

# Constipation, Indigestion and Horrible Backaches

### Searched for a Cure for Years—Advised to Try Dr. Chase's Kidney-Liver Pills and Was Cured.

Where there is poison there is pain. This is a provision of Nature to warn you against conditions that are likely to prove serious.

Constipation is undoubtedly the greatest source of disease and suffering. By using one of Dr. Chase's Kidney-Liver Pills at bed-time as often as is necessary to keep the bowels regular you can cure constipation and the consequent indigestion, and remove the cause of backache, rheumatism and other painful diseases.

Kidney-Liver Pills will help you to form this habit, add to your years and bring comfort in old age. Professor A. T. Smith, 1 Mt. Charles street, Montreal, and formerly of Boston, Mass., writes:—"I suffered for many years from bad digestion, constipation and horrible backaches. I have been treated by many doctors, without any results. One day a friend in Boston advised the use of Dr. Chase's Kidney-Liver Pills. After using two boxes I noticed great improvement, and after the fourth box I was completely cured. My digestion is good. I never feel any pain in the back. My head is clear, and I feel like a young man. I think Dr. Chase's Kidney-Liver Pills are one of the best medicines on earth." Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers or Edmanson, Bates & Co., Limited, Toronto.

### A MODERN SOLOMAN STUMPED.

A Georgia magistrate was perplexed by the conflicting claims of two negro women for a baby, each contending that she was the mother of it. The judge remembered Solomon.

and, drawing a bowie knife from his boot, declared that he would give half to each. The women were shocked, but had no doubt of the authority and purpose of the judge to make the proposed compromise. "Don't do that, boss," they both screamed in unison; "you can keep it yourself."

—ABRAMS VILLAGE.—The light fall of snow of last week, was greatly appreciated, as could be seen by the number of people hauling wood. Although the sleighing was heavy, a good few made the best of it and got home a few small loads. At this season of the year a little green wood with seasoned wood makes a comfortable fire.—Small fires are reported favorable in some sections and at others it is not so good.—Mr. Edilbert Porter and Mr. Aabin Gallant returned last Friday evening from Grand River.—Messrs. Charlie M. Arsenault, Joseph G. Arsenault, Jas. A. S. Gallant and Cyrus Gallant, returned from Peter Gallant on Friday evening the 22nd. These gentlemen had gathered there to discuss some subjects of importance. The meeting itself would perhaps not be of interest to the readers, but a special feature of it, which could not be given out without alluding to the meeting was a step dance given by Mr. Cyrus Gallant. Mr. Gallant was known to be active and nimble in his daily occupation behind the counter and elsewhere, but on the floor in keeping time to the tune of the violin he is certainly at home.—M.

—WEDDING BELLS.—On Wednesday, Jan. 13th an interesting event took place at the home of Mr. and Mrs. Roderick MacLean, Mile. Lot 9, when their eldest daughter, Flora Isabel Milligan, eldest son of Mr. and Mrs. Alex. Milligan, Brae, Mr. Milligan arrived home lately from the Canadian West where he has spent the last five years. The ceremony was performed at 3 p. m. by Rev. Robert Murray, O'Leary, in the presence of about thirty guests. The bride wore a blue silk trimmed with rare coral lace and wearing a wreath of orange blossoms looked very attractive as she entered the parlor leaning on the arm of her father. The wedding march was rendered by Master Rankin Howatt Coleman, the bridegroom attended by her sister, Miss Rose while the groom was supported by his brother Herbert. The ceremony and congratulations over the bridal party and a number of their friends went for a drive on Brae Harbor ice. On their return all entered the dining room where the wedding supper was served. Among the friends present was Rev. Robert Murray, O'Leary and Rev. R. J. MacDonald, Brae. In the evening many more guests arrived and a very enjoyable time was spent. Music was everywhere present. Mr. John MacKinnon, Charlottetown, delighted all by appearing in his Scotch uniform with his equally Scotch bagpipes on which he played some of the "good, old times;" while Mr. Neil MacKinnon gave some unrivaled violin music. The merry-making within was interrupted about 9 p. m. by the arrival of a lively band of serenaders who gallantly added their share to the celebration. Mr. and Mrs. Milligan received many presents including silver furniture which testified to the esteem in which they are held by their many friends. All join in wishing them a long and happy wedded life.

### KENTUCKY BLUE GRASS.

The remarkably low price of Kentucky Blue Grass seed this year calls for a special consideration of the characteristics and value of this grass. It is a long lived perennial with creeping rootstocks but is rather slow in getting established. It will live under the most trying conditions, but does best on a moist fertile soil, which is rich in lime. Growth starts early in the spring and plants flower about the same time as Orchard Grass and Early Red Clover. It should be grown in mixtures for use as a long rotation or for permanent pasture and is the basis of lawn mixtures. It is an excellent bottom grass and is much relished by stock. The legal weight of seed is 14 lbs. per bush and the minimum legal germination is 53 per cent. SEED BRANCH, Ottawa.

### CLOVER SEED SITUATION.

The United States reported 38,551,137 lbs. of clover seed valued at \$6,099,136 for the year ended June 30, 1912, and exported only 1,874,682 lbs. This gives an average balance of 36,676,455 lbs. Imports from Germany to the United States, amounting to 7,842,273 lbs. for the calendar year 1912, will have to be obtained elsewhere. 7,116,060 lbs. of clover seed were exported from Canada during the past year, 5,749 lbs. of which went to the United States. This quantity should be largely increased next year, hence the advisability of a large increase in the acreage of the red clover seed crop in Canada.

### DAILY SELECTIONS FOR READERS OF THE GUARDIAN.

Furnished by W. S. Louson. HOSPITALITY. By Walt Mason

I hate to eat at a friend's abode—he makes me carry too big a load. He keeps close tab, and has a fit, if I show a sign that I'd like to quit. "You do not eat as a host could wish—pray, try some more of the devilled fish. Do put some vinegar on your greens, and take some more of the stringless squash and the graham rolls, and the doughnuts crisp, with their large round holes. You are no good with the forks and spoons—do try a dish of our home grown prunes!" I eat and eat at my friend's behest, till the buttons fly from my creaking vest. I stagger home when the meal is over and nightmares come when I sleep and snore; and long thereafter my stomach was, as though I'd swallowed a keg of nails. Be wise, be kind to the cherished guest, and let him quit when he wants to rest! Don't make him eat through the bill of fare, when you see he's full of dumb despair!

### REALISTIC GROUPS AT THE EDEN HOUSE, NEW YORK.

One of the many groups on exhibition at the ever popular Eden Museum in New York, is one in the Historical Chamber entitled "Scenes in a Gold Mine." The tableau shows the men apparently 1000 feet under the ground with their head lights, picks, shovels, carry carts, etc. It gives one an idea of how these men work in the dark, and a new program of magic and light effects will be shown from time to time. The Eden Museum is open every day from 10.30 in the morning till 10.30 at night and the Sunday time is 1 o'clock to 10.30.

The World in Wax is always adding to their collection and is kept right up to the minute. The Kinemacolor natural colored moving pictures, which are shown every hour, show a different series of comic, dramatic and scenic subjects.

In the Concert Hall, Mr. Dunninger, the master magical and illusionist commences the eighteenth week of his successful engagement and will present a new program of magic and mysteries. Mr. Dunninger is proclaimed by press and public to be one of the best magicians now before the public. Groups of the war generals now at battle in Europe are seen in the Entrance Hall, and added figures will be placed in this group from time to time. The Eden Museum is open every day from 10.30 in the morning till 10.30 at night and the Sunday time is 1 o'clock to 10.30.
