**STYLE AND FINISH**

Without quality can't make permanent business. But quality without style and finish never gets any business. It's so the world over. So we crowd in our boots all that catches the eye—but we never forget to put into them that inherent wearing value which makes them "stand the racket." One of the correct things for Men's wear is a patent leather with extension sole. Price \$15.00.

**J. H. BELL,**
