THE annual Xmas tree and concert was given in Kensington Hall yesterday afternoon and evening. In the afternoon a delightful tea was served by the teachers and friends of the school. The attendance at the entertainment in the evening was not as large as it would have been had the weather conditions been favorable. Shortly after 7.30 Rev. G. M. Young announced the first number on the excellent program of recitations, choruses and solos prepared. It was evident from the proficiency apparent that the little ones vied with each other in making the entertainment a success. Prof. Watts and his orchestra were present and added greatly to the program of the evening.

THE Christmas entertainment for the Sunday school children of St. Paul's church was held last night in the school room. Notwithstanding the unfavorable weather the attendance was quite large and those who braved the snowstorm were more than repaid for their efforts. An excellent program was carried out consisting of carols, recitations and solos by the children. The manner in which the different performers acquitted themselves reflects great credit upon the Misses DeBlots and Chappell who prepared them. Mr. F. S.
