## Canucks Hammer Out 3 to 2 Win

### World Champions Brilliant In Hard Game With Leafs—Morenz Given Major Penalty.

(Canadian Press)

FORUM, Montreal, Que., Nov. 26.—The Montreal Canadiens edged out a 3-2 win over Toronto Maple Leafs in an exciting National Hockey League game here tonight. Apparently undamaged in spirit by their 7-1 defeat at the hands of Boston early in the week, the "Flying Frenchmen" played good hockey to win here tonight, and had a slight edge throughout on the Leafs, who scored both their goals when the world champions were a man short.

Nick Wasnie, Canadiens wingman, scored two of the Canadiens goals and Joliat scored the other. Charlie Conacher and Jackson counted the two Toronto goals.

Howie Morenz drew a major penalty, the first inflicted here this season, when he cut Red Horner over the eye with his stick after Horner tripped him on one of his wild rushes. Tempers ran high throughout the game and both teams handed out stiff body checks generously.

Pete Lepine, who played an outstanding game for the "Flying Frenchmen," fed Wasnie a perfect pass for a goal in the first period. In the second, Charlie Conacher took a pass from Primeau and beat Hainsworth. Joliat stick-handled dizzily through the Toronto defence and flipped a shot into the nets unassisted. Then Jackson skirted the Canadiens defence and poked one past Hainsworth to even it up. Leduc broke from a scramble, drew the Toronto defence to one side and gave Wasnie a pass to count the Canadiens "winning goal." The third period was scoreless. The Canadiens standing off the Leafs' last-minute attempts.

## Maroons And Americans Tie

(Associated Press)

MADISON SQUARE GARDENS, New York, N. Y., Nov. 26—The New York Americans and Montreal Maroons struggled through 70 minutes of spotty hockey to a 1-1 tie tonight as New York came from behind near the end of the third period to gain a draw.

The contest was poor in spots. Weak passing and a tendency to offsides hampered both teams. But after the Maroons scored the first goal late in the second period, they warmed up to their task and displayed frequent flashes of top-notch hockey. Babe Siebert made the Maroon score, taking advantage of a brief lapse in the American defense to slam a goal past Roy Worters. Rabbitt McVeigh tied the score on a pass from Normie Himes. In a four man attack while the Maroons had a man in the penalty box, McVeigh got free and tricked Norm Smith with a clever shot.

## LOOKING 'EM OVER

BY "TEC"

GREAT GAME PREDICTED

**The third and fourth games of the Super Six hockey series will be played in Charlottetown and Halifax tonight, when Abegweits will go to the wars with Moncton Hawks and Dalhousie Rangers step out in battle array against Truro Bearcats.**

**To date, so far as scores are concerned, there isn't a rouble's difference between any of the lineups which have performed this season. However, tonight's local fixture is different. Moncton has yet to make an official appearance, and Abegweits have only worked in an exhibition tilt.**

**Much has been said and written about the Nicklin squad, but their real pre season worth is as yet an unknown quantity. True, they have been working out in splendid fashion under the watchful eyes of Coach Nicklin, but their first real test comes tonight when they cross sticks with Doug Hakeson's hardy band of puckmen.**

**It is expected that the Abbie line-up will be unchanged tonight. The Hawks first string will be composed of Duke McDonald, centre; Monty Muckle, right wing, and Bert Connolly, left wing. The second line is: Norman Cooke, centre; Joe McIntosh, left wing and Red Cook, right wing. Burrage and Bill Gill are on the defence, with Ed Kervin and Copie LeBlanc as extra defencemen. Jimmie Foster, a real good goalie, will look after the curtains.**

**That tonight's attendance will be the biggest yet, is a foregone conclusion. Advices from the Forum last evening tells us that the seats are going fast and by noon today the plan will be pretty well riddled—and that's that—and may the best team win.**

LOOKS AS IF "HURRY" AND "BALDY" ARE MISSED

It is something new for the Hamilton senior O. H. A. team to be at the bottom of the heap, but that's the position they now occupy. They have been defeated by Toronto Marlboros, 3 to 2, and by Niagara Falls 2 to 1, in 90 minutes of play on water-covered ice, the latter being a disputed goal. The Hamilton Spectator, however, says: "Once this Hamilton team gets started its going to be hard to knock over. McGowan, Hughoe, and Farrel have given indications that they will enjoy a big season, Marsh is his usual brilliant self, and both Stewart and Conick strengthen the team. Louch, who was injured when shot heavily to the ice, will have to take things easy for some time yet, but he, too, has shown his old-time form." Most of these players played against the Truro Bearcats in the play-offs last season.

