

HE STRUCK IT RIGHT AT LAST

After Suffering Almost Two Years, "Fruit-a-tives" Brought Relief.

MR. WHITMAN, 882 St. Valier St., Montreal.
 "In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years. I was in constant misery from my stomach and my weight dropped down from 225 pounds to 160 pounds. Several of my friends advised me to try 'Fruit-a-tives' and I did so. That was eight months ago. I began to improve almost with the first dose. No other medicine I ever used acted so pleasantly and quickly as 'Fruit-a-tives', and by using it I recovered from the distressing Stomach Trouble, and all pain and Constipation and misery were cured. I completely recovered by the use of 'Fruit-a-tives' and now I weigh 208 pounds. I cannot praise 'Fruit-a-tives' enough."

HOW FAT FOLKS MAY BECOME THIN

Perhaps you are suddenly becoming stout or it may be that you have been putting on weight for years. In either case the cause is the same—lack of oxygen-carrying power of the blood. This trouble occurs in adults of both sexes and all ages; but it may be overcome very easily and without any of the privations that most people imagine necessary to reduce their weight. Simply go to your druggist and get some of our capsules. Take one after each meal and one before going to bed. Weigh yourself so as to know just how fast you are losing weight. Wonderful results have been accomplished by this inexpensive recipe, but be sure to get the genuine oil of orlene in capsule form. It is sold only in original sealed packages. Any large druggist can supply you, or a large size box will be sent on receipt of \$1.00. Address D. J. Little Drug Co., Box 1240 Montreal, Can.

WOMAN REFUSES OPERATION

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine."

"I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Ovals of scarlet geraniums in front of the Post Office still delight the eye, while the more subdued but harmonious blending of white, grey, blue and brown, in the geometrical parterres in front of the Government building is certainly a masterpiece of floral art.

SERIOUS ACCIDENT.—Yesterday morning Mr Malcolm McDonald, of Nine Mile Creek met with a serious accident. He was working in the harvest field with the binder. The horses were somewhat difficult to manage and he was leading them by the heads. He had got them quieted down when he let go and in leaving them on their own they fell and were struck by the sharp point of the binder. He was also struck by the reel, and thrown over the knife. One of his feet got caught, and the guard prevented the ankle bone, whilst the knife severely gashed the flesh. But for his presence of mind in lifting his other foot out of the way he would have been more severely injured. It is feared that the ankle is broken.

BIBLE MEETING.—On the evening of Sept 2nd, Mr. J. D. Seaman addressed at Hazelbrook a large gathering representing the constituency of the Alexander Branch of the Canadian Bible Society. Deacon Layton McCabe presided and introduced the speaker, who in a clear eloquent and forcible manner outlined the wonderful world-wide work of the British and Foreign Bible Society, speaking more particularly of the work which its auxiliary, The Canadian Bible Society is doing in our own Dominion, in aiding the work of all denominations; in placing in the hands of every emigrant who comes to our shores the Bible or a portion of it in his own tongue, and now is giving to each soldier who leaves for the battle-front a Khaki-bound New Testament. In view of this greatly enlarged undertaking and the great importance of the work, we bespeak for the collectors a generous response. The following officers were appointed:—Rev. E. S. Styles, James A. Moore, Vice-Pres. Pope Noy, Treasurer; Sarah H. Jones, Sec'y.

Mr. Robertson has a host of friends up here, who are always delighted to see him.—A city sportsman had a narrow escape from serious injury recently. While enjoying the invigorating air near Mr. Tweedy's shore he was attacked by a particularly malignant type of black duck and only escaped owing to the fact that the duck had a broken bill.

HYMENEAL.—A very pleasant event took place at St. Peter's Church, St. Peter's Bay, on Tuesday last when Miss Mary McIsaac, one of the best and most esteemed young ladies, became the wife of Alexander O'Hanley, of the same place. P. E. ISLAND CAR FERRY.—Capt. Taylor returned Saturday evening from Halifax. While there he had the pleasure of inspecting the Prince Edward Island Car Ferry. He says in shape she is the finest ice-breaker he had ever seen. Her bow to all appearances is just what an ice-breaker should have. She is much more strongly built than any of the ice-boats here and for accommodation she is simply palatial, having everything possible for the comfort and convenience of the public. Her accommodation for officers and crew is also splendid. There is no doubt, Capt. Taylor thinks, but that she will give a good account of herself.

