IN MEMORIAM MRS. JOHN CAMERON.

Mrs. John Cameron died at her home in Indian River, August 3rd after suffering the affliction of a painful and fatal illness. She fell sick in May, 1916, with multiple neuritis and in spite of the best medical skill the disease seemed to defy the most scientific treatment and death finally relieved her intense sufferings. Dr. Gillis, the attending physician and other doctors called in consultation, employed the latest and most approved treatment, but all to no avail. She bore her affliction with Christian fortitude and was strengthened in her trying ordeal by her pastor, Rev. Mr. Gillis who continually imported effective consolation and before the last agonies administered the last sacraments of the Holy Catholic Church. Her funeral was held at St. Mary's, Indian River on Sunday, August 5, and the cortege contained 150 waggons, extending from the home to the church. Mrs. Cameron was the daughter of John O'Connor, Clinton and was only 48 years old at her death. She leaves a sorrowing husband and five children to mourn this great loss. Requiescat in peace.

MRS. FRANCIS McDONALD.

A good woman in every sense of the word passed to her reward on August 13th in the 74th year of her age when Catherine Kiggins, relict of the late Francis McDonald, Kelly's Cross breathed her last, surrounded by the members of her family who happened to be at home, viz., her daughter Flora, her son John A., who lives a home and Francis of St. Augustine's Seminary Toronto, who fortunately was home on vacation. The deceased Mrs. McDonald, who has been invalid since she suffered from stroke of paralysis nearly a year ago has left to her family a priceless legacy, a memory of everything noble in womanhood, genuine charity, generosity, patience, modesty and humility which shall serve as the guiding stars of their whole lives an inspiration to imitate and cherish her memory. Her funeral took place to St. Joseph's Church, Kelly's Cross on the morning of the 15th August, the Assumption. Requiem High Mass was sung by Rev. Dr. Monaghan, a nephew the services at the grave were performed by the parish priest, Father Curran, assisted by Father Monaghan and Father Trainor of Taunton, Mass, while the choir was assisted by Rev. M.J. Smith and Rev. Maurice McDonald. The pall bearers were Peter McGuigan, Thos. Woods, Frank Bradley, Peter McQuaid, James Duffy, Chas. Monaghan.

GEORGINA CAMERON

Deepest gloom was cast over the home of Mr. and Mrs. Charles Cameron, Albany, on Saturday morning, August 18, when their eldest daughter Miss Georgina, breathed her last after an illness of several months,

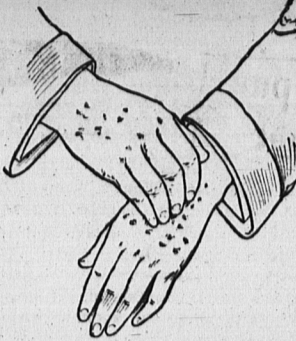

borne with saintly patience and piety. The deceased was within a week of her twentieth birthday and her beautiful character has left an impression which will long be remembered not only in the home but in the whole community. During her illness her father, mother and family were ever with her and their untiring zeal and sacrifice exemplified highly a true kindred love. "Jean" as she was familiarly known held up until the last and only submitted at the call of "Him who Gave Her." She was truly the life of the home and she leaves a place that shall never be filled in the hearts and souls of her parents and family. There are left to mourn besides a heart broken father and mother, one sister, Annie and two brothers, Bannerman and Raymond all at home. The funeral took place on Sunday afternoon and the particularly large attendance evidenced in no small degree the high esteem in which the deceased was held by all. The pall bearers were, Messrs Murdock Dawson, Bruce McKay, Arthur McKay, Frank McKay, Blake Holland and William Trainor. To the bereaved parents and family in their hour of trouble the Guardian extends its most sincere sympathy.

MR. JAMES McINNIS, M.L.A.

The announcement of the sudden death at his home in St. Peter's Bay on Monday afternoon of Mr. James D. McInnis, M. L. A., for the second District of King's County brought regret to all who had the pleasure of knowing him. He had not been extra well of late, but no one had the least idea that his earthly life was so soon to come to its close. Deceased was first elected to the Legislature at the General Election in 1904, as the Liberal standard bearer for the Second District. He was again re-elected in 1908 and was a member of the Executive under the Hazzard Administration. In the elections of 1912, when all but two Liberals were defeated, Mr. McInnis almost retained his seat, the majority against him being an exceedingly small one. In the General Elections of 1915, he was again returned by a substantial majority.

ECZEMA

NEARLY all forms of itching skin diseases come under the common heading of eczema. A vesicle, or small water pimple appears. This breaks and exudes a sticky substance which hardens and forms a crust. As this is accompanied by intense itching the suffering is often very keen, and the temptation to scratch the irritated skin is almost irresistible.

By using Dr. Chase's Ointment such relief is afforded that you can avoid scratching and unnecessarily irritating the diseased parts. This ointment thoroughly cleanses the sores, keeps them antiseptic, and sets up the process of healing. In obstinate cases a little patience is necessary, but you can rest assured that no treatment is so certain to effect a complete cure.

Mr. J. E. Jones, 228 University Ave., Kingston, Ont., writes: "I had eczema on my hand for about five years. I tried a great many remedies, but found that while some of them checked it, finally I tried Dr. Chase's Ointment, and in six weeks my hand was completely better. I would not do without a box of Dr. Chase's Ointment in the house if it cost \$2.00 a box."

The old idea that eczema was a disease of the blood has been exploded, because it was impossible to effect a cure by means of internal medicines. The treatment must be applied locally to the diseased parts, and there has yet to be discovered anything to rival Dr. Chase's Ointment as a cure for eczema.

Mr. McInnis was of Scottish descent and a successful farmer of Prince Edward Island and his sudden removal from the midst of life's activities comes as a shock to many to whom through his kindly spirit, he had become warmly attached. To his sorrowing widow, (who was a daughter of Mr. Daniel McCormick of St. George's) and his five sons and two daughters, The Guardian joins with a host of friends, in extending sincere sympathy in the sad loss which they have been called upon to bear.
