Attention Stallion Owners
According to the provisions of the Stallion Enrolment Act, all stallions two years old and over standing for service in this province must be enrolled in the records of the Department of Agriculture and undergo inspection by an official appointed for this purpose.
Horse owners are asked to attend to this matter promptly so that arrangements for inspection may be made at the earliest possible moment. It is expected that inspection services will be conducted early in May, cost of enrolment is two dollars and this amount must accompany application for enrolment. Applications should include name of horse, breed, age, color, description and registration number, if horse is registered.
Stallions owners who use horses for service not enrolled or inspected will be subject to the penalty provisions of the above mentioned Act. Only horses enrolled and graded within the required grades of this Act will be permitted to travel for public service. Horses grading "Out" previous to this year may offer at owner's stables only.
