

THE CENTRAL GUARDIAN

---and we are a healthy, happy family now" - J. R. Cowell

TINGLING with abundant energy, appetites hearty, nerves strong and steady and their faces radiant with the glow of perfect health, the entire family of J. R. Cowell, well-known fruit grower, R. F. D. No. 1, Leithland, near Hamilton, Ont., are an eloquent tribute to the powers of Tanlac, the greatest family medicine the world has ever known.

"I have put Tanlac to the test many times right in my own family and it hasn't failed me once," declared Mr. Cowell. "It not only overcame a case of stomach trouble and rheumatism, but it kept every member of my family healthy, happy and strong. We are delighted with it."

And the experience of this family is only typical of thousands of others whose statements, seen on the Tanlac office, hardly need a daily passing that does not bring forth a message of praise for every part of Canada and the United States from families where mother, father, son and daughter have all found health, contentment and the joy of living through Tanlac.

Take for instance the case of Mrs. Agnes Moorecroft, 60 Galt Ave., Toronto, Ont., who says: "Even since Tanlac restored my health and built me up twenty pounds two years ago, it has kept me in the best of health. It keeps us all so well and strong you would hardly find a healthier family."

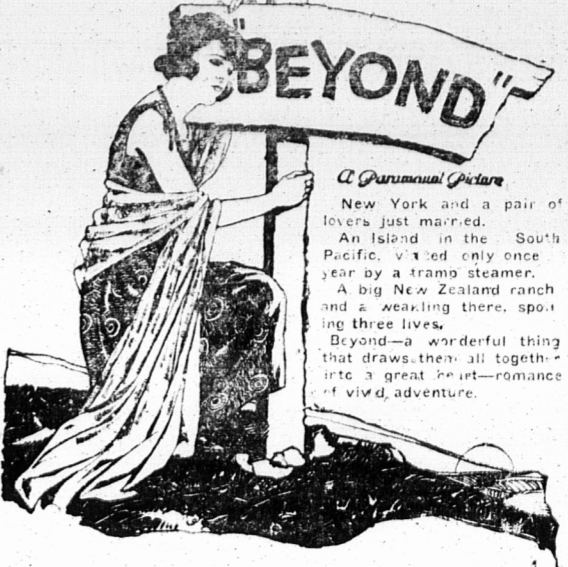

Or that of Wm. H. Gibbons, 711 Alexander Ave., Winnipeg, well-known passenger conductor on the Canadian Pacific, who writes: "We have all tried Tanlac several times, always with remarkable results. It keeps the entire family in the finest health and we think there is no medicine to equal it."

In Montreal, Mrs. Amabelle E. St. Jacques, who writes: "I will never be without Tanlac in our house after the remarkable way it has built up my son, my daughter and myself to where we are the very picture of health."

Representative of Nova Scotia, the case of Richard H. Woods, 121 Cabot Place, Halifax. He says: "And should yours be one of those homes where any member of the family is thin, run down and weakened from loss of appetite, caused by indigestion and stomach trouble, you have at your service the means that will no doubt bring the sunshine of vigorous health back into their lives and yours, just as it has done in so many thousands of other cases. Do not delay. Get a bottle of Tanlac from your druggist today."

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its base is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. IN MEMORIAM MRS. CLEMENT MACDONALD

After a protracted illness, which she bore with true Christian spirit, Mrs. Clement Macdonald, of Glen Springs, passed away on the evening of the 7th instant in the 71st year of her age. Mrs. Macdonald was a daughter of Joseph McVey, Lot 10, West St., Peers, near Hay River, in 1851, by which she raised a large family of boys and girls, six of which are deceased, two boys and four girls, and seven boys and five girls still living. Stephen at home, Wilfrid at Glen Springs, Katie at home, Mary, Laura, in Lynn, Mass., and two married daughters, Georgie (Mrs. McPherson) and another girl in Massachusetts. During her long illness she maintained a cheerful spirit with God. Her pastor, Rev. Father McPherson, attended her attentively and in good time administered to her the last sacraments of her Holy Church of which she was so faithful a member. In life Mrs. Macdonald was kind and far-seeing, her hospitality, seldom was her table set without some outside friend or wayfarer. Charity was her strong point. In short she was a fine type of woman, wife, mother, neighbor, etc. Her funeral took place Thursday morning to St. Margaret's Church and was largely attended. A mass of requiem was offered by Rev. Father R. McDonald, of East Point, the Reverend Pastor being unavoidably absent. Burial in the cemetery was held in the morning churchyard, there to await the final resurrection. May her soul rest in peace.

Ships Kept For Protection

LONDON, March 11.—The questions of capital ships, use of the submarine, what constitutes "protection" craft and other matters, discussed at the Washington conference continue to interest an vital men in the country. Reviewing these questions in an interview with a representative of the Christian Science Monitor recently, Admiral Sir W. Lowther Grant, K. C., Hay River, in 1851, by which she raised a large family of boys and girls, six of which are deceased, two boys and four girls, and seven boys and five girls still living. Stephen at home, Wilfrid at Glen Springs, Katie at home, Mary, Laura, in Lynn, Mass., and two married daughters, Georgie (Mrs. McPherson) and another girl in Massachusetts. UNJUST REFLECTION

WINNIPEG, March 13. Characterizing it as an "unjust reflection on Winnipeg," Alderman W. B. Simpson, chairman of the Unemployed Relief Committee, stated today that no men have been shipped out of Winnipeg for Toronto. A dispatch from Toronto declared fourteen men, claiming to have been given sandwiches and railway fare from Winnipeg, applied for relief in that city.
