MOTHERS -- ATTENTION

Next week, the Department of Health will be conducting disease prevention clinics in all City Schools. Spring Park and Parkdale Schools will also be included.

Commencing this year, all babies six months of age and over can be given "Triple" protection against Diphtheria, Whooping Cough and Tetanus. Children over five years will be protected against Diphtheria only.

All pre-school children who have already been protected against Diphtheria and Whooping Cough with the "Combined" inoculations will require a further booster or re-inforcing dose. Children protected against Diphtheria only require a booster dose every three years in order to maintain adequate immunity.

Initial protection costs twenty-five cents (25c) and all booster doses ten cents (.10c).

Let us keep our children protected and thus prevent unnecessary illnesses and perhaps untimely deaths. Mothers—we are expecting your full co-operation. Do not fail to bring your little ones to one of the clinics.

Time and place of each clinic will be advertised in the press.

B. C. KEEPING,
Chief Health Officer.

PAINFUL INJURY—An unfortunate accident occurred at Hunter River, in Mr. Roy Bagnall's saw mill a few days ago, when Mr. John L. Proctor, who is an experienced mill-hand, had an arm doubly fractured while readjusting a belt. He was at once conveyed to the Charlottetown Hospital where an examination revealed the fact that the injured limb could not be set for a considerable time.

IN MEMORIAM

MR. HENRY HUGHES

The sudden death of Mr. Henry Hughes occurred on February 11, 1948 at his home in Charlottetown. Henry (Hop), as he was known to his many friends, was enjoying very good health the past year and his sudden death came as a great shock to his relatives and friends. Mr. Hughes was the son of the late Mr. and Mrs. Henry Hughes of Scotchfort. Mr. Hughes lived for a number of years at his birthplace where he gained a large circle of friends. He then moved to Charlottetown and resided here until the time of his death.

He was of a kind and genial disposition and was known at all times to be charitable and upright to his fellowmen. He was administered the last rites of the Roman Catholic Church of which he was a true and worthy member by Rev. David McTague.

The funeral took place on February 13, to St. Dunstan's Basilica. Interment was in the Roman Catholic cemetery. The pallbearers were Messrs. John F. Leightner, Joseph A. Hughes, Lester O'Donnell, William LeClair, John Callaghan and Alfred Watts.

May his soul rest in peace.

CARD OF THANKS

The relatives of Mr. Henry Hughes wish to thank their many friends who sent Mass cards and messages of sympathy during their recent sorrow.

News & Views

The Newman Club held their regular weekly meeting last night in Holy Name Hall. The students were honoured to have as their guest, Rev. Bernard Quinn O.M.I. Father Quinn was the former organizer of the Catholic Youth Organization.

The Amateur Athletic Association of Prince of Wales College had a very successful year during 47-48. As in previous years a senior hockey, football and basketball team were financed and entered in its respective league. Several activities, new in P.W.C. were begun this year under the auspices of the Athletic Association. The first of these is the organization of a students badminton club (for both girls and boys). A large number of boys and girls have been taking part in the activities of this club, and a tournament got underway in the auditorium on Tuesday evening.

This year a juvenile hockey team, something entirely new in the College was organized and financed by the A.A.A.

As in previous years both boys and girls inter-mural basketball was encouraged. This year it was noticed the girls seem to be losing interest in this activity.

Boxing as yet has not begun but is scheduled to make its beginning in the next week or ten days.

The members of the P.W.C. A.A.A. are as follows:
President, Phillip Rossiter.
Vice-President, Frank Sigsworth.
Secretary, Stephanie MacDonald.
Treasurer and Football Manager, Wallie Higgins.

On Friday the Record Club will present a program of Mendelssohn. Beginning the program will be the Incidental Music to a Midsummer Night's Dream as played by Arthur Rodzinski and the Cleveland Symphony Orchestra. This music originally written as music for the play of Shakespeare, is now performed almost exclusively as a concert piece. The well known Wedding March is part of this suite. As the second selection, Joseph Szigeti will play the Violin Concerto in E minor. This concerto is deservedly one of the most popular with concert goers all over the world. As usual, the concert will be held in room 22 at 4 p.m. Last week's concert will be repeated in the near future, since the basketball game prevented many who would liked to have heard it from doing so.

The City Basketball League semifinals got underway in the Auditorium last night with Navy and P.W.C. playing the first game of a two-game total point series. It is believed P.W.C. will come through with league honors. Crockett and Storey have donated silver trophies that will go to the members of the winning team, so the teams will not be battling for the League title only.

The Film Club held their regular weekly meeting yesterday afternoon and the following films were shown — Eye Witness Vol. I No. 3; Exercise Muskox which showed an expedition into the north country.
