

Pimples Itched So Could Not Sleep. Healed by Cuticura.

"My face was covered with pimples and blackheads. The pimples were rather small, hard and red, and spread to my neck. They itched so badly that I could not sleep at night, and when I scratched them they scaled over and were very sore. The trouble lasted about a month. My doctor recommended Cuticura Soap and Ointment so I purchased some, and after using one cake of Cuticura Soap and one box of Cuticura Ointment I was completely healed." (Signed) Miss Cleghorn, 472 Main St., Toronto 14, Ont., July 8, 1923.

Suitable for ready reference in the office or home, or for mailing to friends abroad.

WHAT SIR HENRY THORNTON SAYS: "I am very much obliged to you for the advance copies of the SOUVENIR EDITION. I congratulate you upon the excellence of the production which is really well done and full of interesting articles dealing with the Garden of the Gulf."

THE HALIFAX HERALD SAYS: "With the compliments of The Charlottetown Guardian, we have received a brochure entitled 'The Golden Future,' setting forth the attractiveness of Prince Edward Island. The spirit of optimism which characterizes this publicity publication is particularly commendable, and the fact that one of the provinces of Canada, in the face of a world-wide depression, is singing a song of faith and confidence, is a good indication that this Dominion has yet many things for which to be thankful."

"Prince Edward Island, pre-eminently a farming district, has led the way in many branches of progressive farming, and also in co-operative marketing. The people are, on the whole, exceptionally contented. They invite the rest of the world to share their happiness with them. And the initiative of the Charlottetown Guardian in the publication of this strikingly illustrated little booklet is highly commendable."

ALBANY JUBILEE INSTITUTE

The November meeting was held at the home of Mrs. Elliot Bell, on Nov. 5th. Thirteen members and four visitors drove a distance of eight miles to the home of the hostess, where a hearty welcome was handed out to all. The meeting opened in the usual way. The minutes of last meeting were read and signed. The roll call was answered with Christmas suggestions. The school and sick committees each gave a report. The next meeting to be held at the home of Mrs. Sterling McKay. A recitation by Ruby Burns "Supreme Sacrifice" was worthy of note. The members decided to hold a chicken supper on Nov. 18th. Quite a lot of Institute work was discussed and it being the annual meeting, new officers for the coming year were elected. The President gave a yearly report of the work done, which afforded much time and work, which was indeed satisfactory. The Secretary-Treasurer also gave a report, showing the financial standing of the Institute for the year ending. The officers are:—President, Mrs. W. P. Cameron; Vice-President, Mrs. Kier Bassett; Secretary-Treasurer, Mrs. Ham Gamble; Assisting Secretary-Treasurer, Mrs. Sterling McKay; Directors, Mrs. James Johnson, Mrs. Wm. Buchanan; Auditors, Mrs. Thomas E. Noonan; Mrs. George Burns. After all business had been attended to, lunch was served to all and an hour was spent in conversation and sport. A hearty vote of thanks to the hostess and singing of God Save the King, the happy party left in cars for their respective homes.

Let these 6 vital Salts rid you of PIMPLES

Would you like quickly to free yourself of those hideous pimples—those unsightly blackheads—and have that smooth and soft skin perfection you've always envied? Do you want to have eyes as dazzling and bright as water dancing in a summer's sun? Would you like to enjoy glorious health with plenty of energy and possess a keen mind? Then take a quarter teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast! Kruschen is a combination of the six vital salts which your nerves, glands and body organs ought daily to receive from food if they are to function correctly and which are impossible to obtain in these days of modern cooking. Kruschen swiftly cleans your blood of those harmful acids which cause your skin to erupt—you'll possess a skin like velvet, and a health perfection you didn't think possible!

O'Leary and Vicinity

A regrettable accident occurred at Mill River on Monday when Mr. Albert Gard of that place fell from a barn loft at his home there. The manure spreader happened to be directly beneath the point at which Mr. Gard fell. His head was severely injured by the impact and he also received a bad gash in the side of his face. Medical attention was immediately secured and at latest accounts the injured man was doing as well as can be expected considering the extent of his injuries. Mr. Gard's many friends greatly regret the serious accident which he has sustained and trust that he will make good progress towards recovery.

Miss Evelyn Phillips who is a first year student at Prince of Wales College has returned to her home in Mount Royal and will spend the holidays with her parents, Mr. and Mrs. Forrest Phillips.

Mrs. C. I. Lidstone and her son Hartley of Tyne Valley motored to O'Leary on Sunday and spent the day with the former's sister, Mrs. (Dr.) A. S. Palmer.

Business conditions in O'Leary this fall have been fair considering the fact that depression is rife throughout the commercial world. This is due no doubt to the fact that this centre is surrounded by a large agricultural territory in which general mixed farming is practised. Here large quantities of eggs and poultry of all kinds are marketed; the majority of farmers have a few fox pelts to sell; a large amount of butter is manufactured at the Co-operative Creamery; a comparatively large acreage of potatoes including certified seed and table stock have been marketed; several shipments of various kinds of stock have been made through the Shipping Club. Even though the high prices which were paid for farm products in recent years have not been maintained the majority of farmers have made an amount which, when the increased buying power of the dollar is taken into consideration, places them in a very favourable position compared with working people in the manufacturing centres. In some cases extra help which was required during the fall season in the stores is now being dispensed with. It is claimed however that the fact that fewer clerks are now required is in part due to the fact that many people are putting in to practice the oft-read slogan "Do your Christmas Shopping Early" and that much of the business which was formerly done in the last week before Christmas was this year done in the latter part of November.

Mr. Earl Jelly, student at Prince of Wales College, is spending the holidays at his home here.

Mr. John M. McWilliams, Mrs. McWilliams and their little daughter have returned from Ontario where they have spent the past few years and are now planning on settling down at their old home in West Cape.

one which was destroyed by fire is nicely fitted up and well-stocked and they will no doubt receive a generous share of patronage from the buying public.

Mr. Rupert McNeill of Mount Royal is spending the Christmas holidays with his parents, Mr. and Mrs. W. P. McNeill after having spent the past months in Charlottetown where he is a student at Prince of Wales College.

Congratulations are extended to Mr. and Mrs. Peter O'Halloran of Glenegary upon the arrival of a new baby girl on Sunday, the 21st. inst.

Miss Helen Champion, student at Dalhousie where she is taking third year in Arts is spending her holidays with her parents, Dr. and Mrs. J. B. Champion.

The unexpected storm on Tuesday has made the roads in this section very bad. Some people from country districts who had left their cars in O'Leary and gone to Summerside by rail were unable to return to their homes that night but were compelled to remain in O'Leary overnight and return home in sleighs next day leaving their cars until a more favourable opportunity for moving them occurs.

Among the recent visitors to Summerside from Glenwood were Messrs Thos Gorill, John McDonald, Atwood McDonald, Jago Sabine, W. A. Gilcrease, Ralph McIssac and Chas. McIssac.
