TYPE VALLEY AND VICINITY—Far from home within a still and quiet ward of a hospital in the city of Portland with only a sister to soothe and softly speak words of comfort in the closing scene of life there passed away to regions celestial the spirit of Tilde Boyle, second daughter of Mr. and Mrs. Ambrose Boyle of Port Hill at the early age of sixteen years—at a time of life when the world presents its strongest attractions to live. The deceased having badly burnt her hand about a year ago, an operation was necessary to restore the use of the fingers when her death resulted by heart failure. Her remains were brought home accompanied by her sister Libbie. It was indeed a sad home coming and Wednesday afternoon, were interred in the Episcopal Cemetery, Port Hill, the Rev. E. Harper officiating. Mr. and Mrs. Boyle and family have the sincere sympathy of the people of Port Hill in their sad bereavement; but is there not a sweetness in the sadness, and the silver lining of the dark cloud gleams through the shadows as they realize she passed away trusting in the merits of a crucified Redeemer.

UNFIT FOR WORK

The Result of Severe Kidney and Bladder Trouble.

After Years of Much Distress Mr. W. F. Kennedy Has Been Restored to a Life of Activity.

There is probably no man in the township of Pelham, Willam County better known than Mr. Wilbur F. Kennedy. He is a prosperous farmer and the owner of a large coopers' and is held in the highest esteem by all who have his acquaintance. Mr. Kennedy is now seventy-two years of age, and is as active and rugged as many a man years younger. For years however, he was a great sufferer from kidney trouble and he cheerfully gives credit for his present good health to the use of Dr. Williams' Pink Pills. Mr. Kennedy says: "Ten years ago, as the result of exposure, I think, to a strike with kidney and bladder trouble in a severe form. The complaint at times caused me most intense suffering and great personal discomfort as I would often have to arise a dozen times in the night. I tried many kinds of treatment and some of the best physicians, but their skilled efforts were unavailing, and as a result I lost in flesh grew very weak, and was troubled also with indigestion. I grew despondent and felt that I was doomed to a life of suffering, if not an early death. At this stage I was prevailed upon to give Dr. Williams' Pink Pills a trial. After using four boxes I could see a distinct improvement in my condition, and I gladly continued the use of the pills until all the symptoms of the trouble had passed away, and I was again strong and healthy. It is no exaggeration to say that at the time I began the use of Dr. Williams' Pink Pills I was so weak that I could not lift twenty-five pounds, while now I can lift more than twice as much as any man of my age. I believe the pills not only released me of the misery I suffered, but have added years to my life. Anemia, rheumatism, kidney trouble, neuralgia, partial paralysis, St. Vitus dance, and the many ailments peculiar to women are speedily cured by Dr. Williams' Pink Pills, simply because these pills make new, rich red blood, and thus reach the very root of the trouble. There are pink colored indications of this great medicine but the buyer can protect himself against these impositions by seeing that the full name 'Dr. Williams' Pink Pills for Pale People' is printed on the wrapper around every box. Sold by all dealers in medicines or direct by mail from Dr. Williams' Medicine Co., Brockville, Ont. at 50 cents a box, or six boxes for \$2.50.
