Perhaps the most outstanding ice race meet in the history of racing in the Maritimes was the return visit of the Halifax, Dartmouth clubs to Charlottetown this week to meet in competition the Victoria Driving Club's best. Crowds estimated from 1,200 to 1,500, many of them in autos, watched each heat and cheered the victors as they came dashing sometimes only inches apart to the wire. Ice conditions were good, in fact the course was quite fast on Thursday and Friday. Honors were even as far as championships were concerned Lorraine Abbe, owned by James McNeill, Kensington, P. E. I. and driven by Willard Kelly, won the Free For All Pace from Sully Jane Harvester and Walter Brown. Sully won the second heat and Jane Harvester made a most surprising win in the third, but Lorraine Abbe came back strong to win the fourth heat, best time 30¼ seconds. On Thursday the Free For All Trot was won by Judge 2.07, owned by Fred Lahey, Dartmouth, and driven by Angie Allen, with 1-1-dr.; Lusticia (L. Kelly) 2-2-1; Jennie Kalmuck (Semple) 3-4-2; Hal Britton (Kidney) 4-3-3; time, 29 seconds—the fastest time of the meeting—30.31.

✣ ✣ ✣ ✣

Wednesday's classes in addition to the Free For All were Class A Trot, won by Archie Lee, owned by Roland Wood, Southport, with 1-1-3; Billy Kalmuck (Kelly) 2-4-1; two other starters, best time 30¼ for Archie Lee. Class A. Pace: Royal Jim (O'Brien), owned by George Hughes, Brackley, 1-1-2; Wait N'See (O'Meara) 3-2-1; two other starters, best time 30½ by Wait N'See. Class B Pace: Nellie Worthy (Carr & Drake) 2-4-1-1; Previous (Allen) 4-1-2-2; Calumet Mary (L. Kelly) 1-3-3-3; best time 29¾ by Previous. The winner is owned by Cecil Drake, Halifax. Class D. Pace: Sampson Budlong, owned and driven by Harold Stead, Brackley, 3-1-1; Billy McVey (Hooper) 1-2-4; three other starters, best time 31 seconds by Sampson Budlong. Class C. Pace: Jimmie A., owned by Percy Arbing, driven by J. Arbing, 1-1-2; C. Albert Budlong (L. Kelly) 2-4-1; Misty Morn (Campbell) 3-2-4; Sandy F. (Baxter) 5-6-3; best time 31 seconds.

Thursday's races: Free For All Trot summary as above. Class B. Pace: Lynn Mite, owned by C.H. Horton, Murray River, driven by A. Tierney 2-1-1; Miss Cleo Dale (Campbell) 1-2-2; three other starters. Class B. Trot: Mary Stuart, owned by Cecil Drake, Halifax, driven by Buell, 2-1-1; Guy Spencer (O'Meara) 1-3-2; King Grattan (Mills) 6-2-5; three other starters; best time 31 seconds. Class A. Pace: Robert Baldwin, owned and driven by Rollie Wood, Southport, 1-2-1; Reuben Lee (Cudmore) 2-1-3; Marjorie Budlong (Rankin) 3-2-2; two other starters; best time 30 seconds. Class B. The Victoria Driving Club's score in the above two days meet was 8 firsts, 8 seconds; Halifax Driving Club, 2 firsts, 2 seconds; Dartmouth Driving Club, 1 first, 1 second, with honors even in the championships, Victoria Driving Club winning the pace and Dartmouth the trot. Results of yesterday's races will be found elsewhere on this page.

Wilfred Loomer, Aylesford, N.S. informs us that the well known pacing mare Gaiety McGregor 2.07¼ has died. She was foaled at Walnut Hall Farm, Lexington, Kentucky, in March 1925 and was therefore 22 years of age. Her sire was McGregor the Great 2.03 (also the sire of Heatherbell 2.08¼) and her dam the famous brood mare Gaiety Lee by Bingen 2.06¼. She started racing as a three-year-old on the trot and took a record of 2.16. Later she was changed to the pace, won a number of races at that gait and took her record of 2.07¼. Many horsemen will remember when she raced in the Free For All at Charlottetown August 25th, 1932. She was then owned by John E. Kelly, Bangor, Maine, and was driven by "Red" Hanafin. Marjorie M. was the winner with 2-1-1; Darkey Grattan 3-2-2; Volo Rico 4-4-3; Gaiety McGregor 5-3-4, and can we ever forget it—and certainly our friend Charlie Ballard never will—for Neil Frisco 2.04½ won the first heat in 2.07¾, the other two heats being in 2.07¾, 2.11¼. Charlie's description of his feelings when he won the first heat and saw the red banner waving in the second was couched in as forceful and illuminative language as we ever have memory of. The former track record was 2.08¼, made by Eula H. 2.06½ the year previous. She had lowered John R. Braden's 2.08¾ mark, so Marjorie M. and Neil Frisco shared the honors until Toll Gate set up a new record some years later to be followed by the present 2.05½ by Bud Wenger. Interesting to our Island horsemen is the fact that O. U. Volo 2.10½, owned by Harold Stead, Brackley, is out of Gaiety McGregor.

