

PAIN NEARLY DROVE HIM MAD

Suffered Horribly Until He Turned To "Fruit-a-lives"

J. A. CORRIVEAU

DRYSDALE, ONT., June 15th, 1913
"I am a general storekeeper at the above address, and on account of the great good I have experienced from using 'Fruit-a-lives', I recommend them strongly to my customers. They were a great boon to me, I can tell you, for about two years ago, I was laid up in bed with vomiting and a terrific pain at the base of my skull. The pain nearly drove me mad. Doctors feared it would turn to inflammation of the brain but I took 'Fruit-a-lives' steadily until I was cured. I have gained fifteen pounds since taking 'Fruit-a-lives' and I verily believe they saved me from a disastrous illness."

J. A. CORRIVEAU.

For Headaches, Neuralgia, Rheumatism and other diseases arising from an impure condition of the blood, 'Fruit-a-lives' is invaluable and infallible. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

Practical Fashion Hints

By Alice Gibson

The short separate coat with raglan or drop shoulders and cutaway fronts, fashioned of almost any contrasting material, will be as modish this season as the one colored tailored suit. These little coats are fashioned of taffeta, which is so generally favored for all purposes, silk poplin, moire, cloth or ratine.
No. 8270 is a smart little model, showing the raglan shoulder, the regulation coat collar and revers and an applied flounce at the bottom to give the new flare. It is a design that is suitable for any of the foregoing materials and would make a practical model to wear through the entire spring and summer.
Copy of this design in size 36 requires 3 1/2 yards 36 inch material or 8 1/2 yards 42 inch material.
The pattern is cut in six sizes; 32 to 42.

THIS WASHER MUST PAY FOR ITSELF.

A MAN tried to sell me a horse once. He said it was a fine horse and had nothing the matter with it. I wanted a fine horse, but I didn't know anything about horses much. And I didn't know the man very well either.
So I told him I wanted to try the horse for a month. He said "All right," but he said "I'll give you back your money if the horse isn't all right." Well, I didn't like that. I was afraid the horse was all right and that I might have to whistle for my money if I once parted with it. So I didn't buy the horse, although I wanted it badly. Now, this set me thinking.
You see I make Washing Machines—the "1000 Gravity" Washer.
And I said to myself, lots of people may think about my Washing Machine as I thought about the horse, and about the man who owned it. But I'll never know, because they wouldn't write and tell me. You see I sell my Washing Machines by mail. I have sold over half a million of them. I think I am only fair enough to let people try my Washing Machine for a month, before they pay for them. Just as I wanted to try the horse.
Now, I know what our "1000 Gravity" Washer will do. I know it will wash the clothes, without wearing or tearing them, in less than half the time they can be washed by hand or by any other machine.
I know it will wash a tub full of very dirty clothes in six minutes. I know no other machine ever invented can do that, without wearing the clothes. Our "1000 Gravity" Washer does the work so easy that a child can run it almost as well as a strong woman, and it doesn't wear the clothes, fray the edges, nor break buttons, the way all other machines do.
It just drives soapy water clear through the fibres of the clothes like a force pump might.
So, said I to myself, I will do with my "1000 Gravity" Washer what I wanted the man to do with the horse. Only I won't wait for people to ask me. I'll offer free, and I'll make good the offer every time.
Let me send you a "1000 Gravity" Washer on a month's free trial. I'll pay the freight out of my own pocket, and if you don't want the machine after you've used it a month, I'll take it back and pay the freight too. Surely that is fair enough, isn't it?
Doesn't it prove that the "1000 Gravity" Washer must be all that I say it is?
And you can pay me out of what it saves for you. It will save its whole cost in a few months in wear and tear on the clothes alone. And then it will save 50 to 75 cents a week over that a washwoman's wages. If you keep the machine after the month's trial, I'll let you pay for it out of what it saves you. It'll save you 50 cents a week, and me 50 cents a week 'til paid for. I'll take that cheerfully, and I'll wait for my money, until the machine itself earns the balance.
Drop me a line to-day, and let me send you a book about the "1000 Gravity" Washer that comes clothes in six minutes.
Address me personally. V. L. Morris, Manager 1900 Washer Co., 375 Young St., Toronto, Ont.
