BABY CHICKS

Now is the time to order your Baby Chicks.
Egg prices are now assured for this year.

Because of reduced supplies both egg and poultry prices should increase as the season advances. Our chicks are hatched from some of the finest breeding stock in this Province. All flocks have been double tested and found free from Pullorum and are eligible for accreditation.

REMEMBER—Our chicks are strong, healthy, and sturdy. They live, grow, lay and pay.

Call, write or phone 2868.

Island Chick Hatchery

Prince Edward Island

IN THE PROBATE COURT

The 16th day of January A. D. 1950

In re estate of Margaret Belle Shaw, late of Charlottetown in Queens County in the said Province, married woman, deceased, testate.

To the Sheriff of the County of Queens County or any Constable or literate person within said County,

GREETING:

WHEREAS upon reading the petition on file of Edith Helen Marshall now of Halifax in the Province of Nova Scotia, formerly Edith Helen MacLean of Charlottetown aforesaid, and Herbert H. Shaw of Charlottetown, aforesaid, retired, the executors of the above named Estate, praying that a citation may be issued for the purpose hereinafter set forth: You are therefore hereby required to cite all persons interested in the said Estate to be and appear before the Judge present at a Probate Court to be held in the Court House in Charlottetown in said County in the said Province, on Friday the 17th day of February next coming, at the hour of eleven o'clock forenoon of the same day to shew cause if any they can why the Accounts of the said Estate should not be passed and the Estate closed as prayed for in said petition and on motion of William E. Bentley, Esquire, Proctor for said Petitioners.

AND IT IS HEREBY ORDERED that a true copy hereof be forthwith published in some newspaper published in Charlottetown aforesaid once in each week for at least four consecutive weeks from the date hereof and that a true copy hereof be forthwith posted in the following public places respectively, namely, in the hall of the Court House in Charlottetown aforesaid, at or near the Royal Bank of Nova Scotia in Charlottetown aforesaid, so that all person interested in the said Estate as aforesaid may have due notice thereof.

WITNESS HIS HONOR HAROLD Leonard Palmer, Judge of the said Probate Court At Charlottetown in Queens County, the day and year first above written.

BY THE COURT.

(L. S.)

(Sgd) E. Margaret Andrew, Registrar.

Latest Figures From Employment Office Released

Though employment prospects in Charlottetown next spring are exceptionally bright, figures released by the National Employment Office here reveal an increase in unemployment at the present time as compared with the same date last year of something over ten percent. 1,223 male applications are on file at the Charlottetown Office. The territory under the jurisdiction of the Charlottetown Office covers all of Kings and Queens Counties.

Many people are not working because of seasonal lay-offs in Charlottetown, Souris, Montague, Morell and in various fishing centres such as Gaspereaux, Murray River and Rustico. Of the total of more than 1,223 out-of-work people, almost half are country residents; the remainder either live in or on the outskirts of Charlottetown.

Most of the unemployed men are drawing Unemployment Insurance benefits, the precise figure being 1,081. This leaves a balance of two hundred men who have been unable to qualify for benefits.

Classified according to age, 134 of the unemployed are under twenty years of age; 769 are between the ages of twenty and forty-four; 241 are between the ages of forty-five and sixty-four, and 77 are over sixty-five.

Classified by occupations there are fifty people seeking clerical work; forty seeking sales work, nine seeking Agricultural work; eighty-five are listed as seamen; one hundred and eighty-four are classed as skilled tradesmen, and there are others whose occupations have to do with trucking, stonecutting, transportation, etc.

By far the largest number come under the heading of labourers — 500. Of the grand total of 1,233, 459 are ex-servicemen.

The figures given above do not of course take into account unemployed females of whom there are 328 registered at the Charlottetown Office. Many of these women normally work at the fish packing plants at such places as Rustico, Souris, Morell, Gaspereaux and Murray Harbour. Of the 328 women, 201 are drawing Unemployment Insurance benefits.

Those men and women who have not qualified for benefits, belong to a class who work only intermittently, and never work long enough to acquire the necessary credits to make themselves eligible. The duration of benefit depends on the length of time an applicant has worked. An applicant must have worked at least 180 days in insurable employment within two years, and if he has only the minimum 180 days, he can draw benefits for six weeks only. All claims are paid on the basis of one days work for every five days in insurable employment. When benefits become exhausted, only another period of work will re-qualify an applicant for additional benefits.

About $11,000 per week is being paid out at the present time.

Grain

WINNIPEG, Feb. 1 — (CP)— Prices were irregular today on the Winnipeg Grain Exchange. All commodities slipped a little, as support was generally thin and business often dull.

Barley enjoyed an early flurry of activity on some local buying, posting notable gains at one stage. Offerings increased in late trade however, and these gains were erased. Oats moved narrowly and was generally listless.

Rye came in for selling attributed to American accounts, and prices dropped fractionally here when support failed to materialize. Flax seldom made the board all day and registered little change.

No export business was reported. Prices of class two wheat remained unchanged at $2.13.

Closing Futures:

Oats: May 78 1-2B; July 75 1-2A; Oct. 72 5-8A.

