SEED WHEAT

DEAR SIR,—

I am very glad to be able to inform you that after testing the WHITE FIFE WHEAT, imported by you from the North West last fall, I have no hesitation in recommending it to the farmers of P. E. Island.

I sowed twenty grains without making any special selection, and out of the twenty, nineteen grew strong and healthy.

Farmers in this section of the country pronounce you seed wheat the best sample that they have seen imported to this Island.

Yours etc.,

R. P. BAGNALL, Farmer, Hazel Grove, P. E.

I still have a few bags of this specially selected wheat to dispose of.

FERTILIZER FACTS !

The value of all Fertilizers consist in the amount of soluble Phos. Acid, Nitrogen, and Potash they contain, and the brand which shows the greatest value in these is the one to buy, on the same principle that milk testing 4 per cent. butter fat is more valuable than 3 per cent milk. ENGLISH MANURES costing the same price, contain 20 per cent. to 25 per cent. more Phos. Acid, Nitrogen and Potash than any other complete Fertilizer on the market.

Or in other words the Plant Food contained in a ton of other Fertilizer costing say \$35, can be purchased from us for about \$28. All fertilizers are sold under a guaranteed analysis enabling any who may, to verify the above, and the superior quality of these Manures is being shown by actual test year after year by the really wonderful results produced wherever

WORSE THAN YELLOW FEVER.

Kidney Disease Man's Deadliest Foe, Dodd's Kidney Pills its Only Cure.

Toronto, May 15 "Yellow fever small pox combined, do not kill as many people as Kidney Disease does," was the assertion of a prominent Toronto physician, recently.

The assertion is fully borne out by facts, and were it not that there is a means of checking and curing Kidney disease the number of its victims would be trebled.

But the use of Dodd's Kidney Pills keeps the death-rate from this complaint, quite low compared to its former height.

If Dodd's Kidney Pills were used in every case of Kidney Disease, there would be no deaths from it.

Mrs. James Constable, Seaforth, Ont., writes:—"Ever since I can remember I have suffered from weak action of the heart. For some time past it grew constantly worse. I frequently had sharp pains under my heart that I was fearful if I drew a long breath it would cause death. In going up-stairs I had to stop to rest and regain breath. When my children made a noise while playing I would be so overcome with nervousness and weakness that I could not do anything and had to sit down to regain composure. My limbs were unnaturally cold and I was subject to nervous headaches and dizziness. My memory became uncertain and sleep deserted me.

"I have been taking Milburn's Heart and Nerve Pills, which I got at Mr. Fear's drug store, and as a result am very much better. I have improved in health and strength rapidly since commencing this treatment. The blessing of sleep is restored to me. My heart is much stronger, and the oppressive sensation has vanished. I can now go up-stairs without stopping and with the greatest of ease, and I no longer suffer from dizziness or headaches. It seems to me the circulation of my blood has become normal, thereby removing the coldness from my limbs. I can truly say that Milburn's Heart and Nerve Pills have done me a world of good."

Mr. A. D. Wilson, of Clearwater, Man., is emphatic in his statements regarding this remedy. It has cured him completely and he does not hesitate to give a history of his case for the benefit of his fellow sufferers. This is what he says: "I can recommend Milburn's Heart and Nerve Pills as the best thing I know of for weak and nervous people. When I first commenced taking them I was in an extremely weak condition. I was nervous and easily startled, sometimes I would start in my sleep and it would be a long time before I could get asleep again.

"Shortness of breath and dizzy spells would come over me at times and often I thought that my end was near.

"Milburn's Heart and Nerve Pills have changed all that. They have strengthened my nerves and built up my health so that I am a row man. I consider them simply wonderful."

Milburn's Heart and Nerve Pills are 50c. a box, or 3 for \$1.25, at all druggists, or sent by mail. T. Milburn & Co., Toronto, Ont.

PROOF OF THE PUDDING IS IN EATING IT.

The best policy of Life Insurance is judged by its Actual Results.

We invite Comparison. Here is a fac-simile of one of the many testimonial letters the Co. is receiving.

Toronto, Nov. 20th 1897 To the North American Life Assurance Company, Toronto.

DEAR SIRS,— I have much pleasure in acknowledging the receipt of your Company's cheque, through your District Manager, Mr. W. J. Waters, for the full cash value of my Semi Tontine Policy held in your Company. Fifteen years ago I was induced to take out a Life Fifteen-Year Investment Contract in your Company, and now the time has arrived when I can exercise one of the four options referred to in the Policy. At the time of insuring I was 43 years of age, and consequently have had the protection of insurance during the period of fifteen years (ages 43 to 58), when I understand the cost of insurance is comparatively heavy. One of the options, offering me the cash value, amounts to within a few dollars of all the premiums I have paid into your Company, thus I have had my risk carried for the past fifteen years for very little more than the interest on my premiums.

In view of the increasing profit returns of all American and Canadian Companies on account of the decline in the rate of interest, the result of my North American Policy cannot but be viewed with great satisfaction. If I had held a similar Policy in either one of the two large American Companies doing business in Canada, I find that I would not have been in as good a financial position as I am in respect to your Policy. In both of the Companies referred to, the annual premium is \$3.30 in excess of that I paid to your Company, and if this annual premium were invested yearly for the fifteen years for which I have been paying premiums, it would now amount to \$78. This sum, added to your cash value, would make a total of \$557.45 as contrasted with the cash value of \$454 and \$452 respectively in the American Companies mentioned.

Hoping that the good management and profit earning power of your Company may continue, I am,