FAST WORK

According to a Moncton exchange —"A fine sheet of ice is expected in the Stadium this evening. However, it is not definitely known whether the Hawks will be working out in their new home until after their game in Halifax Monday night. The official opening of the Stadium will likely take place on Friday night, when Hawks meet Fredericton Capitals in a Super Six series fixture."

TIGERS WILL BE STRONG

Reports from Campbellton indicate that their 1931-32 club will be strong this season. The team on the whole will probably pack more weight than any of the other Maritime outfits. Pete McLean and Fred Thomas, both of whom have been playing senior hockey for Campbellton close on to twenty years, will lead the boys in the Northern League campaign. McLean, now 35, tips the scales at close to 195 pounds.

Young Bill Miller, 185 pound centre ice player, is the star of the outfit. Miller's services have been sought by the Toronto Maple Leafs of the National Hockey League but he is content to remain in Campbellton. He is 23. Revel Duff, defence, and Jakie Trites, left wing, are the lightest members, going about 155. Jack Howard, Johnny Murray, Rollie Robertson, Everett Murray, Rollie Robertson, Everett Magee, Don Young and Don Sharp are other front line certainties. Murray, who weighs 175 alternates on the defence. Robertson, just barely 18 and weighing 175, is still in High School, but is of senior calibre. Magee and Sharp are 19 years old and weigh 185 pounds. Young is only 17 and rated a likely prospect.

For goals, Campbellton has Lionel Campoux. Campoux has been with the seniors four years.

PREMIER RAMSAY MacDONALD BREAKS RULE

Vote-catching politicians are not encouraged to kick-off at football games in England; in fact, it is against the rules of the English F. A. Premier Ramsay MacDonald, however, a few weeks ago, broke the rule, although he was not so much to blame as the officials of the club concerned, who ought to have known better. The "dodge" is frequently worked in this country, but many consider it is not good taste. It is not recorded what penalty the English F. A. inflicted upon the clubs concerned. Perhaps the Premier got off with a censure! No objection is taken to notables kicking off at charity games.

DOING WELL

Bill Michael, since taking over the restaurant at the Forum, reports business "better than good." The above optimistic statement reflects Bill's sunny disposition and popularity. Let's hope his "better than good business" continues.

## Battling Bruins Stop The Hawks

### Bostonians Hand Chicago 1 To Nil Defeat Before 16,000 In Gardens Last Night.

BOSTON, Mass., Nov. 26—Boston's battling Bruins gave the Chicago Black Hawks their first upset in the current National Hockey League campaign by a 1-0 score in a wide open game that nevertheless included much close checking tonight before 16,000 in the Boston Garden.

George Owen supplied the spark for the game's only tally late in the second. He stopped a Chicago drive in the Boston defense zone, carried down the middle and passed to Dit Clapper. As he split the Chicago secondaries, Clapper's speedy angle shot was much too hot for goalie Chuck Gardiner.

### Famous Picture Coming To The Prince Edward

JACKIE COOPER AND WALLACE BEERY IN "THE CHAMP" STARTING MONDAY NOV. 30

Heretofore the front page of Screen Gossip has been devoted exclusively to the biography of stars featured in coming attractions. This time, however, we have two stars whose pictures you will readily recognize, and who require no biography to immediately grasp your interest.

The boy of course you all know is Jackie Cooper the hero of "Skippy", the picture that created a sensation not only in Charlottetown but everywhere else.

Then comes Wallace Beery, the virile he-man star who will be remembered by his marvelous work in "Big House" and "Min and Bill."

These two prominent stars appear for the first time together in a picture that will make all their previous efforts pale into insignificance, the title of which is "The Champ." Although this picture has just been released in New York and has not yet been shown anywhere in Canada, its fame is spreading rapidly, and it has already been awarded the four stars.

It is interesting to note that although little Jackie Cooper is only eight years old, he is already receiving attractive offers everywhere, the latest being a vaudeville engagement at a salary of $7,500 per week.

The Prince Edward management feel they are scoring a big triumph for Charlottetown in getting this master production for its Canadian premiere at the Prince Edward for three days, starting Monday, November 30th.

Needless to say the result will be capacity houses. We, therefore, urge you to come early, not only to obtain seats, but so that you may be in at the start of the picture and enjoy the production to the full.
