"PE-RU-NA NECESSARY TO THE HOME,"

[Says Prof. Talfourd Smith, of Georgia.]

PROF. TALFOURD SMITH.

Professor Talfourd Smith, Principal Siloam High School, Siloam, Ga., writes:

"With much pleasure I recommend Peruna to all who may be suffering with any trouble of the respiratory organs. I have been using it in my family for the past five or six years and find it to be almost a household necessity. *Peruna is truly a grand catarrh remedy and general tonic and will do all that is claimed for it by the manufacturers.*"

—PROF. TALFOURD SMITH.

Catarrh is inflammation of the mucous membrane. It may be in the mucous membrane lining the eyes or the pelvic organs, throat, stomach, liver, bowels or kidneys.

Catarrh is catarrh wherever located. Peruna cures catarrh wherever located. Peruna is an internal remedy; not a local application.

Catarrh is a systemic disease, not a local disease. If Peruna will cure catarrh in one place it will cure it in any other place, because Peruna is a systemic remedy. It reaches the disease through the circulation in each organ. It eradicates the disease by radicating it from the system.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Miss LEFURGEY, Summerside, has returned from the East, where she has been arranging for concerts during the present month. She has booked the following places: Souris, Tuesday, Aug. 26th; Georgetown, Wednesday, Aug. 27th; Montague, Thursday, Aug. 28th, and Mount Stewart, Friday, Aug. 29th. Miss Lefurgey's entertainments have always been of the highest order, and this summer she has added greatly to the success of her concerts by having associated with her Miss M. Josephine Comstock, the celebrated contralto, who is becoming so well known amongst us. Miss Comstock's superior advantages both of travel throughout the United States and Europe, studying with the best masters and travelling as contralto soloist of the famous Chicago Ladies' Quartette, places her in a position musically, so that none should miss an opportunity of hearing her. Miss Lefurgey is already too well known as a reader to need any special mention here, and it is with pleasure we recommend these ladies to the people of Souris, Georgetown, Montague and Mount Stewart, knowing a treat is in store for all.
