

Don't let Kerchoo catch you! This is the open season for colds. Don't face it with a closed mind. Don't let one catch you. Science has developed new techniques and treatments; new ways to immunize and minimize the effects of "plain and fancy" colds and resulting complications. Be advantaged by them! But still the best course of all is that of building up resistance through regular habits, abundant exercise, plenty of sleep and proper diet, including vitamins. Your Physician will gladly follow for your condition. And for expert compounding, bring his prescriptions here.

Diocesan Church Society concludes Annual session

The 8th annual meeting of the Diocesan Church Society took place in St. Paul's Parish Hall last evening. There was a good attendance. The Reverend Archdeacon Harrison first vice-president, presided and opened the meeting with prayer. After the reading of the minutes, the Secretary, Major T.E. MacNutt read the Report of the Executive Committee and moved its adoption. The Report reads as follows: "Since our last Report there have been several additions to the number of Clergy and all our congregations are now being regularly ministered to. In the early summer Mr. Charles Rowe, a student of King's College, ministered with splendid success at Georgetown and Cherry Hill until the arrival of the Rev. J. Douglas Henderson. The Rev. J. McMahon took charge of Millbrook and Rustico during the late summer, and the Rev. G. H. Greenhalgh took charge of Curate at St. Paul's Church, Charlottetown. "We rejoice that with a close cooperation among all of the Clergy there are definitely signs of an increased interest by our people in the work of the Church both at home and in the mission field. "For the first time, perhaps in the history of the Church on the island, the full missionary appointment has been paid. "In June His Grace Archbishop McKenney paid a visit to the island and administered the Apostles Rite of Confirmation in most of the parishes. "We wish to congratulate His Grace the Archbishop on his marriage to Miss Vera Jean Dauphinee, B.A., on 16th September, 1941, and wish them many happy years of married life. "On the 12th August 1941 the death took place of the Rev. Thomas Henry Hunt, D.D. Born at St. Peter's, he spent many years in teaching at St. Peter's School, at Trinity College and King's College. His quiet and unassuming life, notwithstanding his high position, endeared him to all who came in contact with him, and his work will remain for ever in the minds of those who were fortunate enough to have had him not only as a teacher but as a true friend. "During the year the Clergy of the Diocese were in Retreat at Fox Hill. "We urge upon our membership not only the necessity of prayers and service in the cause of the Church but also for our National leaders and those who are serving in the armed forces in the cause of justice and the freedom of the world. "The following officers for the year were then elected: Rev. Canon McKenney and Rev. A. LeDrew Gardner, Vice Presidents; Mr. Maurice Weeks, Secretary and Mr. E. R. MacNutt, Treasurer. The following were elected representatives to the Diocesan Mission Board, Rev. A. LeDrew Gardner, Rev. G. H. Greenhalgh, Mr. Gerald Hooper, Milton, and Mr. George MacNutt, Charlottetown. "Major T. E. MacNutt who had been Secretary of the Society for many years was thanked and made a Vice President of the Society, and Mr. C.H.B. Longworth who had served as Treasurer for many years was made a Life member of the Executive. "A committee was appointed to work with a committee from the Women's Auxiliary to investigate

matters relating to the upbringing of children and religious training in the day schools. Hon. Honour Judge H. L. Palmer then addressed the meeting on certain legal questions connected with the organization of the Diocese for which a new constitution had lately been drawn up. Mrs. Mary J. Eastern Secretary of the Women's Auxiliary endorsed the proposed action of the Diocesan Church Society teaching and training of children. At a meeting recently held in Hamilton, Ont., Mrs. MacNutt stressed the need of religious training in schools and universities. Many who had in the past opposed such training had retreated it, she stated. The speaker asked the parents to collaborate with the church in the religious training in the schools and expressed fears for the future of Christian civilization if children did not get Christian training. She made a plea for more earnest and faithful work for more Sunday Schools and expressed the hope that when the clergy called for such help, the response would be hearty and enthusiastic. Major T. E. MacNutt stressed the necessity of increased interest in the church work of the province and diocese. He felt that the D. C. S. should be the heart and centre of laymen's work throughout the parishes and suggested that when the clergy go on tour they should be accompanied by representatives together to form the nucleus of committees to carry on laymen's work in their own parishes. Archdeacon Harrison in addressing the meeting pointed out to his hearers that the future is ours. Why? Because the future is God's. God is the only one who can help us, and in so far as we align ourselves with Him the future is ours. Apart from Him there is nothing ahead for us but disaster. Therefore it is for each of us to re-dedicate himself in these tragic days to the service of God. The Archdeacon went on to deplore the many human tragedies which are being visited upon the world, and men by which they thought to save themselves by their own efforts and without God's help. It is only by co-operation with God that we can achieve anything of worth. And it is in and through God's body, the church, that we can have His touch with Him. It is through the church that the world will be saved; not through man-made covenants and leagues. Don't be apologetic and let the church take a third, fourth or fifth place in your lives. What avails the triumph of democracy or the victory of our arms, if the basis of a triumphant democracy and a happy country is lost? Let us build our national life upon the solid rock which is Christ, and let us be proud that we are members of his church. The speaker went on to stress the urgency of wanting the Diocesan Church Society more active and useful in the life of the church, and dealt with various suggestions which had been made to that effect in the course of the meetings which had been held. He urged, in closing, that all remember that the future depends upon God, and God depends upon us. Just before the close of the meeting the Rev. S. Davies of Alberton moved a resolution thanking the Church people of the City for the hospitality and kindness extended to those from the outside parishes. This was seconded by Mr. W. E. Phillips and carried. The Archdeacon dismissed the meeting with the Benediction.

