
ROYAL YEAST

Has been Canada's favorite yeast for over a quarter of a century. Bread baked with Royal Yeast will keep fresh and moist longer than that made with any other, so that a full week's supply can easily be made at one baking, and the last loaf will be just as good as the first.

PATRIOTIC SOCIETY.—A meeting of the Patriotic Society was held in the recruiting rooms yesterday afternoon. Rev. Dr. Fullerton, President, presided. The other members present were Lieut. Col. Jenkins, Judge Stewart, Canon Simpson, Rev. Dr. Bennett Mr. Reuben MacDonald, Major Leigh, Mr. J. R. Burnett, Lieut. Col. Peake, Captain Bagnall, Lieuts. Prowse, and Messervy. The chairman reported upon the farewell entertainment given to the 105th Regiment and explained that the entire cost had been defrayed by the merchants and other citizens. A vote of thanks to the subscribers was passed and ordered to be recorded in the minutes.

The following letter was read from Col. Ings of the 105th Battalion:

"Dundas Esplanade, Charlottetown, June 10, 1916. Rev. T. F. Fullerton, D. D. President of the Patriotic Society of P. E. Island, Charlottetown, P. E. I.

Sir: I wish to thank you f r your latest thoughtful act of kindness in providing refreshments for the officers and men of the 105th Battalion (quartered in Charlottetown) on Thursday last. I can assure you that we feel grateful for all that your society has done for the Battalion since its organization began. We all realize, too, that to a very large extent the Battalion owes its very existence to the efforts of your society." Rev. Dr. Bennett, moved, seconded by Major Leigh, that a committee be appointed to wait upon the Government with a view of obtaining a contribution to the regimental fund of the 105th Battalion, and the President, Canon Simpson, and Judge Stewart were appointed. The chairman reported that he had received instructions from Major Ritchie, Chief recruiting officer of the sixth regimental district to recruit for the Princess Pats, 200 being required from the Maritime Provinces. He stated that although intimation had been made only in that day's paper already six men had volunteered. It was the opinion of the meeting that the duties of voluntary recruiting officers should not devolve upon the President, and it was unamiously resolved to petition the Minister of Militia and Defence to re-appoint a recruting officer for the province and thus put it on a footing with all other provinces in the Dominion. It was agreed to recognized in a tangible way the services of Major T. Edgar McNutt as the secretary of the society since its inception. Colonel peake reported that only twelve men were required to complete No. 5 Siege Battery, and that it was expected to leave as soon as recruited. A special effort was authorized to complete the strength.

HENRY WALTHALL IN EPOCH MAKING MASTER-PIECE

The reputation built upon his appealing work in the wonderful Griffith picture "The Birth of a Nation" is as nothing to that which will come home to rest upon the shoulders of Henry B. Walthall as soon as the general public has seen his masterly, soul tearing performance as Oswald in "Ghosts," the five-part Mutual Masterpicture founded on Ibsen's play and declared by a prominent clergyman to be the greatest exhortation ever delivered against vice. The fact that this picture is said to make an epoch in the motion art and to have registered the accomplishment of the impossible is, in part, a tribute to the illuminating power of Mr. Walthall's acting.

"Ghosts" will be shown at the Prince Edward Theatre on Wednesday and Thursday of this week. 323-6-14M11.

A Captain's Praise For Island Soldier

Mrs. R. J. Steele, Newport, has received the following tribute from K. C. Campbell, to whose company her son Lance Corp. Steele was attached, while fighting in France:—

France, May 20th 1916.

Mrs. R. J. Steele,
Newport.

Dear Mrs. Steele: It is with very deep regret that I have to inform you of the death of your son, Hugh. It occurred this morning about eleven o'clock while he was on special duty instructing some new men in the trench on certain work. A burst of a shell was the cause of the sad event and death came suddenly.

As the Steele company commander I came to know him very well; and I want to tell you that your son was held in high esteem by both officers and men. His ability and courage were recognized. He was always willing to carry out an order, without a murmur and whatever he did was done well. We could always count on Corp. Steele.

Your son will be greatly missed. Please accept my sincere sympathy in your sad bereavement.

I am sending, by post (registered) a small parcel of your son's personal effects, which I trust will reach you in good order. Should you wish to know any further particulars I will be glad to write to you. I remain,

Yours very sincerely,
K. C. CAMPBELL, Capt.

CO-OPERATIVE SELLING OF WOOL.

The Co-operative selling of wool was very successful last year and to further the movement grading will this year be carried on at Charlottetown and Summerside. Samples will be sent to the manufacturers in the entire amount called for. In this way all that the wool is worth on the open market will be received, and by co-operating with the manufacturer all will be benefitted.

Wool will be taken in at both places commencing June 12th. On June 15th, 16th and 17th, Mr. Thompson the wool expert, will be in Charlottetown to discuss any question that may arise. Grading will be carried on June 19th, 20th and 21st. The wool will be stored in the Arena rink on Fitzroy Street near the Agricultural Hall. All wool for Charlottetown should be sent to J. Leslie Tennant or W. R. Reek.

Mr. Thompson will be at Summerside on June 12th, 13th, and 14th, to discuss the wool question, but grading there will not commence until June 22nd and will continue during the 23rd and 24th. At Summerside the wool will be taken in at the Agricultural Hall, and should be addressed to W. J. Reid.

The experiment was successful last year, and the co-operation of every farmer is asked for. Do not wash the wool; do not tie it with binder twine; tie each fleece separately; ship in a hard sack or old sheet; be sure that every parcel is labelled properly, that is, on it must appear the name of the shipper and to whom the wool is being shipped. 300-6-13MEtuth4i.
