TAILOR MADE HAT.

this sort can easily be run up by the summer seamstress and merely trimmed with a loose collar of lace. The plain straw tailor made hat is useful because it may be worn with gowns of any color simply by adding a chiffon veil of that hue.

The picture shows a tailor made hat of yellow straw trimmed with a twist of brown. JUDIC CHOLLET.

Dreaded Results of Kidney Disease.

Aliments of the Most Painful and Fatal Nature Prevented and Cured by

DR. CHASE'S Kidney-Liver Pills

When you think of the pain and suffering which accompany backache, rheumatism, lumbago, stone in the kidneys and bladder; when you think of the dreadful fatality of Bright's disease, dropsy, diabetes and apoplexy, you may well wonder why people neglect to keep the kidneys in perfect order.

Once the kidneys fail to filter from the blood the impure and poisonous waste matter there is trouble of a painful and dangerous nature. Among the first symptoms are backache, weak, lame back, pains in the legs and sides, deposits in the urine, impaired digestion, loss of flesh, energy and ambition, stiffness and soreness in the joints and feelings of weariness and lassitude.

Prevention is always better than cure, and hence the advisability of using Dr. Chase's Kidney-Liver Pills on the very first indication of such derangement. Whether to prevent or cure, Dr. Chase's Kidney-Liver Pills are the most effective treatment you can obtain, for besides their direct and specific action on the kidneys, they keep the bowels regular and the liver active, and hence purify the system and remove the cause of disease.

This medicine has long since proven its right to first place as a cure for the complicated and serious derangements of the filtering and excretory organs. It has the largest sale and is endorsed by more people than any similar treatment. You can depend on it absolutely to bring prompt relief and lasting cure. In view of these facts it is a waste of time and money and a risk to life itself to trifle with new and untried remedies when Dr. Chase's Kidney-Liver Pills are at hand.

CURED LONG AGO

BUT STILL CURED.

S. Kernohan's Incurable Disease Cured by Dodd's Kidney Pills.

Five Doctors Agreed there was no Hope for Him, but He has Been Strong and Well for Years.

GELEST, Ont., Sep. 11.—(Special).—The wonderful cures by Dodd's Kidney Pills published almost daily, recall the case of Samuel Kernohan, of this place. It is years now since he was cured, but as he is still cured it is well worth recalling the facts, and Mr. Kernohan delights to relate them.

Some time in December, 1883, he says, "I was taken sick and laid up for fourteen months. During my confinement to my house and to my bed, I was attended at various times by five doctors. Three of them decided that my disease was incurable, Floating Kidney, and two of them that it was Spinal Disease. All agreed on one thing—that my case was incurable. "When my money was all gone, as a matter of necessity and as my last hope I tried Dodd's Kidney Pills. I had only taken three boxes when I was able to walk about. I took in all, eighteen boxes, when I was entirely cured and quite able to work. "Dodd's Kidney Pills are the best friend I ever found."

ACCESSORIES OF DRESS.

Fichus and Cape Effects Are Useful in Transforming Gowns.

The accessories of dress mean a good deal in the way of its success. Every year more care is exercised in the designing of them.

The wide collar—almost a cape—of lace or any dainty material is the one prominent feature of the summer season, and it is seen on at least one gown or coat in every smart wardrobe.

The fichu, hand painted, embroidered or made of lace, is a welcome addition to a simple gown or to one which has grown narrow through the shoulders.

Tassels and applications of all descriptions decorate even the washable

DRESS TRIMMINGS.

summer gowns, and no gown is a success without a few of these little adornments.

Irregular chiffon appliques come in all the pale tints and are so designed that they can be cut up and joined together to form collars, cuffs, etc.

A flat stole seen recently was of finest point de venise laid on ivory satin, and it had a border of marabout in the natural brown tint and round the collar many fascinating tails of the same feathers. Another superb stole of Irish point laid on lime green velvet had the round, flat collar finished with a deep frill of Irish lace.

The cut shows a dainty fichu of mousseline de sole trimmed with silk fringe and embroidered. There is also a collar of lousine silk trimmed with bands of lace. JUDIC CHOLLET.

FOR USEFUL WEAR.

Walking Costumes More Elaborate. Black and White Wraps.

There is something very chic about a black and white wrap. Fringes play an important part in the trimming of all such fancy coats.

A mantle recently designed for an elderly woman was three-quarter

WALKING COSTUME.

length in soft moire antique, with a shoulder drapery of plaited silk fringe inserted with embroidered straps of black velvet lined with cream satin.

Walking costumes are increasing in chic, and this is possible because of the greater length of the skirt. The little coats now boast of application, fancy lapels and, in a word, all the ornamentation of a dressy tailor made.

The long tailor made, by the way, exists only in a modified form for semidressy occasions.

