Betty S, Alan Harvester Winners In Straight Heats

August Queen And Jack Hardy Divisional Winners In 2.24 Class. Vaudeville Acts Well Received.

One of the largest Tuesday's attendances in recent years saw a wonderful afternoon's sport at the Exhibition grounds yesterday. The racing was fast and competition of the most spirited kind, and in some of the races victory perched on the banner of horses that were not regarded as having a chance. It was the kind of racing that the fans like, the uncertain kind. True it is that Betty S. came through with a win in straight heats in the 212 Trot and Pace, although she was extended to the limit by Marjorie M. and Heatherbell as the two heats in 2:09 indicate.

The 215 Trot was the cause of a lot of bad scoring because of the rivalry between several of the starters. Calumet Bee, making her first start under the new ownership, showed some real trotting ability but tired at the finish of the second and third heats. Her sixth position in the summary in the first heat was due to a break at the end off.

Two Divisions

The 2.24 Pace had so many entries that the management divided it into two races giving full purses of \$350 for each race. They did not want to use elimination heats which would mean that only eight of the horses would have a chance to see the final, so generously put up the extra money.

It was the two divisions of this pace that caused the racing to extend until seven o'clock. The large number of horses of comparatively equal ability made things difficult for Starter Acoorn and although he was handed much advice and some rather caustic comments, yet it is difficult to see how he could have done very much better under the circumstances.

The highlight of this class was the performance of August Queen, who won the third and fourth heats and race. Driver Cummings was taken down after the sixth false score in the third heat for scoring ahead of the pole horse and driver Peter Conroy substituted. The old veteran got away in fifth position, gradually crawled up to third at the three-quarter pole and then entering the stretch was back at Bob O Boy's wheel. The cagey Peter then made his drive and with the cheers of the grand stand ringing in his ears crossed the finish wire a winner.

The afternoon was featured by spills, broken sulks, broken harness and a lot of waits caused by these, but the gala vaudeville performances and the singing of Charlie Chamberlain filled in and made the time pass so quickly very few realized that the hour was so late when the finish came.

The vaudeville acts were well received; the Cimse act is all it has been cracked up to be, a super-sensational performance. Charlie Chamberlain made a big hit and will no doubt be one of the big names before the public in the near future.

Following is a short summary of each race:—

212 Trot and Pace.

This was the first event on the card and had five starters. They got away after six scores, Marjorie M. getting the worst of the send-off was in fourth place as they rounded the first turn. Her driver started to team and at the half she was out in front, then she fell back again on the back stretch and notwithstanding all the efforts of Driver Jabblee she could not get nearer than Betty's sulky wheel. Heatherbell was a good third and Katherine C. three lengths back fourth; Morning Express second.

The second heat was practically a repetition of the first. In the third heat Marjorie M. took the lead at the half and held it to the three-quarter pole when she was passed by Betty S. and Heatherbell. Heatherbell gave the spectators a great thrill by a big try in the last hundred yards. He was timed separately in 2:09½, so had

he managed to get his nose out in front he would have set up a new track trotting record. The present one is 2:10¼. Driver Cameron certainly got the best that was in him out.

215 Trot

This was the most talked of race of the day. It had six starters, all good trotters. It took a lot of scoring to get them away. Hollywood Lee making breaks and some of the others also acting badly. After about eight or ten scores they got the Go, Calumet Bee and Helen D. going to a very bad break. Calumet Bee managed to beat the flag but Helen D. was regrettably distanced.

Alan Harvester got away well and grabbed the pole, making every post a winning one. Hollywood Lee was second until the home stretch when Lusty Frisco who had been back fourth, trotted a storm and finished a very close second. Mr. Squires fourth and Miss McTyre second.

Second heat—Again there was a lot of scoring and when they got to the wire Hollywood Lee was off his feet and the driver could not get him down to business so he got the flag. This heat was particularly exciting between Alan Harvester and Miss McTyre, the latter being beaten only by a neck in a rather high class finish. Mr. Squires went the fastest in his career, driven by Fyndall Semple, who had him on high from wire to wire. Lusty Frisco disappointed by being fourth.

The third heat had exactly the same summary except that Calumet Bee displaced Mr. Squires.