Barley: May 1.20 1-8; July 1.12 3-4A; Oct. 1.08 3-8A.

Rye: May 1.44B; July 1.43 7-8B; Oct. 1.38 1-8A.

Flax: May 3.66 1-4B; July 3.53N; Oct. 3.30 1-4 Annt.

Cash Prices:

New Feed Machine Is Demonstrated

The first feed machine ever to be used on Prince Edward Island that could automatically fill fifty-pound paper bags with mixed feed is now in operation at Beaton and MacRae's Shur Gain feed mill, Winsloe.

The new machine and the paper bags were imported by the owner of the mill, 30 year old Andrew MacRae early this week from Montreal. Through it's use farmers may now place bags of feed in the back seat of the car as easily as a box of groceries and dirty the seat covering just as little.

The machine stands about four feet high and two feet in width. On it's top is a large container which is filled with the ground feed from two mixers above. Extending from the side of the machine is a one foot time screw about four inches in diameter through which the feed is passed to the bag.

An opening at the top corner of the bag allows the insertion of the time screw. The bag is held in place by a clamp and supported on a settler at the botton. The bag is automatically filled in eight seconds and the machine shuts off itself.

"Many people told us we were crazy in purchasing such a machine as the farmer would be wanting the second hand jute bags for use around the farm," said Mr. MacRae. "That, however, does not seem to be the case," he continued, "as most find the bags are so clean and convenient they can drop in and pick up several on their way home from town."

The use of these bags also prevents the spread of vegetable and animal disease which occasionally occurs with the use of jute bags. The bags also prevent loss of concentrates through siftage and protect the feed from sudden showers.

Mr. MacRae's mill operates, with the exception of the new machine, in the same manner as most other mills. The grain is first passed through the hammer mill and blown up to the second floor to a cyclone which blows the dust through the roof.

From the cyclone the grain is put into the mixers on the second floor and by means of a chute is poured into the container atop the bag filling machine on the first floor.

Mr. MacRae was born in Charlottetown Royalty. He served in the army during the war and afterwards took up dairy farming. In 1947 he became a partner with the late Roland Beaton in the feed service at Winsloe. Upon Mr. Beaton's death he carried the whole business.

Markets at a Glance

(Canadian Press)

Toronto—Stocks higher; inch slowly higher.

Montreal—Stocks firmer; narrow advance.

New York—Stocks irregular; profit-taking cuts into early advance.

TO THE ELECTORS OF CHARLOTTETOWN

I am offering myself as a candidate for the office of Mayor of the City of Charlottetown in the civic election to be held on February 8th, and I take this opportunity to present to you briefly my reasons for soliciting your support.

Since my return from overseas in World War I, I have lived and worked among you as a resident of Charlottetown and I have endeavoured to do what I believed any good citizen should do in the interests of his City. Four years ago you honored me by electing me as a member of the City Council and I have served two years as chairman of the Police Committee and the last two years as chairman of the Finance Committee. Following precedent set, it has been the custom for the Chairman of the Finance Committee to offer himself for continued service to the city. The revenue of the City, as you know, is limited, yet the cost of maintaining essential services increases yearly. However we have been able to carry on during the difficult reconstruction period following World War II without increasing the tax rate and this takes some doing. We would have closed the year 1949 with a small surplus had it not been for the increased amount requested by the School Board for its administration of the City Schools during the year. In 1948 the amount paid to the School Board was $108,900.00 but last year they requested $125,180.90, an increase of $16,280.90.

As citizens, you will be glad to know that we were able, after prolonged negotiations, to secure a yearly tax on the extensive C. N. R property in Charlottetown. These holdings had formerly paid no revenue to the City, and the settlement arrived at was achieved largely through the efforts of Mayor MacDonald, who has every reason to be proud of his record of administration of municipal affairs.

If you do me the honour of electing me I will endeavour to continue the careful administration of municipal affairs, ever keeping in mind that we are a capital city, a progressive city and a city in which we are proud to live

Sincerely yours,

N. W. LOWTHER.

TO THE VOTERS OF WARD FOUR

Having nominated for Councillor in your Ward I solicit your support and assure you that I will at all times work in your best interests.

THOMAS B. ROGERS.

TO THE ELECTORS OF CHARLOTTETOWN

Having nominated for the Office of Mayor of your City, I again solicit your vote.

B. Earl MacDonald

TO THE ELECTORS OF WARD FIVE

Four years ago you elected me to the City Council.

During these four years, I have attempted to serve the citizens of Ward Five to the best of my ability and in keeping with a planned programme of sensible economy.

The record of the present Council is available to all voters, but I would point out the very substantial amount of permanent work that was performed in our Ward Five during the past two years.

I am offering my name for re-election. It will be impossible for me to make a personal canvass and I am using this method of soliciting your support on February 8th.

J. DAVID STEWART.

TO THE ELECTORS OF CHARLOTTETOWN

I have nominated as a Candidate for re-election as a Commissioner of Sewers and Water Supply.

I have served as a Commissioner for the past two years and think that my experience should again be of use to the Board.

If your approval results in my re-election I undertake to do my best in the interests of the Citizens of Charlottetown.

J. L. CURRAN
