### Undeclared In Series For Provincial Title In Confederation 'Spiel'

British Consols Team Standing

W. L. Hayes (S)	3	0
J. C. McLaughlin (S)	3	1
T. A. Campbell (S)	3	1
Dr. Giddings (C)	2	2
R. W. Beck (M)	1	2
J. H. Myrick (A)	1	2
J. C. Matthews (A)	0	2
G. Gordon (M)	0	2

In the antithesis of the golfing vernacular "old man par" took a beating in the second day of play in the Confederation Bouspiel at the Forum and Charlottetown Curling Club yesterday.

Scores zoomed to spectacular heights in many of the 40-odd matches played and the rinks went all out as the semi-finals were reached in the Provincial Championship playdowns for the Consols Trophy, and the quarter-finals in the Holman Trophy and British American Oil Trophy competitions.

Hottest rink on the ice was the Hayes quartet from Summerside which won 11-7 from the Charlottetown McLaughlin rink. They remain the only undefeated foursome in the championship play, the winner of which will represent the Province in the Dominion Curling Championships at Calgary in March.

It remained, however, for the McLaughlin rink to provide the highlight of the day. In their evening match they rolled up an impressive 23-3 victory over their fellow clubmates, the Dr. Giddings rink.

Third rink to remain in the running was the Thane A. Campbell squad from Summerside, with two victories and one defeat, winning the only match they played yesterday when they defeated the J. H. Myrick rink from Alberton by an 11-5 score.

Five other rinks that had entered the first round were eliminated including one from Charlottetown and two each from Montague and Alberton.

Meanwhile in the other competitions play continued to be very keen as quarter finals were reached in competition for the R. T. Holman Trophy with first and second round matches taking place in competitions "C" and "Q" and first round encounters being staged in competition "D".

The P. B. Conrad-skippered rink from Charlottetown also chafed up another impressive win when they defeated the Dr. E. Frowse rink, finalists in the Charlottetown Club competition, by a 23-3 score in a British-American Oil Co. match.

Play in the various competitions concluded at 9:30 last night, following which a mooseasin dance was held at the Forum. It was largely attended, with the Down-towners orchestra providing the music for what proved a very enjoyable evening.

Results follow:

**British Consols Trophy**

Dr. Giddings (C)	12
J. C. Matthews (A)	9
R. W. Beck (M)	8
Dr. Giddings (C)	13

G. Hayes (S)	11
J. C. McLaughlin (C)	7
J. H. Myrick (A)	5
T. A. Campbell (S)	11

Dr. Giddings (C)	3
J. C. McLaughlin (C)	23

**Competition B (R. T. Holman Trophy)**

J. Chapman (AM) 10; A. R. Sterling (WF) 9.
Dr. Cochrane (RH) 13; W. A. Bouvard (S) 8.
W. L. Kelly (RH) 8; C. B. Chapman (AM) 17.
C. C. Casey (N) 9; J. P. O'Brien (AM) 8.
E. McNalls (C) 7; R. M. Thompson (NG) 5.
M. Bell (S) won by default.

**Third Round**

F. Aorn (C) 11; H. E. Clarke (S) 9.
O. W. Dunham (SS) 13; D. Sanders (C) 6.
C. G. Richardson (SY) 9; C. Taylor (MBC) 8.

**First Penalty In 47 Hockey Games**

**NORTH SYDNEY, N. S., Feb. 10—(CP)—**Allie Carver of Charlottetown, front-liner with North Sydney Victorias in the Cape Breton Senior Hockey League, was tagged with his first penalty in 47 games when Vic's trounced Glace Bay Miners 5-2 last night.

Given little chance to be in the running after suffering successive defeats at the hands of U.N.B. and Mt. Allison in their two away from home games, the St. Thomas team were considered to be out of the running, but their victory on Monday night when playing on home ice puts an altogether different complexion on things and it may be so that St. Thomas will again be facing the Saints in the finals. That was the case last year and fans who witnessed the game at the Forum will not forget the plucky fight the New Brunswickers staged after losing the first game of the two-game series on home ice.

West Kent and Queen Square hockey squads will renew their struggle for the Archer Trophy and City School supremacy at the Forum next Tuesday night, it has been learned. Queen Square, in the role of challengers for the title already held by West Kent for the past two seasons, are one game up on the champions as a result of their convincing 5-3 victory in the opener played about ten days ago, but West Kent supporters are still confident that their squad can even the series on Tuesday night and force a third and deciding game for the crown.

The Amateur Hockey Association of the United States is a growing organization, committed to an ambitious program which ultimately may break Canada's monopoly as a producer of hockey talent.

Far from losing ground in its dispute with the United States Olympic committee over American representation at the fifth winter Olympics in St. Moritz, Switzerland, the A.H.A. has thrived on the publicity.

