

B.B.B. A Great Healer.

If you've never applied Burdock Blood Bitters to a cut or wound, sore or ulcer, just try it and see what soothing, healing, cleansing power it possesses. It takes out itching, stinging and burning, and promotes the growth of healthy flesh. So, too, when taken internally, by its power of eliminating all impurities from the blood and making that vital fluid rich, red and pure, it cuts off the origin and source of the foul matter that goes to make boils, pimples, sores, ulcers, eruptions, cancers, tumors and the like, and at the same time the purified and enriched blood creates healthy tissue where there was formerly, perhaps, a suppurating sore.

Mrs. J. H. Davies, Sydney, Man., writes: "I used Burdock Blood Bitters for a running sore on my ankle, which began to spread until I could hardly walk. I applied some of the B.B.B. to the sore as well as took it internally, and by the time I had finished two bottles the sore had healed up and my ankle got perfectly well."

A Bilious Letter.

Thursday evening we dropped a bill in the Post for a prominent gentleman of this town. The next morning we had the pleasure of receiving the bill. This is what we call promptness. ("Oh if others would do likewise.") We have been "dropping, dropping, softly dropping" a number of bills in the Post Office, and we are waiting, waiting patiently to have the pleasure, and to give the pleasure of receiving them.

Please do not all come together; if you do, what a happy, happy gathering it will be.

We have a number of bills to pay, and a large number of small bills that should be paid us. Kindly pay ours and we will be in a position to do likewise.

Yours very truly,

J. J. GAY & SON.
