The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Halls Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional remedy. Halls Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby restoring the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

**BLANKETS.**  
More bargains in blankets. Special chances to-morrow to get ready for cooler weather. These days, when manufacturers make all sorts of specious claims about their goods, and when wool is steadily rising in price, it pays to be sure about the medium through which you buy blankets—unless you know all about blankets. This good blanket store has been the dependence of householders for years. The announcement for to-morrow is authoritative news of bargains. James Paton & Co. 11-24th St.

Our six leaders at the shirt show today will be six attractive durable lines of working shirts which we will place on sale at the following specially made prices 59c. and 79c. \$1.00, 1.08, 1.25, 1.50 and with every purchase the chance that you may be the tenth, twentieth, thirtieth etc.—in which case you have two shirts for the price of one. —More & McLeod. 11-24th St.

The funeral of the late Annie E. Burke will take place from her late residence Southport at 2.30 p. m. on Sunday.

Frank J. Moore night Superintendent of the Electric Department of the Dominion Iron Steel Company left yesterday morning on return to Sydney for a flying visit to his home in Charlottetown.

A. O. Skinner, St. John; D. W. Carter, Richibucto and D. B. Jones, St. John, arrived in this City last night. They, with the Rev. Thomas Marshall, of Grace Church, comprise the commission appointed by the Government of New Brunswick to enquire into and report upon the working of the Prohibition law in this Province.

The death took place at Victoria on Oct. 30 of William Whitby, in the 78th year of his age. The deceased came from Scotland when only 18 months old and has lived on Prince Edward Island ever since. The funeral took place on Friday, November 1st, to the old Methodist Cemetery. Services were directed by the Orange-men, with whom the deceased has been affiliated for years. Rev. T. Stebbins preached the funeral sermon. Deceased leaves to mourn a sorrowing widow, and three sisters.

**LET THE STOMACH ALONE.**  
You can't cure catarrh by dosing the stomach. The disease is in the throat, nose and bronchial tubes. Inhale Catarrh Rhizone to the spot where the disease really is. It cleans away foul secretions, stops discharges at once, purifies and heals the passages, literally annihilates every trace of catarrh. Nothing else is so direct and certain as "Catarrh Rhizone." Results guaranteed. Two sizes, 25c and \$1.00 at all dealers.

**FAIRYLAND.**  
Auto Race Again Tonight.

The above picture is a most wonderful accomplishment in the manufacture of native pictures showing as it does the hundred or more automobiles that participated in the great race last year at Dipper, France, also showing as it does the fatal accident which befell a most costly machine as a result of collision with an embankment while traveling at the rate of eighty miles an hour. "The Swerving Artist" refers to an artist who being unsuccessful was reduced to such straits that starvation stared him in the face. He brought his art to practical use by painting certain foods in such a realistic manner that he sold it for the genuine article. You will have a good laugh at the picture entitled "Catch the Kid" which refers to a small child who runs away from his nurse, and is finally chased by a hundred men, women and boys before being captured. A most remarkable and beautiful exhibition of "Transformation" scenes will be shown tonight also and a rollicking good song with beautiful slide entitled "Cheyenne" with which everyone is familiar will be rendered by Miss Bremner in her ever pleasing manner. The above is a great entertainment for five cents.

**GOOD CORN SHELLER FOR 25c.**  
A marvel of efficiency and promptness, embodying the best of science and art, and made in Putnam's Corn Extractor, contains no acids, never pains, gives last satisfaction. Insist on "Putnam's." It's the best.

**A CORDIAL INVITATION TO DISEASE.**  
This is an apt description of constipation. It is a unnatural condition to be in with and it's more, because it brings about blood deterioration, interferes with digestion, renders you susceptible to infectious diseases and causes anaemia. Not so much a purgative as a natural stimulant to the bowels is what you need. You get it in Dr. Hamilton's Pills which increase liver activity, restore the bowels to perfect action and positively cure constipation and its attendant evils. Insist on having only Dr. Hamilton's Pills. A. M. Adams and Busenmut, 25c per box at all dealers.

Among other attractions at the shirt show today will be more new Mooremac dollar shirts—the finest one dollar shirts in the Dominion without exception. And then you have always the chance to get two of these for the price of one. Moore & McLeod. 11-24th St.
