CASCARETS KEEP BOWELS REGULAR AND CURE COLDS

NO HEADACHE, SOUR STOMACH, BAD COLD OR CONSTIPATION BY MORNING.

Get a 10-cent box. Colds—whether in the head or any part of the body—are quickly overcome by urging the liver to action and keeping the bowels free of poison. Take Cascarets to-night and you will wake up with a clear head and no doubt you will wonder what became of your cold. Cascarets work while you sleep; they cleanse and regulate the stomach, remove the sour, undigested food and fowl gases take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Remember the quickest way to get rid of colds is one or two Cascarets at night to cleanse the system. Get a 10-cent box at any drug store. Don't forget the children. They like this Candy Cathartic and it is often all that is needed to drive a cold from their little systems.
