ALL NEWS OF LOCAL INTEREST

Reporters and Correspondents Everywhere.

St. James' Concert to-night will be one of the best of the season.

Good skating at the rink this afternoon from 2.30 to 5.30 p. m.

THE program for St. James' Y. M. C. A. concert tonight promises a treat to all who attend. Many of the most popular singers and readers will be present and a most enjoyable evening is assured.

S. O. E. Lodge Prince Edward.—A special meeting in W. R. Degree will be held Tuesday evening, March 1st, at 8 p. m. for advancement. Per order President. Advancement Team kindly attend.—J. H. Saunders, Rec. Secy.

L. E. PROWSE has retired from the active management of Prowse Bros. & Co., well, general merchants, Sydney, but Prowse Bros. retain one-half interest in the business, which will be continued under the sole management of Fred A. Crowell.

AMHERST now holds the championship of the N. S. (excepting C. B.) A series of games will now be arranged between North Sydney and Amherst for the championship. Why not let New Brunswick and P. E. I. have a dab for the Maritime Championship.—Glouce Bay Gazette.

A NEW-COMER, a P. E. Islander, who opened a resort on Creighton St. last week has been convicted before Justice McDougall of selling American cigarettes upon which customs duty had not been paid. Inland Revenue officer Fraser prosecuted. The fine was \$50.—New Glasgow Chronicle.

THE attention of Guardian readers is directed to the ad of the Consumer's Cordage Co. Ltd. of Halifax which appears in The Guardian today. The name of this firm is universally known throughout the Maritime Provinces for their binder twine which has always given entire satisfaction to its many users in Prince Edward Island. Their leaders are Special Blue Ribbon and the C. C. Co's Standard which are acknowledged leaders. Samples will be sent to all who make application.

B. C. PROWSE and Miss Rendle left last night for a ten days' trip in the interest of Prowse Bros. They will visit all the big millinery openings in St. John, Boston and New York. Miss Rendle, who is one of the most efficient milliners in Charlottetown, will no doubt pick up all the latest kinds in millinery and will secure a few days instruction in each city visited. All goods bought will be sent here at once via express and will arrive about the time Mr. Prowse gets back. Certainly the firm's patrons are very lucky in having such enterprise expended to get the nicest things possible for them. And no doubt will double their millinery business this spring.

TRYON NEWS.—Preparations are in progress for a concert to be held in Tryon Hall in the near future.—It is understood that Macdonald Boutler, for the past year or two with the Cornwall Cheese Company, will take charge of the Crapaud Creamery this season.—One of Tryon's popular young men, Stetford Mullins, narrowly escaped serious accident to his beautiful driving sleigh several nights ago. As he was returning from the Victoria Carnival, the shaft was broken in some unexplained manner and it is fortunate that neither of the occupants of the sleigh were injured, the roads being exceedingly dangerous on account of so much snow and little travelling by the northern route.—Six farms in this vicinity, all adjoining each other, with the exception of one, owned and occupied by a farmer and his sons, and it is anticipated that the sixth will at some future time be occupied by at least a near relative.

READ IT THROUGH.

'Twould Spoil This Story to Tell it in the Headlines.

To use an eighteenth century phrase, this is an "o'er true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melba Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my babe took a dreadful cold and at one time I feared she would have pneumonia, but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by all Druggists.

DAVID AGAINST GOLIATH.

(Continued from page 3).

exports, while still short of what is desired, have grown in the same period from 13 3/4 millions to 25 3/4 millions. Since the war she has spent six millions on her navy, and two millions on education; has established legations and consulates all over the world, has aided great harbor works, assisted colonial development by railways and other works, has founded banks and so forth.

She has unlimited coal and minerals and abundant raw material for the manufacture of articles which should soon send her exports soaring above her imports. What she most needed was a little time to recover from the tremendous outlay she had undertaken. Of her imports, Great Britain supplies nearly eleven million pounds' worth. All these figures are again dwarfed by those of Russia, who has a revenue of 208 1/2 millions, and an expenditure of 208 1/2 millions less. Her exports amount to 93 1/2 millions, and imports to less than 63 1/2 millions.

Considered from every point of view the contest is one of a David against a Goliath with all the forces of might on the side of the big battalions but with victory not necessarily assured to the giant.

RUSSIA BALTIC FLEET WILL SAIL IN JUNE.

St. Petersburg, Feb. 25.—It is said now that the Russian Baltic Squadron comprising eight battleships, two armored cruisers, three protected cruisers, two large transports and thirty torpedo boats will leave for the Far East at the end of June. It is added that it will be commanded by Rear Admiral Rojestvensky.

Are You Troubled by Sleeplessness?

Over-wrought Nerves Cause the Trouble—Build Up, Fortify the Nervous System with Ferrozone—Then You Will Sleep Soundly.

There is probably no remedy that soothes the nerves and drives away those long nights of wakefulness like Ferrozone. Every person whose sleep is restless should take Ferrozone like Mr. J. H. McGaw, who writes from Saskatoon as follows:—

"I was bothered with insomnia last summer to such an extent that my health almost broke down. I was frightfully nervous. It had gone on much longer I could have been a physical wreck. I read about Ferrozone, and concluded it was the sort of remedy I needed. I bought six boxes, and took one tablet with every meal.

A change was at once noticeable. I no longer labored under such unusual excitement, and was able to take things more quietly. Ferrozone improved my digestion, I picked up in spirits and strength, and in a comparatively short time sleep came the minute my head touched the pillow. Ferrozone completely rehabilitated my system, and has made me a different man altogether.

Don't wait until your condition becomes nervous prostration; it's hard to cure. Take Ferrozone regularly and the cause of your sleepless nights will be removed. It always cures insomnia.

Ferozzone is the greatest health-giver, the most valuable tonic that money can buy. It will bring you lasting strength, vigor and health, at small cost. Only Ferrozone can do this so be sure that no dishonest dealer substitutes something represented "just as good." No other remedy is so good as Ferrozone, price 80c. per box or six boxes for \$2.50, at all druggists or N. O. Polson & Co., Kingston, Ont.

Could Not Sleep At Night.

Was All Run Down.

Had No Appetite.

FOOD WOULD NOT DIGEST.

Mrs. I. W. Warner, Riverdale, N.S., is glad there is such a remedy as

Burdock Blood Bitters.

IT CURED HER AND WILL CURE YOU.

She says: "I wish to add my testimony to the many others who have spoken so highly as to the unfailing virtues of Burdock Blood Bitters. I was all run down, had no appetite, lost all ambition, could not sleep much and had terrible headache and backache, and my food did not digest properly. I saw B. B. B. advertised, so concluded to give it a trial, thinking if it did no good it could do no harm. But after using one bottle I began to feel better, and by the time I had used three bottles I was feeling like a new person. I am so glad there is such a remedy provided for suffering humanity, and cannot praise it enough for I think there is no medicine like it on the market."