✣ ✣ ✣ ✣

By the way, Gaiety McGregor was owned by Frank Daniels, Lawrencetown, N. S. She was brought to Nova Scotia by L. V. Phinney, Middleton, who purchased her from John E. Kelley the fall of 1932. Mr. Lomer states that Robie Beales has two Abner T. Clegg colts that he is breaking for B.C. Cruikshanks, Halifax. One is a chestnut mare out of Azalea, a pacer that shows a lot of brush, and the other is a black gelding, a real trotter out of Nettie Logan. Although only a short time in Mr. Beales' hands they are making excellent progress and are much admired. W. A. Baker, Middleton, owner of Signal Senator 2.08¼, plans on producing a good pacer for himself from his recent purchase—the brood mare Santa Volo 2.07 by Peter Volo 2.02, dam by San Francisco. This mare is the dam of Mike Volo that Fergie Baxter raced on the ice at Halifax last winter.....Thanks, Wilfred, for your news.

✣ ✣ ✣ ✣

Jimmie Boutilier writes from River du Loup that his stable owners have added to their string a three-year-old pacer Maxie Sandlin by Chief Counsel 1.57½, and that the free-for-aller Cisco 2.02, Flying Heels 2.08 and Jerry March 2.12, are all in excellent condition and will be ready for the word early in June. Jimmie hopes to take in some of the meetings in the Maine-New Brunswick circuit and also be here for Old Home Week August 12-15. He ends with "I was listening to the radio the other evening and heard Bill Brown and it made me homesick for Charlottetown and all the friends I know there."

✣ ✣ ✣ ✣

Heber Sweeney writes from Bridgewater that the weather has been very mild all winter with very little snow and it isn't a bit of trouble to get training for the horses in that vicinity. Enclosed was an announcement of an early closing free for all, purse $1,000, with no deductions, for Labor Day, Sept. 1st, nominations to close March 1st, 1947. Also two stakes, one for Labor Day, Stake No. 1, 2.25 Trot and Pace with $300 added money; Stake No. 2, 2.28 Trot and Pace, purse $300 added money, to be raced Sept. 25th. Both these stakes have a $15 entrance fee, entries to be mailed to H.M. Sweeney, Bridgewater, N.S. Horses to be named on the third payment which must be made on May 1st.

Greenberg Persuaded To Play This Season

NEW YORK, Feb. 21—(AP)—John H. Galbreath, vice president of the Pittsburgh Pirates of the National League, said today that his club had persuaded Hank Greenberg to reconsider his retirement and that the home run king would play with the Pirates in 1947.

Greenberg was sold to the Pittsburgh Club by Detroit last month in a surprise move but on Feb. 9 the slugger said that he was considering retirement and since then had continued in his refusal to appear in a National League uniform.

Galbreath said Pirate officials had convinced Greenberg he owed it to the Pittsburgh fans to play for them this year.

He said he also pointed out that it was up to Greenberg to clear up any rumors that he is against playing in Pittsburgh or in the National League.

PORT OF SPAIN, Trinidad, Feb. 21—(CP)—World boxing champion Joe Louis will fight two exhibition matches here March 6, promoter George Whitehead said today. The exhibition has been approved by the Trinidad Boxing Control Board.

Malt Hafer, 205, will be one of Louis' opponents, Whitehead said, and it is probable the other will be Gentle Daniel, Trinidad heavyweight champion.

Montreal Youth Wins Ski Title

BEAUPRE, Que., Feb. 21—(CP)—Nineteen-year-old Hec Sutherland of Montreal today won the men's downhill title at the Canadian ski championships in a near-record run down the slopes of Mount Ste. Anne.

Sutherland completed the run in two mintues 28.8 seconds, 7-10th seconds behind the record held by Pierre Jalbert of Quebec. Jalbert was second, Harvey Clifford of Ottawa third and Porky Griffin of Montreal was fourth.

Montreal's Wurtele twins dominated the women's downhill event, as expected, with Rhona capturing first place and Rhoda taking second despite two mishaps on the slope.

Leading Santa Anita Jockey Is Suspended

ARCADIA, Calif., Feb. 20 —(AP)—Johnny Longden, leading jockey at the Santa Anita meeting, today was suspended for 10 days for failure to keep his mount straight in the stretch in the $50,000 San Vicente Handicap last Saturday—a ride which led to the disqualification from first place of his horse, Stepfather.

