THE CENTRAL GUARDIAN

IT PAYS to buy in this province. INSPIRING ADDRESS.—Rev. L. H. Jewett, Murray Harbor, preached an inspiring sermon taking his text from the Book of Isaiah. There was an excellent attendance and the choir rendered some very good music.

LARGE ATTENDANCE.—Rev. A. J. McGill preached an eloquent sermon last Sunday evening in the Presbyterian Church, Murray Harbor. Although the walking and weather were bad there was quite a large attendance.

SINGING SCHOOL.—There was a large attendance at Singing School in Murray Harbor on Saturday evening and the young people spent a very enjoyable time especially at the little recess given when they had a chance to talk to each other. The singing was fine and could not be anything else with such a capable master as Caleb Jordan.—Q.

Cattie, McKenzie; 2, James Sloane; 3, John D. Fay. Grade IV.—1, Anna McKenzie; 2, Mary M. Banchard; 3, Lee Fay. Grade III.—1, Malcolm Fay; 2, Lawrence Bouchard; Grade II.—1, Fred Cheverie; 2, Russell Martin. Gertrude Donahoe, teacher.

ST. DUNSTONS SKATE.—Wednesday evening, February 4th, is the night of the St. Dunstons College Skate, the first to be held in the college rink this season. A large number especially of the fair sex, always look forward with joy to the St. Dunstons skate and no doubt this year, as well as other years, it will be well attended. A special train will leave Charlottetown at 7.15 p. m. for St. Dunstons returning after the skate. There is an excellent sheet of ice in the rink and the boys are doing everything possible for the accommodation and enjoyment of those who attend.

CLOSE OF MEETINGS.—Rev. Mr. MacPherson closed his series of meetings Sunday evening in the Christian Church, Beach Point. These meetings have been carried on for the last month and have met with a great deal of success as there were a large number of converts.—Q.

THE TRAFFIC.—Tuesday morning a large number came in from the rural parts to attend the market in the city, no doubt drawn thither by the beautiful weather and splendid condition of the roads, which is reported generally. It seemed to be the case of all roads lead to one centre, and the market was that centre. The North, East, West, and Hillsboro rivers, too, were an exceedingly busy look. Farmers took advantage of the short cut they gave and came to town with their sleighs loaded with produce, hay, etc.

Wilkinson, Orville Brooks, 4th Jr., Nellie England and Carl Foley, equal; Carrie Gain, Art. McDougall, 3rd Sr., Albert McDougall, Beatrice Ellis, Joy Brooks, John Foley, Gladys Easter, 3rd Jr., Geo. UNNEIGHBORLY NEIGHBORS.—A horse and sleigh, with a heavy load of flour, while crossing the ice off Parascich's recently struck some double ice and went down. The owner, Mr. W. Lamont, managed to get the horse unharnessed from the sleigh and onto good ice where he left him while he went for help. A southwest-gale was blowing and with great difficulty he reached Halliday's shore, where he expected to secure the aid of men who were working there with teams, forking sea-weed. But his appeal to them was in vain. They declared they were too busy and would not drop their work to go to the rescue. He then went for Mr. F. Halliday, who hurriedly drove to the ice and on the way picked up Messrs.

THE MAIL SPECIAL.—The Mail Special for Georgetown did not leave at the scheduled time 8.45 Monday evening but went to Georgetown Tuesday morning at 8 a. m., taking mail, passengers, freight and express. There she connected with the winter steamers and left on return to Charlottetown bringing the mails, etc., and arrived here at 2.10 p. m.

THE TEMPERATURE.—More variety in temperature is being noted out to Charlottetown people. Monday the temperature was as high as twenty above, dropping at night to five below, and at nine Tuesday morning it was nine above. It is this sudden rising and falling of the temperature that makes the cold periods felt so intensely when they come.

CHALI ENGE.—A local Guardian Hockey team hereby challenge the Patriot Hockey team to a friendly game of Hockey to be played in the Arena Rink Monday night before hand. The line up is as follows: Goal—C. Dougan; punter—Ray, Mc Donald, C. Point; Max Currie; Rover—M. Stevenson; Center—H. Morgan; F. Wise; H. Worthy; L. Wine; Philip Batt.

Every General Manager of a Canadian Bank

who has referred to the Maritime Provinces in his annual report, writes of the satisfactory condition of business in this part of Canada. And this when all other parts are experiencing a very considerable falling off in business and many signs of real money stringency. Linked up with the business and private life of Nova Scotia and Prince Edward Island is the Maritime Telegraph and Telephone Company. This Company's services are now nearly as necessary to the present day active man or woman as are the mails, newspapers and utilities such as electric light, gas, water, and sewerage.

For this reason we offer a block of Maritime Telegraph and Telephone Company preferred stock with the assurance of safety of principal, steadiness of income, and marketability in the event of investors wishing to realize.

Price and full particulars will be given upon request. F. B. McCURDY & CO. MEMBERS OF MONTREAL STOCK EXCHANGE. Halifax, Ottawa, Montreal, St. John, Sherbrooke, Kingston, Sydney, Charlottetown, St. John's Nfld., London, E. C.

Match and McTavish, Gordon Mc Donald and N. A. Gillis, who were overtaken on the road. After a hard job they saved the sleigh and four. The horse, in the meantime was still on the ice and was there for about three hours, but he seemed hardly the worse of the experience. It is hardly creditable that in this age men should refuse to go to the help of a fellow man in trouble. It is hoped that Mr. Lamont and those who so kindly assisted him will have at least the benefit of knowing the names of those men who so bravely refused to assist him.

FOR FOX STOCK.—The Canada Fox Exchange and Investment Company Limited can sell shares in any good fox company at market prices. Phone or wire 2788-11-12met.

Mr. Dennis D. Areenault, who is a news reporter for the Guardian will be pleased to receive news of importance by mail to North Rustico, or by phone.