President Thomas F. Lockhart, a 35-year-old native New Yorker with button-round eyes and oodles of energy, said recently the A.H.A. now has more than 1,400 players registered, about 30 affiliated clubs

and 100 national teams. The organization is growing rapidly and is expected to be a major force in the development of hockey in the United States.

Lockhart, who has been in the United States since 1937, said he had written it in pencil on the form.

Lynn, a native Canadian, decided that hockey should be better known in the United States. He invited a group of kids under 14 to the New Haven Arena at 6:30 a.m. Saturday morning. Since then there have been no fewer than 60 kids at the arena, some of whom are now in the ranks of the A.H.A. in 1937. "Now they all want to join us."

Among the A.H.A.'s recent adherents is the Minnesota Amateur Hockey Association, embracing 10 leagues and including a Canadian team, Fort Frances, Ont. The Canadian club is so strong it could "murder" the other teams in the league, an M.A.H.A. spokesman said recently, so the others are permitted to use a specified number of Canadians.

Any mention of hockey, so I had to write it in pencil on the form.

"When this thing started, a lot of people in hockey never heard of the A.H.A.," said the ex-colour boy and 25-a-week office boy who started the A.H.A. in 1937. "Now they all want to join us."

Other recent A.H.A. affiliates include the New England A.H.A., the New Hampshire Athletic Association and the Atlantic League, the latter staffed entirely by American and dozens more "crying for leadership."

"I don't think the day is too far distant when there will be as many Americans as Canadians in the National League."

### Ice Races Scheduled For This Afternoon

Officials of the Victoria Driving Club last night announced plans for an ice-racing card this afternoon. They said it was not decided which course would be used, the Victoria Park Speedway or a track on the ice. It depended on which quarter-mile course could be more easily cleared of snow.

Races are to start at 2.15 p.m. Following are the classes and probable starters:

**Class A. Trot and Pace:** Sampson Budlong, Mary's Delight, Buddy Budlong, Aaron L. Calumet Bee Long.

**Class B. Pace:** Soldier Budlong, Johnny Kalmuck, Winnie Spruce, Plucky Budlong, Marie Budlong, Molly Dale.

**Class C. Trot and Pace:** Star Dillon, Carol Kalmuck, Sky Chief, Just Bill, Marie Budlong.

erican-born players.

Lockhart also is business manager of the National League's New York Rangers, which have done much to foster hockey among teen-age American groups. The latest development is a "pee wee" league started by coach Lynn Patrick of New Haven Ramblers, Ranger farm in the American League.

"I got the idea in the service when I had to fill out a questionnaire about what sports I had played," said Lynn. "There wasn't

But hockey interest is growing—"kids start playing in Eveleth, Minn., at the age of 6"—and some day the Americans will compete on even terms.

Other recent A.H.A. affiliates include the New England A.H.A., the New Hampshire Athletic Association and the Atlantic League, the latter staffed entirely by American and dozens more "crying for leadership."

### Sport Briefs

**MINNEAPOLIS, Feb. 10—(AP)—**Jack Jackson, Kansas City defenceman, was fined \$50 by the United States Hockey League today for striking Walter Bak, Omaha player, with a stick in a hockey game at Kansas City, Feb. 8.

**LEICESTER, England, Feb. 10—(AP)—**William Ewart Astill, former Leicestershire and England all-round cricketer, died today after a long illness. He was 57. Astill completed the cricketer's double of 1,000 runs and 100 wickets in a season on nine occasions. He also was a noted amateur billiards player.

**NEW YORK, Feb. 10—(AP)—**Babe Ruth was no orphan. His father's name always was Ruth and not Ehrhardt, as a juvenile incurrable, he was placed in a Baltimore institution. These are a few facts the Babe tells of his youth in the first of a series of autobiographical sketches with Bob Considine. The series, appearing in the Saturday Evening Post, is a condensation of a book to be published. This, in turn, will be the basis of a motion picture of his life.

"I look back on St. Mary's (Industrial School in Baltimore) as one of the most constructive periods of my life," he said. "I'm as proud of it as any Harvard man is proud of his school."

"I was a bad kid," he starts out. "I say that without pride, but with a feeling that it is better to say it. Because I live with one great hope in my mind; to help kids who now stand where I stood as a boy."

Ruth said his father, George Herman Ruth, lived until his second year in the majors. His mother died when he was 13. Most of the first seven years of his life were spent living over his father's saloon in Baltimore.

The Babe said his parents placed him in St. Mary's when he was seven. He described St. Mary's as "a training school for orphans, illegals, delinquents, boys whose homes had been broken up by divorce, runaways picked up on the streets of Baltimore and children of poor parents who had no other means of providing an education for them."

"I was listed as an incorrigible," he relates, "and I guess I was. Looking back on my early boyhood, I honest don't remember being aware of the difference between right and wrong. If my parents had something that I wanted very badly, I took it, but I must have had some dim realization that this was stealing, because it never occurred to me to take the property of anyone besides my immediate family. I checked tobacco when I was seven, not that I enjoyed it
