CORNWALL SERVICES—The services at Cornwall circuit next Sunday will be as follows: Cornwall 11 and 7, Hampshire 3, Rev. J. Heaney, Wiltshire 11, Kingston 3, Mr. John Edwards.

J. M. Squarebriggs of Boston, Mass., is spending two months on the Island and one week with his brother, Capt. Squarebriggs of Weymouth St., has gone to the west-end for a few weeks with his brother, John Squarebriggs at Micouche.

QUEEN SQUARE GARDENS—Queen Square Gardens are this year as ever a credit to the gardeners, Mr. Bernard McKenna, and to the committee, Mr. James Paton, M. L. A., and Mr. Arthur Newberry under whose instructions the work is being done. Visitors to the city invariably comment on the beauty and tasteful arrangement of the flower beds, the harmonious blending and appropriate contrasts effective in the selection of plants and flowers. The gardens make a veritable beauty spot, a credit to the City and to those concerned in its upkeep.

FARMERS' PICNIC—Another enjoyable and profitable picnic was held yesterday at the Experimental Farm when some 200 farmers with their wives and daughters from Malpeque, Darnley and Graham's Road enjoyed this most enjoyable outing. The programme included sight seeing over the farm and on the lawns and gardens under the guidance of Superintendent Clark whose remarks and explanations regarding the different varieties, methods of cultivation, etc., were as interesting and profitable as the addresses given by Superintendent Clark, and Mr. J. H. Grisdale, Director of the Dominion Experimental Station. Luncheon was served on the grounds in real picnic style and the whole affair was pronounced by visitors and visited a splendid success.

POLICE PAY

Sir:—I notice in this morning's Guardian the reference of "Progress" to the question of raising the Police Salaries.

"Progress" seems to think the reason for our policemen's lack of duty, graft and neglect is their small salary.

I don't think \$10.00 a month would change a man's character.

As an observer of men and scriptures, I find the man unfaithful in and with little the same with much.

What we need to-day is a sense of duty and conviction of wrong.

I am Sir, etc.

"A STRANGE INHERITANCE"

SECOND EPISODE OF THE BIG CIRCUS SERIAL "PEG O' THE RING" AT THE PRINCE EDWARD.

No serial shown in this city has caught the public fancy so much as the big circus serial "PEG O' THE RING." The second episode still continues the interest in a lively fashion. Mrs. Lund, conspires with a Hindoo to kidnap Peg and get her out of the way, this he successfully carries out, but is seen and followed by young Dr. Lund who, after a lively battle with the Hindoo, accomplishes the rescue of Peg. There is a "punch" and "Pop" throughout the entire two reels such as only Famous Ford can get into a picture. The circus scenes are splendid, some of the greatest artists of the sawdust ring taking part. We would advise any who missed the first episode, to catch right in with the story of the first episode, shown in the first part of this episode. Two other multiple reels "THE UNCONVENTIONAL GIRL" an appealing society drama, and "THE LEAP" a thrilling railroad drama are also shown. The old favorite Billie Ritchie appears in a whitening comedy, concluding a splendid evening's entertainment. The same programme will be repeated at all three shows to-day, afternoon and night.

HEART FLUTTERING EASILY CORRECTED

GOOD ADVICE TO FOLKS BOTHERED WITH PALPITATION, WEAKNESS, ETC.

If your heart flutters, be careful. An attack is liable to come on at any time. Excitement, over-exertion or emotion may cause it.

If blood rushes to the head, if palpitation and short breath are noticeable, there's a cause for alarm.

If you want a good honest remedy, Ferronone. We recommend it because we know it's just right for heart trouble. It cured A. F. Beattie, who lives at Allen Hotel, Bay City, Mich. See if your symptoms resemble these:

Some symptoms of heart trouble:

- Weakness, Palpitation, Trembling, Dizziness, Sinking Feeling, Heart Pain, Short Breath, Weakness.

Mr. Beattie says:

"I was weak and miserable. I was subject to heart palpitation and dizziness. As I grew older I began to have trembling and sinking sensations. Ferronone strengthened my heart, gave vigor to my nerves, soon made me well. It's a great builder."

By strengthening the muscles of the heart, giving proper circulation and causing a general rebuilding of the whole system, Ferronone is bound to do grand work in heart trouble. Try it, 50c per box, or six for \$2.50, at all dealers, or direct by mail from The Catarthozone Co., Kingston, Ont.

HAPPENINGS OF THE WEEK

The engagement of Miss Mabel Elizabeth Longworth, B. A., second daughter of Mrs. John A. Longworth, of Charlottetown, to Mr. Eric Elsdale Traversy, M. Sc., second son of Mr. and Mrs. V. E. Traversy, of Montreal, was the pleasant news announced this week.

Miss Ethel Longworth, Miss Dorothy Longworth and Miss D. Palmer have returned from a delightful outing to the Magdalen Islands.

