Mrs. Lawrence and Excell while on their way to attend the Sunday School Convention at Charlottetown spent Sunday in Summerside. Mr. Lawrence occupied the pulpit at the morning service in the Methodist church addressing the congregation on the importance of Sunday School work, magnifying the Sunday School idea. Rev. G. P. Raymond, Field Secretary, and the pastor, Rev. N. McLaughlin, also took part in the service. In the afternoon a mass meeting of the Presbyterian, Methodist, Baptist and Christian Sabbath Schools was held in the Methodist church where a large congregation of school children and others were addressed by Mr. Lawrence who spoke from the text Psalm 51:7 "Wash me and I shall be whiter than snow". The speaker gave a practical talk, chiefly to the children, on the importance of keeping the heart clean. Mr. Excell, who was suffering from a cold and unable to sing at either the morning or the evening service in the Methodist church or the evening service in the Methodist church as was intended, led the singing at the afternoon meeting. Revs. W. H. Smith, G. P. Raymond, N. McLaughlin, and F. W. Harlow assisted in this service. At the evening service in the Presbyterian Church Mr. Lawrence addressed a large congregation commending as he did at the previous services the undivided attention of his hearers for nearly an hour.

SLEEPLESS NIGHTS OF ECZEMA TORTURE

Would Scratch Till the Blood Would Flow and Suffered Terribly—A Permanent Cure Was Brought About by

Dr. Chase's Ointment.

Few people that have not had eczema can imagine the suffering which this terrible skin disease entails. It is most frequently likened to a flame of fire burning into the skin, so keen is the suffering caused by the stinging, itching sensation. If neglected eczema is likely to become chronic, and is very hard to cure. It is not one case in a hundred, however, that will not yield to Dr. Chase's Ointment, so powerful is the soothing, healing influence of this famous preparation.

Mrs. Link, 12 Waker St. Halifax, N. S. states: "After three years of miserable torture and sleepless nights with terrible eczema, and after trying over a dozen remedies without obtaining anything but slight temporary relief I have been perfectly and entirely cured by using Dr. Chase's Ointment. After the third or fourth application of this grand ointment obtained relief, and a few boxes were sufficient to make a thorough cure.

"It is six months since I was freed of this wretched skin disease, and as there has been no return of the trouble I consider the cure a permanent one. I would strongly urge any one suffering as I did to try this ointment, and shall gladly write to any who wish to refer to me for particulars of my case. I was so bad with eczema that I would scratch the sores in my sleep until the blood would flow."

Dr. Chase's Ointment 25 cents a box, at all dealers, or EDMANSON, BATES & CO., Toronto.

STARTED IN HIS LEGS.

An Oshawa Case Which Puzzled the Local Doctors as Well as Those at the Hospital in Toronto.

OSHAWA, Ont., Oct. 20th.—(Special)—Five years ago Mr. Joseph Brown, of the Oshawa Malleable Iron Works, began to feel a stiffness and soreness in the calves of his legs. This gradually increased till he lost all power in his legs and arms. He could not raise his arms to his head nor stand or walk alone a single step. The local doctors all treated him and gave him up. A Bowmanville doctor then advised him to go to the Hospital in Toronto, which he did in January, 1918.

He remained in the Hospital for over four weeks. Twelve doctors there told him that nothing could be done for him so he was removed to his home in Oshawa.

He writes: "I used altogether twelve boxes of Dodd's Kidney Pills and by the first of May I was able to stand and walk again in the shop and I have never been sick or off work a day since."
