SORE BACK Got Relief In 20 Minutes

"That stab-like pain hit me in the back one day, and I knew I had strained my back," writes S. E. Couture from Colon. "At Espinosa's drug store they urged me to use Nerviline. I am glad I did so, because with Nerviline I rubbed all the soreness out of my back and shoulder joint. I secured wonderful relief for muscular pain in Nerviline. It assists in driving away rheumatic pain, and takes lots of the stiffness out of sore joints. It's fine for strains, sprains and sore joints. For colds, coughs, hoarseness and sore chest due to cold, Nerviline as a 'rub-on' has great analgesic power. Get a 35-cent bottle today."

I look back, and we wonder if it is to be no different from what it was before the abyss. Has all this dreadful sacrifice been in vain? Is there no hope of a brighter day in a world of peace and brotherhood? No, thank God, true as it may have been then, and true as it may be even today, that is not the last word. We think of another man who had a...