Congratulations were showering in this week on Dr. J. T. and Mrs. Jenkins whose diamond anniversary took place on Monday when they were at Home to their friends at Newscag the home of their daughter Mrs. J. S. Morris. Many visitors called during the afternoon and evening to wish the venerable couple many happy returns of the day.

Barn dances have been quite largely indulged in this summer by many of the younger folks but for genuine fun and pleasure that given by ex-Mayor Sterns and Mrs. Sterns on Thursday evening at Victoria Farm eclipsed them all. The barn was handsomely decorated with flags, bunting, etc., and upwards of one hundred guests were invited to participate. There were many out of town guests among the happy throng from the City and young and old thoroughly enjoyed the dance, the dainty refreshments and the genial hospitality of the host and hostess. Even the night was ideal and the drive to and fro by auto or carriage left nothing to be desired, while the visitors who cannot around from York Point fully appreciated the beautiful moonlight of early morning hours.

Keppoch has quite a number of outside visitors at present who are delighted with the bathing, boating, etc. Among those arriving this week were Mr. and Mrs. George H. Smith of Halifax who are the guests of Mrs. Charles Robertson at her cozy cottage.

Mr. and Mrs. F. Nash are in Halifax this week the guests of Dr. and Mrs. McKay, Pleasant Street.

Miss Gladys Trivett, daughter of the Rev. S. Trivett, formerly of Milton, has volunteered for "Missionary" work in China. Miss Trivett is at present visiting Mrs. Toomey, Coburg Road, Halifax.

Among the hostesses this week was Miss Amy Palmer who entertained very delightfully at an Afternoon Tea on Thursday in honor of several out of town visitors and others. The drawing room in which Miss Palmer received, assisted by Mrs. Carvell of Montreal, was exquisitely arranged with quantities of sweet peas, white carnations, daisies, Mrs. McCready poured tea, and Mrs. Murphy cut the feast. The attendants were Mrs. J. T. Morris, Miss Mary Davies, Miss Daisy Hobbirk and Miss Mary Brown.

Lieut. Lyman Davison is being welcomed home from Halifax on a short furlough.

Mrs. William Wright of Montreal is the guest of Mrs. George E. Auld, Brighton.

Mr. F. P. Carvell of Montreal is expected in the City tonight, to join Mrs. Carvell who is visiting here.

Mrs. J. W. Regan and son, Halifax, are among the welcome visitors this week. They are the guests of Mrs. Beattie, Pleasant Street.

Miss Dorothy Weeks, Miss Edith Saunders and Miss Jean Fullerton were the hostesses at the St. James Tennis Courts on Monday afternoon.

Senator and Mrs. Murphy have as their guests in Tignish this week Mrs. Clark of Ottawa.

An afternoon tea was very pleasantly given on Tuesday by Miss Daisy Hobbirk, who was assisted in receiving her large number of guests by Mrs. A. B. Warburton. In the tea room, which was very prettily arranged, tea was served by Mrs. E. T. Hazard the assistants being the Misses Warburton and Miss Louisa.

There were several very well arranged and enjoyable private picnics this week to Bonshaw and Westville where the beautiful scenery and bathing were fully enjoyed. Visitors are more than ever delighted with the natural beauty of Bonshaw and daily hundreds visit this beautiful spot when the tide suits.

Mrs. (Mrs.) Blanchard, entertained informally at Bridge on Thursday evening.

Gunner Gibson Taylor is home from Fort York.

The hostesses at the afternoon are Mrs. W. K. Rogers and Mrs. Nash.

Mr. and Mrs. W. W. Clark left this week to visit in Halifax while Mr. and Mrs. W. A. D. Johnson, Mrs. G. W. Hodgson, Miss DesBriay and Miss Haviland went to St. Andrew's, N. B., on their annual summer outing.

Mrs. L. M. Poole has as her guest at present her daughter Mrs. (Dr.) Reddy of Montreal.

Miss Donkin who has been Mrs. Poole's guest for some weeks, and whose experiences while a nurse at the front, were so interesting, is leaving early in September for overseas to resume her duties.

GERMANS WANT PEACE AT ANY PRICE

(Canadian Press Despatch.)

ROTTERDAM, Aug. 16.—Throughout Germany the authorities have their hands full confiscating and trying to trace the sources of pamphlets advocating peace at any price.

This symptom of revolt among a large section of the people, recently assumed alarming proportions. A few days ago there was a house search in Berlin, resulting in the arrest of an editor and printer associated with the Socialist organization. Strong measures, however, failed to suppress this form of agitation against war, which is so widespread as to baffle the efforts of the military and police. It is proof of the existence of a great under-current of discontent which approached rebellion among the working classes of Germany.

The well informed Cologne correspondent Tyd writes:—

"Complete removal of the censorship may be expected shortly, as the authorities can no longer oppose the increasing stream of protests, and the bitter agitation among the people. The only result of the Government's measure of suppression is the appearance of a succession of seriously produced pamphlets distributed from hand to hand, which are increasing the prevailing unrest, and the general feeling of collapse. Removing the censorship would be a safety valve, for the feeling is now increasing in bitterness among the laboring classes."