2.24 Pace, First Division

There were ten starters in the first division and they got away on the second score to a straggling start with Martindell getting the best of it. Out in the clear he had no difficulty in keeping away from his opposition, August Queen out-footing the others for second place, Josie the Great third, Bob O Boy fourth, Todd Brewer fifth.

The second heat took a lot of scores and when they finally did get away the pole horse, Martindell, was almost standing still through a break. There was a big shout from the spectators, but Starter Acoorn started after to driver Avery that he had seen him going on his stride, then looked across the other side of the track and when he gave the word thought everything was O.K. It was a lucky break for Bob O Boy who took advantage of a fairly good start and moved down all the opposition that was in front of him, got out for the lead at the half and was never headed from there to the wire, August Queen second, Balbo a very close third, Josie the Great fourth, Billy White fifth.

Third Heat—Starter Acoorn had a lot of difficulty this heat. Finally at the request of the judges driver Cummings was taken down and the old veteran Peter Conroy substituted. Peter was fourth horse getting away with Bob O Boy out in front and Billy White second at the half with Balbo third. August Queen then started to move up and entering the home stretch was at Bob O Boy's wheel. The battle down the stretch had everybody shouting; finally August Queen showed in front and then Driver Conroy and horse received an ovation.

There being three heat winners it was necessary to have a fourth heat so August Queen, Bob O Boy and Martindell raced off. August Queen winning, Martindell second and Bob O Boy third. Bob O Boy took a new record in this race of 2:14.

2.24 Pace, Second Division

This was won by the converted trotter Jack Hardy. Not of much account as a trotter, having raced for years in Maine and the Eastern States and not having amassed anything worth while, his new owner Fergie Baxter thought he would turn him over to the pace

Kiwanis Trim Devon 15-6 To Tie Series

(C. P. By Guardian's Special Wire) ST. STEPHEN, N. B., Aug. 20.—St. Stephen-Milltown Kiwanis went on one of their old-time batting spees here tonight to subdue Devon 15-6 and make a third game here necessary Friday to decide the semi-final of the New Brunswick baseball playdowns. The winners will meet the victorious nine of the other semi-final series opening at Hampton tomorrow night between Saint John Trumps and Hampton Ossekeags.

Devon started out to duplicate last night's feat when they nosed out Kiwanis 5-4 but the Maritime champions evened matters in their half. The score was tied at six all in the fifth, but Kiwanis routed the visitors in the next inning by counting nine runs.

Brownell, replacing Clark on the mound for St. Stephen-Milltown in the second inning, held Devon helplessly excepting their sixth and last run.

Wiley didn't last long in the box when the Kiwanis began hitting him in the last of the sixth. Burrage and Lawrence fared little better. Seven hits accounted for six of the runs. Harry Boles led the parade with three. Every player on the local line-up did a share of the hitting.

(A. P. By Guardian's Special Wire) Home Runs Yesterday: Fox, Athletics, two; Simmons, White Sox; Sewell, White Sox; Chapman, Yankees; Greenberg, Tigers; Solters, Browns; Berger, Braves; Ott, Giants; Leiber, Giants; Rothrock, Cardinals; Medwick, Cardinals, one each.

The Leaders: Greenberg, Tigers, 32; Berger, Braves, 27; Ott, Giants, 25; Fox, Athletics, 25; Johnson, Athletics 22; Camilli, Phillies, 21.

League Totals: National 537; American, 527; total, 1,064.

and it proved a happy inspiration, as he seems to like that way of going and was the class of the bunch yesterday. Like the other division this pace had a lot of scoring, some broken sulks through collisions, broken harness which meant delays and some exasperation for all parties.

Real Great, owned by Frank McKay, with a summary of 3, 2, 3, won second money and delighted Frank's friends with his good finishes. Bud Cope looked a winner on at least two occasions and finished very close in the second heat, just losing second position in the other two heats to Real Great in stretch drives. Harvey Aubrey went a consistent race, finish 4, 4, 4, and Roy Volo, Jr., who had plenty of speed but was making breaks, was 5, 5, 5.

The best time was in the first heat, 2:14½. The winners of the different races are owned as follows:

212 Trot and Pace—Betty S. 2.07, owned by C. M. Alexander, St. John, N. B.

Worthy Grattan Wins Review Futurity

(A. P. By Guardian's Special Wire) SPRINGFIELD, Ill., Aug. 20.—A third heat was needed today to determine the winner of the Review Futurity for two-year-old pacers in the second day of Grand Circuit racing at the Illinois State Fair.