The Board of Stewards said Longden would be permitted to fill his previously contracted stakes engagements, including Saturday's $50,0000 Santa Margarita Handicap.

Longden, who grew up in Alberta, was charged with veering over with Stepfather in the close run down the stretch, interfering with Hubble Bubble, which finished second, half a length behind Louis B. Mayer's Stepfather. The disqualification put Stepfather out of the money and moved Hubble Bubble into the win spot.

P. W. C. Co-Eds Hoop Team Trims Amherst Senior High 37-23

Building up a 19-12 lead in the first half and then outscoring their opponents 18-11 in the last session George Young's Prince of Wales Co-Eds last night defeated Amherst High School squad 37-23 in the first game of a two game exhibition series played at the Prince of Wales Auditorium.

Second game of the series will be played at Amherst, date of which is as yet unknown.

But despite the 14-point advantage the Co-Eds had at the end of the game the packed Auditorium saw a close hard battle all the way through between two smart girls' squads. The winners held only a slim 7-5 advantage at the end of the first quarter but added five points to their margin before the half way mark had been reached.

Amherst took a new lease on life in the third quarter to hold their opponents to a 7-all score in the third quarter but again wilted in the final quarter to allow the Co-Eds to outscore them 11-4 to earn their margin of victory.

Eileen Landrigan, sharp shooting ace of the Co-Eds led the point getters for the night with 15 points made up of 6 field goals and 3 penalty shots with S. Cook of the visitors leading her team's attack with seven points on three baskets and a penalty heave.

The westerners made it two straight for the year by beating the Capital City squad by the score of 8 to 4.

Grunt And Groan Artists Plan Trip To Athabaska

By WILF GRUSON

TORONTO, Feb. 20 — (CP) — The grunt and groan business is going north.

Elaborating, that means that about May 23 and 24 the men who heave and strain their way to Dominion wrestling titles and the hopefuls who would like to wear one of the crowns will be hard at it on the out-of-the-way settlement of Athabaska, Alta.

If Athabaska is happy about being host to the title-seeking matmen in their community of 600 persons at the terminus of the northern Alberta railway the thanks go to B.W. Bellamy. He's the man who engineered the holding of the 1947 championships on the fringe of Alberta's barrenlands.

Bellamy is the enterprising secretary-treasurer of the Alberta branch of the Amateur Athletic Union of Canada and is secretary of the Athabaska Board of Trade.

Folks who know him say he never was one to let opportunity wait for a second knock and, with the wrestlers due to tilt for Dominion titles for the first time since 1938 he got in on the ground floor wth Athabaska's bid for the job of playing host.

These championships will be sort of a dress rehearsal for the Canadian Olympic wrestling trials. The trials will be held in Montreal in conjunction with the 1948 title joust.

HUNTERS' CORNER

Too many sportsmen are wont to believe that once the hunting season closes the ducks, woodcock, partridge, grouse, pheasants, rabbits, etc., are through with their worries until the next opening day and in the interim enjoy a sort of perpetual carefree holiday.

• • •

Such is not the case. An undeclared war rages among Mother Natures' children from dawn till dark and from sunset till sunrise. The sparrow, robin, partridge, pheasant, rabbit, etc., that relaxes vigilance for a moment is liable to forfeit its life. In Natures' war mistakes are not tolerated and seldom is a chance given to make the second.

• • •

Even if all illegal shooting was stopped and the poacher eliminated, which I am sorry to say will never happen so long as human nature is what it is, there would still be the different species of hawks, and owls, the foxes, weasels, skunks house cats, etc., to contend with. In the sister provinces wildcats, wolves, coyotes, cougars (mountain lions), etc., could be added to the list. Disease, severe storms and protracted periods of adverse weather conditions also cause heavy mortality among many species of our bird life.

• • •

Our most valuable furbearer, the muskrat, is almost as susceptible to extreme changes in weather conditions as some of our more delicate species of bird life. When a period of drouth occurs swales and other areas favoured by the muskrat dry up, or become too shallow to withstand severe winter frosts and freeze to the bottom. The animals are thus trapped and being unable to move about and feed eventually die. Even if they were able to make their escape before it was too late it means wandering over a frozen countryside until they die or are picked up by their natural enemies.

