NEARLY CLEAN BILL OF HEALTH.—The improvement in the public health during the past three days has been simply marvellous—the "Spanish Flu" as vanished almost as quickly as it came. No new cases were reported yesterday or Saturday and all the old cases were reported making satisfactory progress towards recovery. Since Thursday there has been a spirit of optimism—the deadly depression has been shaken off, fear banished and people have begun to resume their accustomed walk in life. A continuance of pleasant weather seems all that is required to enable the authorities to remove the ban from the public gatherings and permit a resumption of business activities. The Guardian is assured that the prohibition will not be continued a moment longer than is deemed necessary for the public health.

DEATH OF AMBROSE HENNESSEY

A telegram received in the city from Mr. Frank Hennessey brings the sad news that his brother Ambrose of the Canadian Army Medical Corps, died in Halifax Saturday. He had enlisted about two months ago. A few days ago he contracted influenza, and in response to a wire stating that his condition was critical, his brother Frank left for Halifax and was with him when he passed away. The deceased who was about twenty five years of age, was with his brother in the Two Macs drug store for about ten years before leaving for Halifax.

He was prominent in athletic circles, being at one time a member of the Abegweit Club and later of the Connaught Club. He was an excellent hockey and football player and took a keen delight in outdoor sports. He was a young man of genial temperament, and very popular with his associates.

There are left to mourn his parents and three brothers, Frank, William and Joseph. The sorrowing family will have the deep sympathy of all in their bereavement. The remains arrived Saturday night and the funeral took place Sunday to St. Dunstan's Cathedral, thence to R. C. Cemetery.

PRESTON K. COFFIN.

One of the most promising young men of Morell passed away, after a short illness, on Oct. 9th, in the person of Preston K. Coffin, son of Mr. and Mrs. Henry Coffin, Morell. Some months ago, he enlisted in the navy, and was serving on a patrol boat in Sydney and came home on furlough. To help in the harvest work, he was stricken down by influenza.

His death at the early age of 27 years, is deeply regretted. He was a fine type of a young man, a consistent member of the church and highly respected by all his acquaintances.

His parents and brothers and sisters have the deep sympathy of the community in their sore bereavement.

The funeral service, at the house and grave, was conducted by his pastor Rev. J. M. McLeod.