With \$1,000 added, a great field of juveniles, most of whom are entered for the \$10,000 Fox Pacing Stakes at Indianapolis two weeks hence, split \$2,368, with the winner's share going to Worthy Grattan, a gelding by Grattan Law.

Worthy Grattan placed fifth in the first heat which went to Jerry Patch. In the second heat the colt from the J. E. Crosbie stables at Tulsa, Okla., came in first. The deciding heat, with none but Worthy Grattan and Jerry Patch competing, was won by the Crosbie entry.

Canadiens To Train In Montreal

MONTREAL, August 20.—It's a bit hot for hockey news but Canadiens of the National Hockey League have decided to discard their custom of training out of town.

Managing director Leo Dandurand stated today Canadiens will do their preseason work here, having been promised ice at the Forum by October 21.

Last year Canadians worked out at Saint John, N. B., and in 1934 at Kingston, Ont. Dandurand said he would have 36 players, possibly 40, at training camp. They have been instructed to report in shape to go straight on the ice, doing away with necessity of spending time in calisthenics and road-work.

Bulwark Wins Feature Race

MIDDLETOWN, N. Y., Aug. 20.—With many of the trotters and pacers, which performed on the Grand Circuit at Goshen last week headlining the program, the three-day racing meeting opened here today.

The featured two-year-old trot went to Bulwark from William H. Cane's good time stables. Driven by Charles Dean, the colt trotted the two-lap course in 2:10 to beat Pinero, a winner at Goshen last week. Worthy Peter, another Goshen winner and favorite for the 2:15 pace, was beaten by Patrick Potemkin, owned by J. C. Thompson of New York. The 2:23 trot went to the limit of four Philadelphia and Cleo Locatelli, Italian champion, must fight it out for the right to meet Tony Canzoneri for his world's title.

With Lou Ambers, the Commission's No. 1 challenger, out of the picture temporarily because of a broken jaw, Madison Square Garden signed for a championship bout with Canzoneri in an indoor show here October 4.

Today's Racing Card At The Exhibition

Today's races will probably be as good a programme as has ever been seen at Charlottetown. There are four classes, starting with the Two Year Old Trot and Pace, followed by the 215 Trot and Pace, the 212 Trot, Maritime Bred and finally the 2.18 Pace.

THE TWO YEAR OLDS

The Two Year Old Class is one that is being taken a great deal of interest in, principally since youngsters are an uncertain quantity on the race track. They may or may not perform up to their trials. They haven't enough experience at the game to make them reliable.

Dowell of Summerside has won the most so far, with a mile in 2:24, the fastest ever stepped by a Two Year Old in the Maritimes, Miss Victoria, owned by Power Brothers, Charlottetown, has won the next best in trips against the watch, having been a mile in 2:27. Starrett Volo has paced in 2:32, Mille Kalmuck in 2:34, Guy Zambrro, Reymonette, Queen Helen and Jackie V.C., have each been very close to the 2:30 mark, while Guy Annie has beaten it a trifle. The Two Year Olds will be off on their first trip just before 2 o'clock.

THE 215 PACE

This will be a dandy race, with I'm Alone, 2:10, Patrick Direct, 2:07 1-4, Plucky Scott, 2:07 1-2, King Spruce, 2:10, and Maxine Green, 2:11 1-2, five evenly matched pacers that can all contend, or very close to it. Anyone's race, we would say.

THE 212 TROT (Maritime Bred)

This is a class that always was very interesting in the past, but it did not fill last season. This year it has a good entry list. Eight horses will take the word, and there doesn't seem to be much difference between any of them.

Peggy Longset, 2:17, is one of the best liked, Alliset, Peter S., 2:16 1-2, and Happy Boy, 2:19 1-4, are also favourites. There has been a lot of talk about Star Dillon. Some say he has been in 2:17 over Upton Track. Mae West and Almer Worthy will complete the entry list. It should be a good race.

