JUST HOW WE STAND.

The following is an extract from a speech delivered by B. Hal. Brown, Manager of the London & Lancashire Life Insurance Co. for Canada:

We regret the shameful conditions which have been revealed through the investigations now being carried on by the committee of the legislature in the State of New York. The great New York companies appear to have become unwieldy. Resignations have been forced in one company and high officials must go in others. Their deeds are bare-faced scandals and all high principled honest insurance men blush to know that such conditions could have been allowed to grow and continue. Methinks there will be a turning toward British institutions and I note that the principles upon which they do business are favorably commented upon by the press, and some leading American Officials, who are now in trouble. Who can say what the results are to be? One thing is certain, and that is John Bull will still continue to do business (life insurance particularly) at the same old stand, and in the same sterling way. A golden opportunity is ours, and it will be our own fault if we do not avail ourselves of it. Now just a word about the position attained by the company. Our new business in Canada for the first nine months of the current year shows an increase of 20% compared with that of 1904. The income has increased \$30,000 for the same period and amounts to \$351,630, while the assets are increased by \$216,720, and stand at \$3,430,940.20 of solid first-class securities, upon which not one dollar of interest was over due and unpaid at the close of the year. The income of the Company, from all sources, amounted during the year 1904 to \$1,846,442. The amount added to the funds as the result of the year's operations amounted to \$688,467, raising the funds in hand to \$10,002,368. The Company occupies an enviable position among the life offices of forty million dollars assets assured. The amount of expense in Canada to total income is 15.9%, indicating the conservatism exercised by those who direct the affairs of the Company. The policies of the Company are world-wide, free from restrictions as to residence, travel or occupation, and are incontestable and non-forfeitable. The business affairs of the Company respecting Canadian business are administered wholly in Canada. The funds earned in Canada are invested and retained in the country, affording Canadians all the advantages of a Home Company with the further protection and safe-guard of English connection.

Lewis H. Beer is the Manager of this sterling company for this Province and invites all intending insurers to call on him before placing their risks elsewhere.

OPERATION AVOIDED EXPERIENCE OF MRS. GLENN

She Was Told That an Operation Was Inevitable. How She Escaped It

When a physician tells a woman suffering with ovarian or womb trouble that an operation is necessary, the very thought of the knife and the operating table strikes terror to her heart, and our hospitals are full of women coming for ovarian or womb operations.

Mrs. Robert Glenn

There are cases where an operation is the only resource, but when one considers the great number of cases of ovarian and womb trouble cured by Lydia E. Pinkham's Vegetable Compound after physicians have advised operations, no woman should submit to one without first trying the Vegetable Compound and writing Mrs. Pinkham, Lynn, Mass., for advice, which is free.

Mrs. Robert Glenn, of 434 Marie St., Ottawa, Ont., writes:

Dear Mrs. Pinkham:— "Lydia E. Pinkham's Vegetable Compound is so well and widely known that it does not need my recommendation; but I am pleased to add it to the many which you have in its favor. I suffered untold agonies from ovarian troubles for nearly three years, and the doctors told me that I must undergo an operation; but as I was unwilling to do this, I tried your Vegetable Compound, and I am only too pleased that I did so, for it restored me to perfect health, saving me the pain of an operation and the immense bills attending the same."

Ovarian and womb troubles are steadily on the increase among women. If the monthly periods are very painful, or too frequent and excessive—if you have pain or swelling low down in the left side, bearing down pains, leucorrhoea, don't neglect yourself; try Lydia E. Pinkham's Vegetable Compound.

DO YOU DESIRE FREE DELIVERY?

Free delivery of letters by carriers appointed and paid by the Government is in operation in many cities of Canada. There is reason to believe that the system may be adopted here if the people express their desire for it.

WHAT FREE DELIVERY MEANS.

Free delivery means that responsible carriers, wearing uniform, and sworn to the faithful discharge of their duties shall after the arrival and sorting of each mail at the Post Office take the letters received and deliver them to the persons addressed at their homes or places of business. The city would be divided into, say four districts, with a carrier for each district. He would make his rounds twice a day, and if there was a letter for you at the Post Office would take it to you. Arrived at your house he would ring or knock—two short rings or two sharp knocks. You would know by the knock or ring that it was the welcome postman and the letter or parcel would be left. If you had a letter to send out you would hand it to him and he would post it for you. But he would call only at houses or places of business where he had mail matter to deliver.

These privileges would be for those on the carriers' lists. Any persons who chose could still receive their letters at the Post Office as they now do. The carrier service would not deliver the newspapers printed in the city. Letters posted in the city addressed to other persons in the city would not be delivered by the carriers unless prepaid by a two cent stamp instead of one cent as now. This is the only additional charge in connection with the free delivery system.

In order to learn the views of our citizens on this question we invite all readers of The Guardian residing in the City to fill out and return to this office the enclosed coupon, showing whether they are in favor of free delivery or against it. Mark an X in the square under the words "For Free Delivery," or in the square under the words "Against Free Delivery," give the street on which you reside, sign your name and return to Guardian Office.