HOME GUARD.—After a good drill last evening with rifle at the Drill Hall, a meeting was held to award the prize for the best score made at the recent shooting matches at Kensington Range. It is only fair to say that the highest score was made by Prof. J. A. Clarke, who made 38. Prof. Clarke and A. R. Wise both made 38 points out of fifty, but owing to the fact that they had previously shot with the 3.03 ammunition they were barred out from the competition. Mr. J. R. Gillis, a young man who never shot an army service rifle, won the medal with 37 points. The three shoots that the Home Guards have had has been excellent practice for them and thanks were tendered G. F. Hutcheson who presented the prize; also a vote of thanks was tendered Mr. R. V. Longworth, Captain Landriani, Lieut. Sterns and W. S. Lounson for the assistance they gave in coaching the men and taking the responsibility in the three different practice shoots. The men are anxious to have another practice before the cold weather sets in, but owing to the scarcity of ammunition they will not be able to have another practice, unless some ammunition is forthcoming. Possibly this may be arranged by the authorities.

PERSONAL MENTION.—Mrs. H. C. Cannon and Miss Pearl Cannon, Charlottetown, were passengers to Victoria on the S. S. C. and Mrs.

They left here a body of 62 men and three officers. Since that time their numbers have been depleted by the fact that some went to the front in drafts and others were transferred to Halifax, so that returning there were just 25 men and one officer, Lieut. J. Parker Hooper who was in command. The men have returned to Charlottetown to take their places in the P. E. I. Heavy Battery for which they volunteered their services when the idea was proposed, every man of them at the time offering their service, so that they are really the first volunteers for the Battery. The men who arrived last night were the following: Lieut. J. P. Hooper, Detachment Sergeant Major D. R. Kennedy; Battery Sergeant Major W. A. Smith, Sergt. McNeill, Sergt. McLeod, Sergt. McDonald, Corp. Milner Stevenson, Bombardier McNevin, Bomb. J. Duffy, Gunners Robt. A. Corn, E. Atkinson, V. Bourke, C. Currie, W. McCabe, W. Munn, W. Walker, J. Welsh, J. Shepherd, C. Binns, B. The Great Suffering of a Calgary Lady Before Relief Was Found.

There is still a very prevalent belief that rheumatism is due to cold or wet weather. This belief is probably due to the fact that when the blood is thin and watery there is an acute sensitiveness to atmospheric conditions and a change of wet weather often means a return of the excruciating pain of rheumatism. However, it is rooted in the blood, and it can only be driven from the system by building up and enriching the blood. Hot baths and outward applications of liniment may give temporary relief, but cannot cure. If the disease is not attracted through the blood, it simply fastens itself upon the joints, and the sufferer ultimately becomes hopelessly crippled. The truth of this is proven by the case of Mrs. Frank Ford, of Calgary, Alta. Mrs. Ford says: "I was an almost helpless cripple from rheumatism. It seemed to have settled in every joint. My arms and hands had to be bandaged. My ankles were so swollen that I had to use crutches. After doctoring for a long time and growing steadily worse, the doctor advised me to go to Banff Springs. I stayed there for eight weeks taking daily baths and returned home poorer in pocket by about \$150 and not one bit improved in health. I then entered a local hospital, but did not derive any benefit. I was in such constant pain that I almost wished to die, and I felt sure I would be a lifelong cripple. I was at this stage that a friend who had been greatly benefited by Dr. Williams' Pink Pills urged me to try them. I began the use of the Pills and after taktivity in a few weeks the swelling in the joints began to go down and the pain was relieved. This greatly encouraged me and I continued the treatment until in the course of three months the cure was complete. I had thrown away the crutches, could walk anywhere and do my own household, and I never felt better in my life than I do at the present time, and all this is due to the use of Dr. Williams' Pink Pills. I have also given the Pills to my daughter who suffered from anaemia and she has gained in flesh and become a strong, healthy girl."

If you are suffering from rheumatism or any weakness of the blood give Dr. Williams' Pink Pills a fair trial and they will speedily restore you to health and strength. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.