THE 218 TROT AND PACE

There is speed by burn in this class, and although Star G., 2:09, seems to have the edge on the others, and the much talked of Abner T. Glegg, 2:04 1-4, will also take part, yet the uncertainties of horse racing make it difficult to pick a winner. Abner T. Glegg, on the form he has displayed in the United States recently, should be the winner, but we can't figure him that way after his long trek of fifteen hundred miles from Pennsylvania, and the change of climate. If he wins, he must be a super horse.

Foxy Pete, 2:13 1-2, Jo' he Great, 2:13 1-4, Trixie Volo, 2:11 1-4, Winnie Winkle, 2:12 1-2, Quaker Girl, 2:13 1-4, and Signal Senator, 2:13, make up the balance of the starters, in what we predict will be one of the sensational races of the day.

Roth Slated To Fight Italian Champion

NEW YORK, August, 20.—The New York State Athletic Commission ruled today that Al Roth, New York Lightweight and Cleo Locatelli, Italian champion, must fight it out for the right to meet Tony Canzoneri for his world's title.

With Lou Ambers, the Commission's No. 1 challenger, out of the picture temporarily because of a broken jaw, Madison Square Garden signed for a championship bout with Canzoneri in an indoor show here October 4.

Giants Forced To 10 Innings Before Defeating Reds 6-5; Yanks Cut Down Tiger Lead

(A. P. By Guardian's Special Wire) NEW YORK, August, 20.—New York Giants protected their three-game lead in the National League pennant race at the Polo Grounds today but were forced to go 10 innings before eking out a 6-5 decision over Cincinnati Reds.

The League leaders, holding a three-game margin over the Cardinals, apparently had the game well in hand when they headed into the eighth with a 4-1 advantage and Leroy Parmelee pitching steady ball.

Then almost without warning, Parmelee blew up for the fourth straight game in which he has started. Three hits, including a double by pinch hitter Campbell, sent two runs across the plate and Parmelee to the showers. Al Smith, his successor, was no more successful and after Sammy Byrd, batting for Sullivan, had singled to drive in the tying run and Riggs punted safely he followed Parmelee to the club house. Euel Moore, who received credit for yesterday's victory, forced Ernie Lombardi to hit into a double play to end the rally.

The former Phillies hurler passed two men in the ninth, however, and Holman was called in from the bull pen. Riggs' single over Mark Koenig and Lombardi's double gave the Reds a run in the 10th but Hank Leiber most no time trying the count with his 18th homer of the season. Then with two out and two on, Travis Jackson caught one of the offerings of Don Brennan and drove it into short left to send Hughie Critz home with the winning tally.

PIRATES BLANK DODGERS

With Jim Weaver outpointing Tom Zachary in a mound duel at Brooklyn as each team made five hits, Pittsburgh Pirates defeated Brooklyn Dodgers 3-0.

The Pirates made both of their runs in the third when after two were out, Paul Warner came through with a single and Arky Vaughan lashed a double to left centre. When Linus Frey, who took the throw from Jimmy Bucher, uncorked a wild throw to the plate both brother Paul and Vaughan crossed the plate.

CARDS DEFEAT BRAVES

Home runs by Joe Medwick and Jack Rothrock, each with a man on base helped St. Louis Cardinals beat Boston Braves 6-5 despite Wally Berger's 27th home run of the season.

The wildness of Bobby Brown, who started on the mound for the Braves, accounted for the visitors' first two runs.

Rothrock walked in the third inning and scored ahead of Medwick, who smashed the ball over the outfield fence in left field. In the next inning Rothrock hit a home run after Durocher singled.

Chicago was rained out at Philadelphia.

Yanks Turn Tables On Tigers

NEW YORK, Aug. 20.—After being shut out in three previous encounters with Schoolboy Rowe at Navin Field, New York Yankees struck back with vengeance at the Detroit mound ace today as they defeated the league leading Tigers 6-5. The victory cut the Tigers' margin over the Yanks to six games.

The Yankees lost no time getting to Rowe. They found him for three hits, including a homer by Ben Chapman, and as many runs in the first inning and then blasted him from the mound in the third when they put together another cluster of three runs on four hits.

During the remainder of the game the Yankees were held to one hit by Joe Sullivan and Elton Hoggsett but the damage had been done.

Sensors Lose To Indians

Cleveland Indians capitalized on two fumbles and a wild throw in the first inning at Cleveland to defeat Washington Senators 4-2. Galatzer, Trosky and Hale scored in the initial frame. Galatzer was
