MRS. LEWIS OF BROOKLYN

Tells How She Was Made Well by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N. Y.,—"For one year I was miserable from a displacement, which caused a general run-down condition with headaches and pains in my side. My sister induced me to try Lydia E. Pinkham's Vegetable Compound. I found it helped me very much and such a splendid tonic that I am recommending it to any woman who has similar troubles."—Mrs. ELSIE G. LEWIS, 30 Vernon Ave., Brooklyn, N. Y.

Such conditions as Mrs. Lewis suffered from may be caused by a fall or a general weakened run-down condition of the system, and the most successful remedy to restore strength to muscles and tissue and bring about a normal healthy condition—has proved to be this famous root and herb medicine, Lydia E. Pinkham's Vegetable Compound.

If you have disturbing symptoms you do not understand write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

..*SPECIAL MEETING L. O. L No. 2649, Montague, Monday evening, April 15th. Full attendance requested. Important business. 4511M2iE1i.

..*HOME FOR BURIAL— The remains of the late Mrs. Thomas Parker, arrived in Georgetown on Tuesday night accompanied by her husband. The funeral took place on Wednesday afternoon at 2.30 o'clock and was largely attended. This together with the many beautiful floral tributes clearly testified to the sympathy felt by the people, for the young life cut off so suddenly. Rev. J. A. Greenlees officiated. The pall-bearers were Messrs. John McDonald, J. M. Nicholson, S. S. Hessian, Henry Parker, J. Howard McDonald, and A. D. McLellan.—G.

..*CORRECTED INFORMATION.— Some incorrect statements were printed in Thursday's Guardian concerning the concert held in Alliston school house in aid of the Red Cross. Miss Kate MacLean and Mr. Chris MacLeod did not dance the Highland Schottische, nor did Mr. Angus MacDonald recite "Curfew Shall Not Ring Tonight." The program was well rendered and much credit is due to all who took part in making the concert such a success. Mr. John MacLeod very kindly gave his organ for the occasion, and Miss Annie MacLeod was organist. The program consisted of several choruses by the choir; a number of duets by Mrs. Taylor and Mrs. MacDonald; instrumental music by Mr. and Mrs. Jackson and Mrs. D. A. MacDonald; a duet by Mrs. Beck and Miss MacLeod; step dancing by Mrs. Collins and phonograph selections by Mr. Hicken. Mr. R. W. Beck acted as chairman. The proceeds amounted to $25.00, and were handed over to the Treasurer of the local Red Cross Society.

IRISH R. Cs. IN P.E.I.

Sir,—In the report in the Guardian of the 11th inst. of the proceedings in the legislature, Mr. Johnston said, "there were about 26,000 Irish Roman Catholics in the province." The census of 1901 gives the total Irish in the province to be 21,992; and the census of 1911 gives the total Irish to be 19,900. Now as this includes both Catholic and Protestant Irish, the number of Irish Roman Catholics at that time must have been less than that number. This is the last census that was taken and there is no evidence to show that the population of the province has increased since that time. Thus the assertion that there are twenty-six thousand Irish Roman Catholics in the Province is far from the correct figure.

I am Sir, etc.

LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

Take no chances! Move poisons from liver and bowels at once

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

Lens Grinding Do You Know-

That we operate the only Lens Grinding Plant on P. E. Island?

That we employ a skilled Surface Grinder, and are daily grinding from the rough glass—the most complicated kinds of lenses?

These are facts, which mean a good deal to the Glass wearing public, doing away with the annoying delays caused by sending away for special lenses.

Send your glasses in by mail, you'll get them back promptly and in perfect condition.

Call in and look over our plant.
