CREST OF THE FLOOD IN OKLAHOMA CITY REPORTED TO HAVE PASSED

OKLAHOMA CITY, Okla., May 31.—Oklahoma City is emerging from the most disastrous flood in its history. A fall of 14 inches in the swollen north Canadian river today had passed an absence of heavy rains, indicated that the crest had passed last night, according to weather bureau officials here. Honor Roll St. Dunstan's University

In his remarks at the closing exercises the rector, Rev. Dr. McLellan referred to a former graduate, the late Dr. Jos. Cunningham of Boston, who left a legacy of $25,000 to build a memorial chapel for his Alma Mater.

Thus the good example, set by Sir. Charles Dalton has taken fruit, said the speaker—He has set a glorious example as patron of St. Dunstan's and gave us Dalton Hall, which will stand as a perpetual memorial to the generosity of the noble benefactor. By his gift he provided the accomodation which makes such a large attendance possible. Without Dalton Hall, the graduating class would not have numbered eighteen and there would not have been 230 students last year. His soul will reap the reward of such generosity. He has shown that he possesses a vision, a sympathy and the courage of his convictions.

After referring to the ardous work and splendid co-operation of the staff he said there were two changes. Dr. Hughes, who resigned owing to his health breaking down by devotion to duty and Dr. MacDonald who is now parish priest at St. Georges are succeeded by Father McKenzie and Father Rooney who gives promise of being worthy successors of their predecessors.

The year was a successful one. in the main the students worked earnestly and although some members of the junior class did not give the best that was in them yet the excellent work of the seniors will be an incentive to the others to measure up more fully to the standard next year.

Sir Charles Dalton in a short address paid a tribute to the great work done by St. Dunstan's. In his travels he had met many graduates who were making their mark in the world. They were all the highest class of men. He acknowledged the reference made to him with regard to his donations to St. Dunstan's but he considered he was only doing his duty to help the institution.

The other speakers, His Lordship Bishop O'Leary, Mayor Jenkins and Superintendant of Education R. H. Rogers also referred to the splendid reputation of St. Dunstan's.
