New Spring Dress Goods

It is with pleasure we announce the arrival of our dress fabrics from Great Britain by the S. S. Carthaginian which sailed from Liverpool on February the 15th last. They arrived in Charlottetown yesterday and may be seen at our store to-day.

We wish that every lady within the City would accept this invitation to inspect the new dress goods. We are too modest to say they are the finest ever shown in this City. We simply appeal to your intelligence in this matter as to their merits. By placing a very large order the manufacturers have given us exclusive control of the lines for this Province. It comprises everything new in dress goods as worn in Paris and London.

We call special attention to our lines of new Banneruan Royal Mo-hair Dress Goods. We have the exclusive agency here, the values are exceptionally good at \$1.35 a yard and the patterns are the latest that fashion has decreed.

Lace Curtains

We have opened a large shipment of Lace Curtains direct from the manufacturers. We can say without hesitation that no firm in the City has ever placed before the public such a large assortment of new and up to date designs in Window Curtains as that now shown by us.

We ask critical buyers and those who are judges of values to come and compare as we are in a position to save you money on every pair of curtains you purchase at our store, in order to introduce these lines into our City. We are quoting at the following low prices for 50c, 75c, 85c, \$1.00, 1.25, 1.35, 1.50, 1.65, 2.00, 2.25, 2.50, 2.75, 3.00, 4.50, 6.00, 7.50, 9.00, etc.

All the departments of our store have been opening up new goods. Every effort is being made by us to make our store the leading place in the Province to do your shopping at. Watch our ad from day to day for the latest store news.

Kramer and Massey make their final appearance at New Wonderland tonight. A bumper audience is expected as they have made a most favorable impression here. They leave tomorrow evening for Halifax, and their place will be supplied by another team, likely a single act too. Everybody come and see them tonight, and make their farewell one to be remembered. The pictures this evening are, "Thanksgiving Day, The Puppet's Nightmare, and the Beggar's Dream." Mr. Waterall will sing a new illustrated song, and the Saturday night performance will be up to the usual high standard tonight at New Wonderland.

GRAND FAREWELL AND PRESENTATION

LONG CREEK, March 11.—Tuesday evening March 2nd upwards of seventy people assembled at the home of Frank J. McLean, Long Creek, to tender a farewell banquet to D. K. McNeill who, with his two young sons, is about to leave this Province to reside in Western Canada. The evening was spent most pleasantly with the usual social games, singing and music.

Reverend Mr. Cornwall on behalf of the members of the Baptist Church of which Mr. McNeill was a consistent member and on behalf of the friends assembled presented Mr. McNeill with a beautiful watch and chain accompanied by the following kind expressions "Having learned of your intending departure from our fair island to make for yourself and family a home in another part of our Dominion of Canada we, your brethren in the church and your host of friends in the neighborhood take this opportunity of expressing our regret at your departure and our appreciation of your character and worth to us as a Christian gentleman and worker in connection with our church here and as a citizen and neighbor.

We have enjoyed in our christian fellowship your consecrated talent in our congenial and social services. Your regular attendance at divine service, your help in the praise of God for many years in connection with the choir, for these consecrated gifts and your devotion and contribution to the extension of Christ's Kingdom in Long Creek we bless God and endeavor to express to you our gratitude and esteem as a member of our church and choir. And it is with deep regret we hear of your intended removal from us, but we trust it is the hand of our Heavenly Father pointing you to spheres of usefulness elsewhere.

We shall miss your genial intercourse and society, your co-operation in educational matters and all that has tended to the uplifting of the community. As boys we have grown up together. We have struggled along in life. We have learned from your boyhood to admire your noble, manly qualities, your wit, your honesty and wisdom, and we feel we must in some small way show tangible evidence of the feelings of our hearts. We therefore, in behalf of the church and your numerous friends take much delight in presenting this address and this watch and chain to you.

Wishing you Heaven's richest blessings—success, long life and happiness in the land where you now go to pitch your tent.

Believe us ever, your friends, and brothers of the Baptist Church and many friends in Long Creek, etc.

Here followed a list of the donors.

Miss Currie, teacher of Long Creek School, on behalf of herself and pupils presented Master John McNeill, with a handsome dressing-case accompanied by this nicely worded address: "We have much pleasure in presenting you with this little token of appreciation from your teacher and school-mates showing you the respect in which you are held by us. We are all very sorry to see you leaving Long Creek School where you were a great favorite and we hope that you will get along as well with your school-mates and teacher in the great west as you did in Long Creek. We all wish you success and trust that God will lead and protect

That Dodd's Kidney Pills will cure the Deady Bright's Disease.

Martin O'Grady Suffered From Bright's Disease for a Year, but the Old Remedy, Dodd's Kidney Pills Cured Him

EMMETT, Renfrew Co., Ont., March 12.—(Special).—That the one sure cure for Bright's disease, the most deadly of all kidney diseases is Dodd's Kidney Pills is again proved in the case of Martin O'Grady of this place. And for the benefit of other sufferers, Mr. O'Grady has given the following statement for publication.

"For over a year I suffered from Bright's disease. I was attended by a doctor, but he did me no good. My appetite was fitful, my sleep broken and unrefreshing. My memory failed me and I was always tired and nervous. I had sharp pain and pressure at the top of my head.

"Being advised to try Dodd's Kidney Pills, I bought a couple of boxes and found relief soon after I started taking them.

This is only one of hundreds of cases in which Dodd's Kidney Pills have conquered the worst form of kidney disease. They never fail to cure Bright's disease, Diabetes, Rheumatism, Lumbago or Sciatica.

WANTED TO BE TEACHER WROTE DEAR MR KAISER

BERLIN, March 10.—Emperor Wilhelm received recently this letter:

"My Dear Kaiser: I have often heard in school of your goodness and kindness and this gives me courage to write to you. I should like to become a school teacher but my mother is a widow and has nine children to rear. Three of them are domestic servants and they are willing out of their wages to help me to continue my studies, but the amount they can give me is far from sufficient. I therefore ask you, dear Mr. Kaiser, to assist me to carry out my wish to become a school teacher. My respects to yourself and the other Hohenzollerns. Yours, "R. R."

The Emperor has the case looked into. When he found that the letter was written by a worthy lad of fourteen, attending the village school in Pechingen, Hohenzollern, he sent the little fellow 150 marks (about \$36), enabling him to enter a higher school, the teacher in which was commanded to pay special attention to this pupil.
