CUMMING mine cars, mining tools and accessories have won renown for their excellent design, high quality of material and unsurpassed workmanship in mining fields from coast to coast.

For almost 45 years the Cumming plant has been manufacturing high grade mining equipment and during that time mining requirements have been the subject of unremitting study by Cumming employees trained in the work. Cumming tools and equipment are made to fulfill the demands of the work for which they are required... and good workmanship throughout is assured by the personal supervision of especially trained experts.
