont. and Hartford, Conn., U. S. A.

The standard bred stallions Joe Patchen, Jr., 2, 194, and Commodore LeGard will make the season of 1904 at their stables on Kent Street, near Mark Wright's factory.