MARRIAGES TAYLOR-McKINNON - At Zion Church on Saturday, Feb. 28, 1942, Miss G. C. Webster, Miss Stella May McKinnon of Charlottetown and Mr. William Daniel Taylor of the same place. NOTICE The Odd Fellows and Rebekahs L.O.O.F. intend holding a series of card parties in L.O.F. Hall, Proceeds in aid of their War Service Fund. First party will be held on Thursday evening, March 5th, on each Thursday thereafter from the 10th to the 25th of April. Admission 25 cents. Tickets on sale now can be procured from Committee.

Girl Guide News The Guilders' Club will meet Friday, March 6 at 8:30 p.m., in St. Peter's Hall.

CHURCH OF SCOTLAND-Service Sabbath, March 8th: Summer side 11 a.m. and 7 p.m.; Monday, March 9th, Stanchel, 7:30 p.m.; Sabbath, March 8th, Charlottetown 11 a.m. and 7 p.m. Conducted by Rev. D. MacDonnell. L-769.

ARRIVES IN GREAT BRITAIN Mrs. Fred MacInnis of Charlottetown has received a telegram informing her that her son Harvey MacInnis has arrived safely in Great Britain. He is serving with the Royal Canadian Navy.

NOW IN OTTAWA - Home friends will hear with pleasure that Miss Margaret Rice of this city, who joined the W.A.A.C. and went to Toronto on January 18th has returned to Charlottetown. She transferred to headquarters in Ottawa. She transferred and finds her new work very interesting.

ENGINE TROUBLE - A breakdown in the engine of the Borden train at Carleton Place, Ont., from Borden, last evening delayed the arrival in the city. The train got here about 10:30 with passengers and mail from the mainland. A freight train along the way was sent to receive the one which broke down. The delay delayed the train two hours. It left Borden at 5:45. The train made the crossing in an hour and twenty minutes.

EMERGENCY FLIGHT - Enroute to attend a funeral in Summerside yesterday morning, two people from the United States arrived at Moncton, N.B., on a plane from New York. Connections either by train or plane to this province. If forced to remain there overnight they would be too late for the funeral. How- ever, they succeeded in chartering a Maritime Central Airways plane from Charlottetown to go over after them. Capt. Carl Burke left this city about 9:45 for Moncton and arrived back about midnight with the passengers. In addition to the two who chartered the plane five other passengers returned to the island. Four of the passengers got off at Summerside and three at Charlottetown.

MAY CANCEL ARMY TRAIN- That the proposed visit of the Canadian Army train to this province would be cancelled, was the opinion expressed by a military representative in Charlottetown last night. At the request of the Canadian Legion, the Summerside Board of Trade and citizens recommendations were forwarded to Military District No. 6 to the effect that the train should not visit here in view of the freight congestion at Borden. The 15-car train would require the space of one and a half trips of the ferry each way. It was scheduled to arrive at Borden March 16 and would be in Summerside that afternoon before visiting Charlottetown the following day.

PERSONALS Mr. Aubin Dolron of Rustico-ville has been ill with a heavy cold. Mr. J. F. Profit of Kensington was a business visitor to the city yesterday.

Mr. and Mrs. Carl J. Greenan, Kinkora, were recent visitors to Hope River, where they spent a pleasant visit with friends and relatives. The many friends of Edna MacNaughton of Charlottetown are pleased to hear that she is recovering from a P.E.I. Hospital after undergoing a serious operation.

L.A.C. Fred Colwill, Jr., from Goderich, Ont., has arrived on a few days leave with his parents, Mr. and Mrs. Fred E. Colwill, Fitzroy Street. L.A.C. W. S. Hunter, R.C.A.F., stationed in Charlottetown, is spending his furlough in Brasel- bane, the guest of Mr. and Mrs. James Craig.

Private Ben. H. Dolron of the C.A.T.C. Petawawa, is now spending a few days leave with his sisters in the city of Montreal. Mr. and Mrs. W. A. Cutcliffe of Brighton are leaving this morning for Montreal where Mrs. Cutcliffe will enter the Montreal General Hospital for treatment.

Horrors Of Nazi Rule In Poland

Jerusalem, March 5-(AP)- One hundred thousand Poles have been executed since the German occupation of Poland and another 100,000 now are in concentration camps, according to reports reaching here from what Polish circles call incontestable sources. Because all the older concentration camps were overcrowded, even for concentration camps, the Germans recently built a new one at Radzyn near Warsaw, these reports said. Internet there, it is said, sometimes are compelled to stand outside in the winter for 24 hours as a collective punishment for escapes after which many succumb to pneumonia. "Waves of arrests throughout Poland continue, with frequent mass executions," it is said. In the town of Skarzyski, it is reported, 300 arsenal workers were shot because they were unable to turn over the perpetrator of an act of sabotage.

