IN MEMORIAM

MRS. HUGH S. MCKAY
 There passed away at New London on Monday evening, Sept. 27th one of the best loved and highly respected residents of that vicinity in the person of Barbara, wife of Hugh S. McKay in her seventy-fifth year. She had been invalid eleven years, but those nearest and dearest to her could see little change in her condition, and her sudden death came as a great shock to them, as well as to neighbors and friends.

She was a daughter of Mr. and Mrs. Donald McKay of Murray Harbour, one of a family of eleven children, of whom are left to cherish her memory but one brother, Donald McKay of Los Angeles, Cal. and three sisters, Mrs. Alex Crichen, Petaluma, Cal., Mrs. Jennie Keeping, Murray and Mrs. James Biggan of Moncton, Maine. She was a particularly sweet and lovable disposition, of large-hearted hospitality, generous to a fault, and though her long illness was never heard to complain, but every thought was for others. Rich and poor found a welcome in her home, and she will be much missed in the community, although laid aside for so many years from active participation in its activities. She was a consistent member of the Presbyterian Church, and while health permitted her place in church and Missionary Society was seldom vacant. But it is in the home where her loss will be most keenly felt, her husband, her aged partner, also laid aside as the result of an accident, will miss the familiar figure in the arm chair by the fire.

Three children are left to mourn Mrs. Goss and Stirling, on the Lawrence, Mass., and three grandchildren.

The funeral service was conducted by the Rev. Mr. Harrison, assisted by the Rev. Mr. Ayers and the very large concourse of people who followed her remains to their last resting place in the cemetery close by to be laid beside those of her son and two daughters, who predeceased her, testified to the high esteem in which he was held.

THE LATE ANGUS C. MCINTYRE

The death occurred last Thursday after a brief illness, of Mr. Angus C. McIntyre, for many years Light House Keeper at East Point. He deceased was a son of the late Captain John McIntyre of Fairfield, and was a faithful and efficient official and a man of sterling character and more than ordinary intelligence which he came in contact with as the wife predeceased him by seven years. There are left to mourn three sons, one of whom is at present a student in St. Dunstons University, and three daughters to whom the Guardian tenders sincere sympathy. The funeral will take place tomorrow, Sunday at St. Columba Church.

MRS. A. A. MACLEOD
 The death of Mrs. A. A. MacLeod occurred at the Victoria General Hospital at Halifax last night. She was the wife of Rev. A. A. MacLeod formerly of this city, but now at Summerside. Besides her husband she is survived by two children as well as her father Robert Macgee, of Hillsboro, one brother Harry Macgee, and a sister, Mrs. H. T. Calkin, both of this city.

Rev. Mr. MacLeod is a son of Neil MacLeod of this city. Mrs. MacLeod was well known in Moncton, having resided here previous to her marriage. Her death will be heard of with much regret by her many friends.

The body will arrive in Moncton on the Maritime Express this evening at 10 o'clock and be conveyed to the residence of H. T. Calkin, 10 Winnipeg street, city. The funeral service will be held at the Highland Street Baptist Church on Friday afternoon at 2:30 o'clock. Interment will be made in Elmwood cemetery. Moncton Transcript, Oct. 14th.

I. O. D. E. War Memorial, 1926

In order to perpetuate the memory of the men and women who gave their lives in defence of the Empire in the Great War, the Imperial Order Daughters of the Empire has planned a War Memorial which should be of great educational value to the youth of Canada. Its leading features are: Bursaries in Canadian Universities, Overseas Post-Graduate Scholarships.

Nine post-graduate scholarships—one in each Province, of the Dominion—are offered annually to enable students to carry on studies at any University in the United Kingdom, in British and Imperial History, the Economics and Government of the Empire and Dominion, or any subject vital to the interest of the Empire.

The scholarships are of the value of \$1400 per annum, tenable for one year.

The selection of a candidate in this province will take place during the month of November, 1926. The candidate selected must be prepared to begin his or her course in Great Britain in the autumn of 1927.

In choosing the scholars, the Committee of Selection will consider not only literary and academic attainments, but also personal character and physical fitness. If possible, personal interviews with the candidates will be arranged.

Application blanks may be obtained by eligible candidates from the Registrars of the different Universities, and from the undersigned, who will be glad to furnish any additional information desired.

Machinery Attracts Them

LEEDS, England, Oct. 15.—Women engineers become regular mothers to the machinery entrusted to them and hate to leave it to the care of anyone else.

"I hate to leave my pet boiler," declared Miss K. O'Rourke, a slight, auburn-haired young woman who attended the conference of the British Women's Engineering Society, which have been in charge of it for seven years. Women always become tremendously attached to machinery given into their charge.

Miss O'Rourke is a Warwickshire woman employed by an industrial plant.

Girl is States Bravest

BERLIN, Oct. 15.—Baroness Felicitas von Bock, 11-year-old daughter of the late Lieut. Colonel Hans von Bock and descendant of a distinguished line of Prussian Army officers, has been awarded the federal hero medal for bravery. The little Baroness risked her life to rescue a drowning woman in the Havel river at Potsdam. She was feted as the pluckiest girl in the aristocratic city.