The extreme fickleness of the weather this season has been exceedingly trying. The result is that modistes are striving to hit the happy medium in frocks for smart functions. Transparent necks have been softly lined, and a thin gown is provided with something substantial in the fashion of a stole, which can be worn on cool days without spoiling the effect of the toilet.

The walking costume in the illustration is of navy blue canvas trimmed with red and black embroidery. JUDIC CHOLLET.

Her Blood

Turned to Water

And She Became a Prey to Pernicious Anaemia—Cured by the Great Blood-maker

FERROZONE

"About a year ago," writes Mrs. S. G. Stanhope of Rothsay, "my daughter complained of feeling tired. She was very pale and listless, and kept losing strength till too weak to attend school. The doctors prescribed different bottles of medicine but Elaine kept getting worse instead of better. She had Anemia and we were afraid for a while that she might never rally. We read a smaller case, that of Miss D. Scott of Stirling, Ont., being cured by Ferrozone, and this induced us to get it for Elaine. It took three boxes of Ferrozone to make any decided improvement, but when six boxes were used my daughter was beginning to be her old self again. It didn't take much longer to make a complete cure and I am convinced that there is no better blood-maker than Ferrozone. It has made a new girl of Elaine. She has gained ten pounds in weight and looks the picture of perfect health. She is stronger and enjoys the best of spirits. The credit of her recovery is entirely due to Ferrozone."

Every growing girl and young woman can make herself strong and healthy with Ferrozone. It makes blood, nerve and tissue—makes it fast, and makes it stay. Complexion soon becomes rosy, nerves get new strength, tiredness vanishes—perfect health is the reward for using Ferrozone, which is sold by all druggists. Price 60c. per box or six boxes for \$2.50. By mail from The Ferrozone Company, Kingston, Ont. Get a supply of Ferrozone to-day.

A Body Blow to the Air Ship.

The resistance of the air to moving bodies of various shapes has been tested by M. Canovetti by attaching each form to a carriage sliding down a wire 400 yards long, one of whose ends was seventy-five yards higher than the other. From the time made with and without the load the resistance was calculated. It was shown that more power was necessary for driving an aeroplane through the air than for propelling an automobile of equal weight along a road and that the weight of engine necessary must make this form of air ship impracticable.

What Thousands Say

The Great Cry of Those Who Have Been Relieved from the Miseries of Dyspepsia by Dodd's Dyspepsia Tablets.

"I cannot say enough in favor of Dodd's Dyspepsia Tablets. That's what Miss Gusty V. Campbell, of Little Shippegan, Gloucester Co., N. B., says, and it's what thousands of others are saying every day. They can give you their reasons for saying it too. Miss Campbell gives hers as follows: "I suffered from Dyspepsia for two months and was always getting worse till reading of cures by Dodd's Dyspepsia Tablets led me to try them. One box cured me completely and I can honestly recommend Dodd's Dyspepsia Tablets to all who are suffering from Dyspepsia."

It is curable like this that have made Dodd's Dyspepsia Tablets a household word throughout Canada. They promptly relieve the aches and pains of Dyspepsia; they drive away the despondency that is one of the worst features of this too common complaint. But they do more. They cure Dyspepsia once and for all. You can't find a Dyspeptic who has ever used Dodd's Dyspepsia Tablets.

The half may be better than the whole, but give a kid a pe and see when he stops.

Sore Throat

Mr. Chas Johnson, Bear River, N. S., says: "I was troubled with hoarseness and sore throat, and after taking three bottles of Dr. Wood's Norway Pine Syrup I was entirely cured."

A married man says his home is run by the rule of three—baby, wife and mother-in-law.

Worms are dangerous, often bring on convulsions and death. If your child is suffering from them, administer Dr. Lowe's Pleasant Worm Syrup which is safe and always effectual. Price 25c.

"Sometimes in Japan a girl does not see her husband until she is married." "Over here she seldom sees him after he is married."

A Third Thought

ADVERTISING A TRADING ADVANTAGE THE BEST KIND OF ADVERTISING.

The only lastingly helpful advertising that a dealer can do for his goods and his store is to tell of the trading opportunities he offers. If the trading opportunity is a trading advantage like that coming from the sale of Reid's Tryon Tweeds, the telling of this advantage—making it the feature of his advertising, will easily put him above the level of his competitors, who have to handle imported goods with heavy duties added and freights, and which do not give half the satisfaction that the Island Tweeds give and are much higher in price than Reid's. He will surely outsell them in the tweed line. Wearer's of Reid's Home-made Tweeds will endorse this statement, and many other interested inquirers will become attached customers of the store that handles this grade of goods. They will also buy of the other good things offered for sale, for they will reason that the merchant who offers them one good thing, which is the best of its kind, will probably have the business wit to offer other good things too. Mr. Merchant, always encourage Home Manufacture, and bear in mind that we want every pound of wool from your district. We are always willing to pay the highest price in cash or trade.
