RADIO SALES BOOM 50 P.C. JUMP SHOWN

Twelve hundred radio dealers in convention at the Royal York Hotel...

Over 16,600 Radios in One Day!

Those were the orders placed for the new sets using ROGERS Multi-Purpose Metal Spray Tubes

WHEN radio dealers saw the radios equipped with the New Rogers Metal Spray Tubes they were astounded at the performance of these new sets.

And they showed their astonishment and belief in this greatest of all radio tube improvements by placing record-breaking orders of over 16,600 radios in one day

Think of it—about 10% of all radios produced in Canada in one year by all manufacturers were ordered by dealers within the short space of twenty-four hours.

These new tubes are the most revolutionary advance since Rogers perfected the first batteryless radio.

Outstanding characteristics of the Rogers Multi-Purpose Metal Spray Tubes embody: 1. Guaranteed noise-free construction and operation...

There are ordinary glass tubes with metal cans around. Others use metal tubes without the glass. But there is only one Genuine Multi-Purpose Metal Spray Tube...

Do not be misled or deceived by statements or claims regarding glass tubes protected with metal cans or metal tubes without the glass.

Look in the back of the radio. Insist on the Genuine Rogers Metal Spray Tubes.

NEW VERSION OLD JELLY

This morning, we're going to talk about two of those nice old-fashioned jellies that our mother probably used to make...

Rose-Geranium Jelly

Beautifully transparent, delicately rose-tinted, this jelly is one to play a part in some of your table color schemes as well as to provide something a little different from the usual fruit jellies.

Pineapple-Mint Jelly

You can of course make plain mint jelly instead of the combination of mint and pineapple—but

Irregular Trend On Mt'l. Mart

MONTREAL, Sept. 17—The recession in values on the Montreal Stock Exchange which has been expected for some days as a result of the recent steady recovery appeared today but the list was only slightly affected and gains appeared towards the close that served in a large measure to balance the list and give it an irregular appearance.
