THE SCHR. Alhambra arrived last week with a cargo of Acadia Round Coal for Geo. E. Full. 3723.

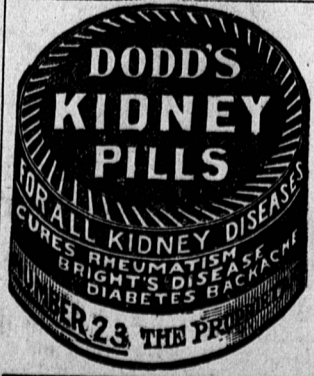

WOMEN'S INSTITUTES.—The annual meeting of the Harrington-Winsloe Women's Institute will be held at the home of Mrs. J. W. Rodd at 2.30 on the 29th, July, when all members are invited to attend. This meeting will be visited by Mrs. Dunbrack and Miss MacDonald of the Department of Agriculture.

PRINCE EDWARD.—The great number of patrons that attended the Prince Edward Theatre last night saw an excellent program projected in an splendid manner. The second instalment of "Lullaby Love" was even more interesting than the first series of this wonderful drama. It showed the heroine in a series of thrilling circumstances and the conclusion of the instalment found her a wretched castaway on a South Sea Island with a thousand and one savages around her. The other pictures were of a high standard of excellence.

NEW PRINCIPAL.—At a meeting of the City School Board last evening, Mr. Lawrence Smith, Vice-Principal of the Queen Square School, was appointed Principal of the school in the stead of Mr. James Landigan, who has just resigned "nat position in order to undertake the duties of Manager of the Primary Schools Supplies Department, to which office he has been appointed by the Government. Mr. Smith, though a young man, has proved himself unquestionably deserving of the promotion which has just been given to him and perfectly fitted for the duties and responsible office he is called upon to undertake. His many friends will doubtless heartily congratulate him, and with those congratulations The Guardian desires to be allied. The vacancy caused by Mr. Smith's appointment was filled at the same meeting, Mr. M. E. Francis, who has been Principal of the Alberton School, being appointed to succeed Mr. Smith.

THE IRWIN PICNIC.—Mr. A. Irwin, King's Printer, gave his employees a splendid outing yesterday. The party, consisting of about twenty in all, were conveyed to Bonshaw in the houseboat, Doris, which was kindly placed at the disposal of Mr. Irwin for the occasion, by the generous owner Mr. J. P. Hood. After the run up the river the party were entertained at The Princess Hotel where Mrs. Beaton, in her usual excellent manner, gave one of the dinners for which this hostelry is famous. This function over, the party went fishing, and a number of typical fish-stories, and a few good fish resulted. At 4 o'clock the Doris with her happy party left on return to the city, calling at Westville, where supper was served by Mrs. Irwin and Mrs. Hood, after which the run home was made, the party arriving in the city about 8 o'clock. A remarkable instance of the foresight of Mr. Irwin in arranging this picnic was the fact that not a drop of rain was encountered by the party although it literally poured for several hours in Charlottetown.

SKIPPED TO THE ISLAND.—A New Glasgow paper reports that an Italian pedlar named Dominic Saltonnie, who was on bail in regard to a charge of assault against a lady in that town, has skipped to this Island, preferring to forfeit the amount of his bail bond—\$24 in cash—than "face the music" in the Police Court. The assault is alleged to have been made under "peculiar" circumstances. Under the pretence of selling some of his wares, Saltonnie entered the home of Mrs. Davenport on Mitchell Avenue. After exhibiting them and asking her to buy "he began to cut up peculiar tricks and opened his performances by endeavoring to kiss the lady of the house and otherwise annoy her." Seeing that she was in the power of an unscrupulous man she began to scream, and that attracted the attention of a gentleman passing by. The next act in the affair was the Dominic being ejected rather forcibly from the house, after which he beat a hasty retreat. The case was tried in Dominic's absence, and Magistrate McFarlane fined the delinquent one the sum of ten dollars and costs, and if Dominic ever returns to New Glasgow, he will be called upon to cash up.

General Meeting

The first General Meeting of the Island Motor Supply Company Limited will be held in the office of the Canada Fox Exchange at Charlottetown on Monday the tenth day of August, A. D. 1914, for the election of directors and general business. Dated this 22nd day of July 1914.

PASTIME MEETING.—A special meeting of the Pastime Club will be held in the L. O. C. Hall tonight at 8 o'clock p. m. All members requested to be present.

THE PEOPLE'S.—The People's Theatre was crowded last night. A varied programme of pictures, all of intense interest, was shown. The opening instalment of a new series, "Our Mutual Girl," was put on the screen. This promises, judging from the character of last night's film, to be an excellent story. "The Master of the Garden" was a supremely human story with a thrilling denouement; while "For Auld Lang Syne" was a serio-comic picture in which a spirited girl and a young man of strong will "fell out" and, after distressing circumstances, were reconciled. The other pictures were all above mediocre in point of plot.

City Taxes.—No discount on city taxes after July 31. 3732-7-28M41.

A Great World Industry is Yet in Its Infancy

FOX FARMING is one of the most lucrative business enterprises in the world today.

"It is fortunate that Prince Edward Island has boldly entered this field of industrial activity, while the enterprise is YET NEW and while the rewards are so great and the prospects so bright as they are at the present time"

The Governor Says---

"Cut out tea and coffee, my boy. They contain an irritant—caffeine—and you can't have a fluttery heart or sour stomach or a grouchy headache and do big business." It's a mighty good plan, if tea or coffee puts you "off color," to quit it, and for a delicious table beverage, use

POSTUM

the pure cereal food-drink. There is no caffeine nor other harmful substance in Postum. In either form—Regular Postum, which must be boiled, (15c and 25c packages) or Instant Postum, made instantly in the cup with hot water (30c and 50c tins)—Postum is good in any business.
