## DAILY SELECTIONS FOR GUARDIAN READERS

Furnished by W. S. Louson

Comradeship, is one of the strongest forces of life. The influences of a spirit is a mighty and indeed a fateful thing. Our lives, especially in youth are like a building which is rising, and every one with whom we enter into intimate fellowship, puts something into the walls, either for strength or adornment, or for weakness and deformity. It is therefore of immense importance that we should walk with the pure and wise. An Easter apologue reads: "One day in the bath a friend handed to me a piece of perfumed clay. I asked: 'Art thou musk?' Art thou amber?" It replied: "I am a worthless piece of clay, but having for a season been associated with a rose, its beneficent virtue has penetrated me. But for that I should still be common earth."

#### A LOVING DAUGHTER HAS PASSED AWAY

The bell of St. Joseph's Church Mottell, news seemed to toll more mournfully than on the morning of the 15th, inst., to announce the coming of the mortal remains of Lucy A. Runighan. Although she had been in failing health for some time she endured her suffering with remarkable patience, and her death was a sad shock to a large number of relations and friends and everything that could be done by loving friends and the best of skillful nursing and fortified with the rights of her church, her blameless life yielded its soul to her God. By her courteous and upright manner she won hosts of friends. She leaves to mourn a heart broken mother, father, four brothers James and Nicholas in New York, William and Vincent at home, and two sisters Helena and Melvina, at home. The deceased young lady was a daughter of Michael and Mrs. Runighan of Morell East and her many friends will hear of the sad news with heartfelt sympathy for her family in their sad bereavement.

#### "SALT RHEUM"

Had It On Hands For Two Years, ITCHED SO DID NOT KNOW WHAT TO DO. Tried Three Doctors and Went to Hospital.

All skin diseases are more or less occasioned by a bad state of the blood, and no one can expect to be free from some form or other of skin trouble unless the blood is kept in good shape. All skin diseases can be very easily cured by the wonderful blood cleansing properties of Burdock Blood Bitters.

This is due to the unrivalled purifying action of Burdock Blood Bitters on the blood, coupled with the thorough manner in which it cleanses and expels the impurities from the body.

Mrs. Richard Coutine, White Head, Que., writes: "I have been bothered with salt rheum, on my hands, for two years, and it itched so I did not know what to do. I tried three doctors, and even went to the hospital, but without getting any relief. I was advised to try Burdock Blood Bitters, so I got three bottles, and before I had the second used I found a big change, and now to-day I am cured."

Burdock Blood Bitters has been on the market for about 35 years and is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

On Tuesday night, the ninth of April, the people of Central loyalty and the neighboring vicinity, gathered at the home of Elmer R. Bowman, who intends leaving in the near future for the West where he is going to reside. They presented Mr. Bowman with a suit case, accompanied by the following address, which was read by James Roper:—
