

5 DOCTORS FAILED

CHRONIC ULCERS COVERED HER BODY & CRIPPLED HER.

HOW CURE CAME

How Zam-Buk cures chronic ulcers and sores is seen by the following experience of Mrs. Beers, of L'Original (Ont.) She says:—"Some years ago ulcers and sores broke out on my legs and different parts of my body, and spread to an alarming extent, causing me great agony. I began to try salves, oils and medicines of various kinds, but the sores refused to heal. I then consulted a medical man, who treated me for some time, but the ulceration continued just as bad as ever. Another medical man was consulted, then another and one after another until I had tried five different Doctors. All gave me up in despair. The ulceration and the skin disease were getting worse all the time, so I then went into the Hospital. I was there five months, and came away very little better. I next went to another Hospital, and stayed there three months, again with no success. By this time my legs were covered with sores, my bones seemed all picked out with ulcers, and I could not walk without the use of a cane and a crutch. I was in such a shocking condition that I was longing for death.

"I saw a report of the value of Zam-Buk and I obtained a small supply. This did me so much good that I went to Ottawa and bought a further supply. A few weeks trial of this wonderful balm healed the ulcers, removed the sores, and I am to-day completely cured.

"For many years I was obliged to use a cane and crutch to walk. Now I have thrown both cane and crutch away, and feel as well and vigorous as at the age of 30."

Do You Suffer from Any of These?