• • •

On the other hand heavy flood waters will often drown whole breeding areas out. Roughly five or six years ago a very large percentage of the muskrats that inhabited the marshes on the Hillsboro River above Mount Stewart were wiped out when Warren's Mill dam at the head of the river broke away. It happened in the winter and the resultant flood covered the river ice and adjacent marshes with a foot or more of water. Before it had drained off most of the muskrats that were living in burrows in the marshes were drowned out. Horned owls and mink also kill a large number of this species of furbearer every season. The muskrat that builds a feed bed on an exposed log or stump or on a bare hummock, is very liable to be picked up by a Great Horned Owl. The wise "rat" does its feeding under a sheltered bank, beneath the spreading branches of an old windfall or in a thick clump of willow or alder bushes that grow in a flooded area.

• • •

Mink take a considerable toll, particularly among the younger "rats", every year. Early in June last an angler was casting for trout at Black Pond Sanctuary bridge. The action was slow as the trout were in an off mood and our angling friend was amusing himself watching the playful antics of 4 or 5 young muskrats that were swimming in the water near the bank. Their silver grey bodies were six or eight inches long and they made a pleasing sight as they disported themselves in the calm water.

• • •

A movement on the south side of the bridge caught his eye and then he saw two mink moving along the west bank. They crossed the road without going under the bridge and as soon as they saw the young muskrats they made a bee line for the water. When the little things saw the mink they immediately dove under the water and disappeared with the mink executing the same manoeuvre. Neither the mink or "rats" were seen again but it is easy to figure out what happened. The mink followed them into their underwater burrow and killed some, if not all the little creatures. Those mink were in a hunting mood.

• • •

The muskrat are in a bad way at the present time. They are easily trapped, even the youngest beginner trapper can catch them, and the high prices prevailing for their pelts this past three or four years has subjected them to an intense trapping spree. Last winter (January 1946) large prime

Saints Win Round 18-10 To Advance To N.B.-P.E.I. Finals

Outclassing their opponents in every department of the game, Jackie Kane's St. Dunstan's University hockey squad last night advanced to the finals of the New Brunswick-P. E. I. intercollegiate hockey series when they skated their way to a convincing 11-2 triumph over Mt. Allison University squad in the second game of the two-game, total-goal series.

Stalemated at seven goals apiece, the result of a draw in the first game played at Sackville, the local University team last night bounced into a three-goal lead in the first period, outscored their opponents 4-2 in a torrid second session and then climaxed their victory by shooting four goals to the Mounties' one in the final canto to make their victory complete.

Their victory gave the Saints the round by a total score of 18-10 and qualified them to meet the St. Thomas University team for the right to represent New Brunswick-P. E. I. in the Maritime finals.

There was no doubting the Saints' superiority once they had rapped in their opening goals in the first 10 minutes of the first period. Mounties, big and rugged, could not cope with the fast-breaking attacks of the local squad; true, they had their chances but just couldn't break through for important scores, while the Saints on the other hand were punching in for goals after the visitors' sustained attacks had petered out.

Tony Janiro In Technical Kayo Over Beau Jack

By JOHN D. HAMILTON

NEW YORK, Feb. 21 — (AP)— Tony Janiro registered a technical knockout over Beau Jack, former lightweight boxing champion, in the fourth round of a scheduled 10-rounder at Madison Square Garden tonight when the Beau's injured knee gave out on him.

Janiro weighed 147¾; Jack 141.

Jack, fighting for the first time since he broke his knee cap in an accident, was forced to quit at 1:03 of the fourth round when the weakened leg buckled under him.

It was a terrific battle until that time. Janiro, brilliant young boxer from Youngstown, O., showed a slight edge over the route but Jack, the lively Augusta, Ga., scrapper, was in there all the way.

Just before the fight ended, Jack unleashed a swirling attack on Janiro and as the Ohio fighter covered up Jack apparently banged his bad knee. The Georgian went down and was attempting to get to his feet again when referee Eddie Josephs called time out.

The dead game Beau pleaded to be allowed to continue and Josephs finally let the fight go on. But Jack obviously was finished. A few seconds later, as Janiro attacked, the Beau went down again, this time for keeps.

Dr. Vincent Nardiello, State Athletic Commission physician, examined the former Georgia shoeshine boy in his corner after the bout was stopped and said the left knee cap "is broken again." Jack was carried from the ring on a stretcher as a near-sellout crowd milled around the ringside.

Altogether, 18,062 customers chipped into a gate of $66,063 to sit in on one of the more startling recent upsets, with a 5-9 betting underdog coming home in front.

Jack broke the kneecap originally in his final day of training for a bout with Willie Joyce last November.

South Shore Playoffs

After trailing their opponents by one goal for the greater part of the game the Freetown Royals staged a third period rally to defeat the Middleton Bombers 4-1 at Bedeque on Thursday night. A screened blue line shot from Campbell's stick broke the spell which goalie Richards held over the frantic Royals adn proved to be the big break in a thrilling, close game. The Bombers showed a complete reversal of form from their last appearance and although they have their backs to the wall they are by no means out of the running.
