This second Limerick contest continues until May 31st.

Nearly all cheap Baking Powders are made from alum. It is against the law to use alum in England. St. George's Baking Powder is made from 100% pure Cream Tartar. Use St. George's and avoid alum poisoning, indigestion and other stomach troubles. Get a can of St. George's and compete in the Limerick contest, but by all means use the Baking Powder and see for yourself how good it is.

**CONDITIONS:**

- Each week, a special prize of \$5.00 will be awarded for the best last line sent in that week. The Limericks, winning the weekly prizes of \$5, will also compete for the \$500.00 prize.
- Carefully remove the trademark from the tin of St. George's Baking Powder by wetting the label with a cloth dampened in hot water (be careful not to get the baking powder damp). Paste or pin the trademark to the corner of the coupon in the space provided.
- Coupons may be sent in as many lines as they like, provided each is accompanied by a trademark cut from the tin of St. George's Baking Powder.
- The Editor of The Montreal "Star" has kindly consented to act as judge, and all answers must be addressed to The Editor, St. George's Baking Powder Limerick, Star Office, Montreal.
- All answers must be posted not later than May 31st, 1908. The names of the prize winners will be published in this paper as soon after that date as possible.
- No trademark, cut from our sample packages, will be accepted.
- No personal explanations will be made, nor the receipt of limericks acknowledged.
