SEIZURE has this community been moved as it was yesterday morning when it was announced that Dr. C. A. McPhail had suddenly passed away during the night. The Doctor had been in his usual health, had retired about 11 and was shortly after stricken with apoplexy. Doctors McNeill and McLeellan were hastily summoned and were at his bedside within a few minutes, but before their arrival the patient was beyond human aid. He breathed his last about 3 o'clock. Dr. McPhail was a son of Alex. C. McPhail of Argyle Shore, and was 42 years of age. He was educated in the school of his native district and in the Provincial Normal School. After teaching school for several years he entered on his medical studies at Toronto, graduating with honors from Trinity Medical College in April, 1892. He practiced his profession for a short time at Pownal and North Wilshire and a little over eight years ago removed to Summerside. Here he worked up an extensive practice, founded his home and entered into the civic and social life of the town taking a deep and active interest in all that concerned its welfare. He was an active worker in the Presbyterian church, being for several years successively chairman of the Board of Managers. He was also an active and honored member of M. Lebanon Lodge A. F. and A. M., and of Court Chantauqua, I. O. F. A few years ago he took a post graduate course in the University of Edinburgh securing the degree L.R.C.G. Edinburgh. As a physician he was held in the highest esteem by his medical brethren and beloved by his patients to whom he was doctor and friend. In his death Summerside loses one of its best physicians and a citizen whom all esteemed and loved. To his wife and two young children upon whom the blow has fallen with such awful suddenness, and his aged parents, brothers and sisters The Guardian extends its heartfelt sympathy.

 Louis Tenny has no immediate use for it after Using Dodd's Kidney Pills.

SUMNER, Assa., Dec. 1.—(Special.)—Louis Tenny, who made his will and got all ready to die, is on his feet again and all going around as if sickness and he had always been strangers. And the reason of it is that Postmaster Cosgrave induced him to try Dodd's Kidney Pills.

Mr. Tenny was so ill with inflammation of the bowels and kidneys that no one expected him to recover, but the first dose of Dodd's Kidney Pills encouraged him to go on taking them, and the result is that he is to-day a well man.

Summer people are not slow to recognize the merits of his wonderful remedy, and scarcely a home in the neighbourhood without its box of Dodd's Kidney Pills.

**OGILVIE'S FLOUR**

Is the highest grade on this Continent. No other Flour will make as much bread to the barrel. Bakers make 152 pound loaves from one barrel of OGILVIE'S.

The price is so near that of Ontario Flours, that you would lose money by buying any other. It absorbs more water than any other known Flour; therefore the bread will keep moist longer.

OGILVIE'S is made from No. 1 Hard Manitoba Wheat, (acknowledged to be the best made in the world), and scientifically milled by the latest improved methods. Manitoba Wheat contains more gluten than any other Wheat, and gluten is the property in wheat, which gives strength. It is more healthful than starch, which is the principal element in Winter Wheat.
