THE WHOLE COLOSSAL DRAMA OF THE WAR IS TOLD IN SEVEN STUPENDOUS REELS OF AUTHENTIC PICTURES CRASHING THROUGH TO BERLIN

Fast on the heels of that solemn funeral procession came the news of Austria's ultimatum—Serbia's defiance—Russia's mobilization—Germany's violation of Belgium's rights—her invasion by the Hun—France's energetic action—England's declaration—and yon and the world were lost in a maze of events that for four years have ruled your life and threatened your future.

All other dramas sink into insignificance beside this stupendous picture. It is the Most Colossal Drama in History—Its Stage is the World—Statesmen, Field-Marsals and High Admirals its Stars—With 20,000,000 Fighting Men and the Peoples of more than a Score of Nations in the Cast.

WEEK OF PRAYER.—The second of the week of Prayer Services was held last evening in Zion Church. Rev. C. R. Freeman being the preacher. The subject of his discourse was "Prayer for the Church Universal" that She may be made equal to the demand of the new age. He spoke of the great opportunity and responsibility she is facing at the present time and said that the great commission of Christ is seen today in its relations to the social side of Christianity. In order to make the way safe the speaker declared the only hope is the spread of Christianity into all parts of the earth by urging the work of missions as never before. He called attention to the condition of Europe and the world today and the need of the people conforming their lives to the Divine will. There must, he said, be a spirit of awakening throughout the world.