Annual session of Trinity United Church W. A. concluded Here yesterday

FRIDAY, MARCH 6th 8.15 - Y. P. Union - Social Hall. Forecast Made (Continued from page 1) "Whatever happens we may be sure that the victory will be on our side. This war is one big fight, and our victory can just as well be won in the waters of the Pacific as on the wide plains of Russia. "Every day we hold out brings us nearer to victory. "Meanwhile the enemy, casting his air arm over the southern islands, had opened aerial attacks upon Tjilatjap, the single port on that shore that could be used to disembark Allied reinforcements. "The Indies command told a story of tragically general Allied reverses, as an enemy force thus far irresistible (and a force which London understood, although the Dutch there had no confirmation) had been strengthened by new landings on the west coast of Java in the face of Allied counter attacks. "All over Java," said the afternoon war bulletin, "the battle against Japanese invasion troops is raging."

The Thursday session of the 15th annual meeting of the P. E. I. Diocesan Board of the Women's Auxiliary began with the celebration of Holy Communion at 8:45 a.m. in St. Paul's Church. Ven- erable Archdeacon Harrison was celebrant and there was a large number of communicants. Business was resumed at 10:15, the opening prayer being said by Mrs. G. C. P. McIntyre, Sussex, N. B. The reports of the various officers were very encouraging, special progress having been made in the Junior department under the direction of Mrs. M. W. Weeks. Miss C. Haslam, Educational Secretary stressed the need of more study and for a greater knowledge of the aims and work to which the Society pledges itself.

Forecast Made (Continued from page 1) "The Indies command told a story of tragically general Allied reverses, as an enemy force thus far irresistible (and a force which London understood, although the Dutch there had no confirmation) had been strengthened by new landings on the west coast of Java in the face of Allied counter attacks. Calling All Victory Loan Canvassers Time is short. Victory Loan campaign ends Saturday, March 7th. Be sure and contact everyone in your territory before that date, and mail all subscriptions Saturday so as to be at Victory Loan headquarters, Summerside, Charlottetown, or Montague not later than Monday. No subscriptions can be taken after Saturday.

Attention Farmers Near Charlottetown I have just returned from a Seed and Turnip trip to Boston, New York, Jersey and Long Island and a number of the farmers in this section always like to have me express my opinion on conditions. As far as the State of Maine is concerned, they have plenty of potatoes to ship from now on. They will have to ship an average of 250 cars per day to bring their stock down to 5,000 cars by the first of May, and they feel that that is sufficient to have on hand at that time. I see no reason to look for exorbitant prices but I can see no weakness in the market at the present time. My recommendations are: haul your Potatoes the mild days; your Turnips the cold days. This is not saying as yet; we will have our trucks available to meet you at the edge of town or at the ice. Do not kill your horses. A lot of the farmers are worried about stem end rotting. In the majority of cases, it is not as serious as they think; and, if it does not pass for Seed, we can find a market for it as No. 2 Table Stock at a real good price. Contact with us and take advantage of this mild spell to move your Seed and Table Stock. If there is going to be a real good kick in this Potato market, it might be late in May or early June. That is not advice; it is just my opinion. As ever yours, Frank B. Clarke L-775-1-8-8

Plan for peace, Thousand of Japs' Member says Troops drowned; Planes sent Dutch OTTAWA, March 5-(CP)-Canada should plan for peace "with the meticulous care as to detail and with the energy and foresight with which Hitler prepared for war," Arthur Roebuck (Lib., Toronto-Trinity) said in the House of Commons today. Mr. Roebuck was speaking on second reading of Labor Minister Mitchell's bill providing for post-war re-employment of those who enlist in the armed forces. He said he was "appalled" at the situation when possibly 500,000 men are discharged from the services and 700,000 men and women dismissed from war work and "enlisted in the army of the unemployed."

No. 17 MIRACLE BILL SAYS I have a little theory about feeding chickens that I'm trying to work out. I argue that the faster I can get a chick grown up and laying, the sooner it begins to pay for its feed. So if I can hustle my birds along faster than the increase in cost of feed to do it, I'm money in the pocket. Now, my young chicks weigh eighteen ounces at six weeks... I'm feeding them on "Miracle" Chick Starter. Other years they've weighed only twelve ounces - so I'm half again ahead of previous years. I don't need to tell you that the "Miracle" Chick Starter didn't cost fifty percent more than ordinary mash - even for the six weeks feeding. So, I'm ahead of the game on cost. But... there's another thing. Those birds are not only going to pay their keep quicker, but also longer and better. So I'm likely to be still more ahead in profit. MAKE IT PAY THE MIRACLE WAY The OLLIVE FLOUR MILLS Company, Limited. CARVELL BROS., LTD. Charlottetown Exclusive Distributors for P. E. I.
