It was decided that Masters Everett Somers and Donald Sinclair act on the Clean-up Committee. The secretary read a letter from Miss Wilson, Chief Red Cross Nurse, saying that a very interesting portfolio from New Zealand has arrived and will be sent to the school. The program committee provided a contest and the winner was Master Donald Sinclair. The meeting adjourned by the singing of the National Anthem.—E.

CONCERT AT HAMPTON

A very enjoyable concert and basket social was held in Hampton Hall on Friday evening, March 14th. Notwithstanding the inclement weather, a large number of people were in attendance and the building was filled with an attentive audience. Rev. J. P. Kaye acted as chairman and during the evening the best of order prevailed. A splendid program consisting of music, both vocal and instrumental, readings, step dancing, dialogues, monologues and sketches was well rendered by local artists ably assisted by splendid talent from the adjoining districts. Needless to say each one acted their parts very creditably indeed, but special mention must be made of the song "The Girl I Left Behind Me," by Mr. Neil Shaw, De Sable, who responded to a very hearty encore by singing "I Got Spoons on My Mary," also by request from a number in the audience he gave a short selection in the Gaelic tongue. Mr. Shaw has just passed his seventy-fifth birthday but at heart is as young and gay as a boy and by his pleasing appearance is always welcome on the stage.

Messrs Douglas MacKinnon and Donald MacFadyen who have always delighted our audiences with their splendid exhibition of step-dancing were right in their elements and with Mr. Patrick Trainor as accompanist on the violin their performance was much enjoyed by all and received a very hearty applause.

At the close of the program a hearty vote of thanks was tendered those who came from South Melville, De Sable, Victoria and Craapud to help the Hampton people make the entertainment the success it was and also the ladies for making the baskets, the committee in charge and all who helped in any way. Mr. John H. Myers, in his usual capable manner acted as auctioneer. The bidding was exceedingly brisk and anyone who wanted a basket had to bid quick or else go away hungry. The snug sum of \$106 was realized which will be used for repairs on the horse shed. Here's hoping that in the not too far distant future we may again have the pleasure of having another concert such as was given on Friday evening March 14th, 1930.—H.

JAMES A. MCAULAY

At Souris Line Road on Feb. 13th, after five days illness of pneumonia James A. McAulay, aged 57 years. With the exception of a year employed on the Transcontinental R. R., survey and a year in New York, the deceased lived on the homestead farm which by his industry he developed and equipped with modern machinery. Ever ready to help, he was a kind and obliging neighbor. As a member of St. Mary's Church, Souris and of the Knights of Columbus, he was assiduous in his duties, often walking five miles to Church when vehicular travelling was not possible. Fortified by the last Sacraments of his Church he has passed to his reward. The funeral held Sunday afternoon was largely attended considering the unfavorable weather. He leaves to mourn four sisters, Mrs. Lena Moore, New York, Mrs. Gibbons, Tampa, Florida, Mrs. John Campbell, Panama, Mrs. John McDonald, Los Angeles, Cal., Mr. and Mrs. Lena McLean arrived home in time to attend the funeral. To these and other relatives we tender our sincere sympathies. May his soul rest in peace.

MALPEQUE

It is with sincere regret that this community learned of the passing of Mr. James Burns on Sunday morning. For over eighteen months loved ones and friends have watched over him with tender care, ever hoping that the progress of his disease might be stayed but this was not to be. Through all his suffering and it was great Mr. Burns retained that cheeriness which was so characteristic of his life. His sickroom was a centre where friends visited and one and all were heartily greeted and he was ever ready to pass a joke with them or to converse kindly in their interest. Mr. Burns was born sixty-three years ago and in early manhood was married to Miss Margaret Crozier of this place and as a result of their union, four daughters and six sons were born as follows: Mrs. John Palmer, of Conway, Mrs. Frank Bagnall, of Hunter River, Miss Stella, of Hartford, Conn., Misses Mary, Louise and Helen at home. Messrs. George and Harold of Hartford, Conn., William of Charlottetown, and Stephen, at home. His wife and children have the sympathy of this community in their sorrow, for it is realized they shall sadly miss him to whom they have ministered with such love and care, not only so, but citizens in general, young and old, share their sorrow and mourn with them in the severing of the tie which bound him to them. The funeral will take place on Wednesday afternoon in Keir Memorial Church

CELEBRATES 101ST BIRTHDAY

TORONTO, Ont., March 18.—(By The Canadian Press)—Thomas Mason, of Bosking, Hallburton Township, celebrated his 101st birthday at his home overlooking scenic Bosking Lake in the highlands of the township, nearly 2,000 feet above sea level. Last year Mr. Mason invited the entire countryside to his 100th anniversary. But this year the day was spent quietly, although many dropped in during the day to offer congratulations.

During his younger days, Thomas Mason was a sailor, and sailed practically every sea. He is still a tall, big-set man, and one can readily imagine him as a fine figure when in his youth. Leaving the sea about 50 years ago, he settled at Bosking Lake and was one of the first pioneers of that country. He built a rough log cabin, erected a small barn, and in time had quite a clearing in the virgin forest. Here he has spent the latter part of his life, and his son, Alfred Mason, lives with him on the old homestead.

Mr. Mason can tell many a story of the old days in the township of Hallburton, of the days when wild animals roamed the woods and when he had to drive 80 miles to Peterboro with oxen for provisions. As the years passed, Mr. Mason developed a great love for flowers, and for years his homestead has been a mecca for those whose delight is in plants. For the past 50 years he has been a constant exhibitor at Minden Fair, 14 miles from his home, and his plants and flowers usually carry off many of the awards. He has always been an old time Methodist and in politics a Reformer.

