**"I HAVE PROVED"**  
Zam-Buk invaluable for eczema, both in the case of my baby and myself," says Mrs. L. Bonin of West Arichat, N.S. She adds: "Baby's skin was badly broken out, but repeated applications of Zam-Buk entirely cured it."  
"In my own case, I had eczema on my hands, which made it very inconvenient for me to do my housework. Particularly was this so, as it aggravated the trouble so to put my hands in water. By using Zam-Buk, however, I soon got relief, and it was not very long before every trace of the trouble had disappeared. I really think no home should be without Zam-Buk."  
Zam-Buk is equally good for all skin injuries. All dealers 50c. box.

RESTRICTIONS REMOVED.—The Canada Food Board has been informed that field and garden seeds have been removed from the restricted export list of the United States, and the American shippers in future do not require licenses for shipments of seeds coming into the Dominion. The removal of United States restriction on flour also will extend to Canada.

ENVELOPE DAY.—Next Monday is "Envelope Day" in the Salvation Army Drive. In every household in the city there will be placed today an envelope. This is not asking those who have already contributed to contribute, but is to give any other member of the household a chance to give, if they desire. For this reason envelopes are being left at all houses in order to give all who have not been canvassed an opportunity of giving. To those who have already subscribed let it be said that this is not a second invitation to give but it is simply to give all a chance to join in this worthy movement. These envelopes will be collected Monday 27th January.

The Salvation Army Lassic.

**She's a Mother to the Boys in Khaki!**

YOU may never know all the Salvation Army Lassic has done at the front. Aside from your letters and parcels she bestowed the true MOTHER touch to the boys. They will never forget her!

They will never forget her mending their clothes within sound of the guns; handing out hot coffee, pies and sandwiches to the men on the march; getting up concerts and "free-for-all" songs around the piano; comforting the heavy-hearted; and restraining him with a mother's influence when nothing else on earth could give him the necessary spiritual strength.

One thing only will stop the Salvation Army Lassic continuing her wonderful work among the soldiers—Lack of Funds! Supply the money that is absolutely necessary and no Canadian soldier who has done his bit will be without a friend or a home to turn to!

**Soldiers Home Coming Campaign THIS WEEK**

So far the Salvation Army has been able to finance its war work without a general appeal for funds. NOW comes the crisis. They are proud of the slogan "First to Serve—Last to Appeal." They appeal NOW only because they cannot continue without your help, and the appeal is made to you, not only in the name of the men who offered their lives for you and who are deserving of every comfort we can provide, but for the welfare of Canada.

The Salvation Army is giving vital help over here to the solution of Canada's problems of Repatriation and Reconstruction.

Does a soldier need a home for a few days? The Hostels are open to him. Does he need a job? The Salvation Army finds him one. Is his family in distress? The Salvation Army Lassic is ready to nurse, comfort, scrub, attend to the children—all with loving care for the sake of the Master! Help and help liberally, so that our homecoming men will feel that you stood behind them to the finish. Be able to meet these men eye to eye, conscious that you have done your duty to the full! "Keep the home fires burning till the boys come home."

"How much owest thou unto thy Lord?"

**The Man Who Buys Cheap Goods to Save Money, is Like the Man Who Stops the Clock to Save Time**

There is no consistency in the act of a person who attempts to save money in the purchase of drugs. In some lines of business price may well be featured as a talking point, but in the drug business QUALITY regardless of price, should be the main consideration.

We handle pure, potent drugs and guarantee the quality of everything sold and the prices which we charge are as low as those asked elsewhere. The same high standard which we place on drugs also applies to our drug sundries, and various side lines. If you are a careful buyer we solicit your business.