He declares he has always been very regular in his habits, sleeps and eats well and has always been a heavy user of tobacco. He is a tall man of big frame, and enjoys the use of all his faculties. His wife died some years ago.

Heartiest congratulations are extended to Mr. and Mrs. Burleigh Owen, on the arrival of a baby girl.

The evening at the Young People's Society on Friday was socially a success. The business and devotional periods ended, the program followed: Piano solo, Mrs. James A. Campbell, Reading, Mrs. Lowe, Reading, Lesie Abbott, Solos, Messrs Charles Lowe, Richard Evans and Arthur MacKay, Instrumental music by Ansel Chamption, Bruce Stewart and a dialogue, contests, game and a sing song and the serving of lunch made up a complete program which was enjoyed by all.—M.

Still actively engaged in farming and in making wooden shoes, Johann Hesterkamp, the oldest man in the district, recently celebrated his 103rd birthday at Bocholt, Germany.

celebrated publishers, "Dunbar Close," headquarters of Cromwell's Ironsides after the battle of Dunbar. The Royal Exchange contains the City Chambers, built in 1753. The Council Chamber contains a bronze statue of Prince Charles Edward Stuart. There are also John Knox's House, the Iron Church and a great many other notable places which cannot be enumerated at present.

Perhaps the most notable edifice in this vicinity is St. Giles Cathedral, the first parochial church in Edinburgh, its history dating back to the early part of the twelfth century. The ancient Norman edifice, founded about 1120 has never been entirely demolished. It was burned along with the City in 1385, but a part of the choir and nave, and the base of the spire escaped destruction. Until a few years ago marks of fire were distinctly visible on some of the pillars in the choir of the present stately structure. Among the many beautiful of all vists, the "Thistle Royal Chapel," where may be seen some splendid sculpture and wood carving. It is the scene of the installation of the Knights of the Order of the Thistle.

John Knox was, at the Reformation, appointed minister of the parish, and on Sundays and week days

preached on a spot near the present pulpit. He may be said to have literally died in harness for his last sermon was on November 1572, within a fortnight after which he died in the quaint old mansion on High Street, known as John Knox's House.

After Episcopacy had been re-established in Scotland under Charles I, the Church of St. Giles became the cathedral of the diocese. Charles had indiscreetly ordered the English service book to be used and this led to the stirring incident of Sunday, 23rd July 1639, in which Jenny Geddes was the principal figure. The scene took place in the middle of the Church. Jenny, like most of the worshippers had brought her folding stool, and just as Dean Hannay was about to read the Collect for the day, she emphasized her angry remonstrance by throwing the stool at the astonished cleric's head. Probably she was the first of the suffragettes. Both the Dean and his assailant have had commemorative tablets raised to their memory. Here also may be seen the large tablet to the memory of Robert Louis Stevenson.

THE MARKETS

(Canadian Press)

MONTREAL, Que., Mar. 18.—Produce. Wholesale egg prices remained unchanged here today at from 30 to 37 cents a dozen. Ontario fresh eggs were being offered at 22 cents for extras, 30 cents for firsts and 27-28 cents for seconds, while British Col-

umbria fresh eggs were offering in a limited quantity 32 1/2 to 33 cents for extras delivered. Firmness was noted in the local butter market with dealers suggesting that prices had already reached their lowest levels and were likely to become slightly higher. Wholesale levels were 1/2 cent higher today with quotations ranging from 33 1/2 to 34 cents for finest New Zealand. The cheese market continued dull, while the potato section was slightly firmer with prices unchanged at yesterday's levels for the third time within a week. Wholesale sugar prices were reduced here today, the ten cent reduction making a total reduction of 25 cents per 100 pounds. Since March thirteenth imports of refined sugar from Cuba are said to be responsible for the declines, as prices are now lower than they have been for some years past. Quotations now range from \$5.20 for 100 pound gunnies to \$6.00 to \$6.05 for two pound cartons. No. 1 yellow was quoted at \$4.90 to \$4.95 and no. 2 yellow at from \$4.80 to \$4.85 per 100 pounds.

OTTAWA, Ont., Mar. 18.—Eggs. Maritime egg market continues easy and unsettled today, but the situation on the larger markets of central Canada appears to be steadier. Toronto. This egg market is unchanged, but continues to display more steadiness. Receipts are heavy, but are clearing up well. Montreal. Egg receipts here yesterday were 1,815 cases as compared to 3,901 cases on the corresponding date last year. Ontario receipts are running a little lighter this week although still ample for requirements. The market continues steady at unchanged prices. St. John. Egg prices here continue to work lower. Most dealers have sufficient supplies on hand and shipments from country points continue to increase. Dealers are quoting country shippers for ungraded eggs, extras 23-25, firsts 25-26, seconds 22-23, delivered, cases returned. Halifax. There has been no change on this egg market over the week end although the situation continues easy and unsettled.

Needless Pain!

Nowadays, people take Aspirin for many little aches and pains, and as often as they encounter any pain.

Why not? It is a proven antidote for pain. It works!

And Aspirin tablets are absolutely harmless. You have the medical profession's word for that; they do not depress the heart.

So, don't let a cold "run its course." Don't wait for a headache to "wear off." Or regard neuralgia, neuritis, or even rheumatism as something you must endure. Only a physician can cope with the cause of any pain, but you can always turn to an Aspirin tablet for relief.

Aspirin is always available, and it never fails to help. Familiarize yourself with its many uses, and avoid a lot of needless suffering.
