CHARLOTTETOWN AND QUEEN'S COUNTY

It pays to buy in this Province.

Unsigned news has been received from Hartsville which await the sender's name.

W. C. Stewart, purchased three young foxes on Monday, and shipped them to his brother in P. E. I.—Westville Exc.

E. E. Boreham, who arrived on the Empress of Britain will return to London in a week's time, accompanied by Mrs. Boreham.—Halifax Exc. (Mr. Boreham has relatives in this city.

In the Y. M. C. A. duck pin league an interesting match was played Christmas Day between the Whirlwinds and second abbies which resulted in a score of 1192, to 1218, a majority of 26 for the second Abbies.

The advertising department finds it impossible to handle all the changes of advertisements that come in up to one o'clock. Until further notice, changes of ads must be to hand at 10 a. m. to insure insertion following day. Ads containing extra space must be in or notice given twenty-our hours in advance.

The last issue of the Halifax Chronicle contains a photographic reproduction of Prof. Jacob Gould Schurman, a native of this province, and also the following in reference to that gentleman: The address of Jacob Gould Schurman, president of Cornell University, on "Current Unrest and Proposed Remedies," is attracting widespread attention. Here is what the learned professor said, in part:—"We are living in an age of unrest and discontent. Never before has there been anything like it in this country. We are like men moving about under a pall which stretches to the horizon and which cannot be broken through."

A large number of people who have been much interested in the illness of J. T. Robertson, returned missionary from India, will be delighted to hear of his complete recovery from blood poisoning. In a letter just to hand (to a citizen here) Mr. Robertson says, "Rejoice with me, the best of my blood shows no trace of the poison. The battle has been a long one but victory has come. I hope to return shortly to India and to take up my life work as a missionary." Mr. Robertson is a native of this province and about four years ago spent a year here on furlough. During that time he made many new friends, assisting in Y.M. C.A. work, and taking services in different churches. Should any desire to write Mr. Robertson his address is as follows:—Rev. J. T. Robertson, 48 Perriwinkle, Lane, Hitchen, Herts, Eng.

The steamer Morien, Capt. Burchell, arrived at Louisburg, Thursday night, from Charlottetown, towing the steamer Anticosti 11., which she found disabled and lying at anchor about nine miles off Canso. The Anticosti 11. left Louisburg last Monday night bound for Halifax and ran into Gabarus, leaving that port early the following morning. All went well until they got into Canso Bay, when the tail shaft broke. There being no possible way to effect repairs she lowered her anchor, and as they were eight miles off the land it took about all the line they could muster to hold her. The steamer remained in this position fifty-two hours before being picked up by the Morien. The Anticosti 11. is a small boat used in the summer season as a lobster smack of about twenty tons register. —Halifax Exc.

The following is from an Amherst exchange and refers to a singer who is well known here:—The News had a short chat yesterday with Mr. Emory White, who is the soloist at the Empress this week. Mr. White is a graduate of the Conservatory of Music in connection with the University of New York and is very much interested in the teaching of singing in the public schools. In our conversation with him, Mr. White emphasized the importance of having singing "by note" taught in the schools of Amherst. He said that music in our schools was just as important or even more important than many of the other branches which now form a part of the course. Hitherto there has been no special effort to teach singing and the reading of notes made in the Amherst schools. In the opinion of the News, singing will never be a success in our schools until the school board employs a competent teacher who can visit the different grades and take up this subject. There are so many teachers who are not endowed with nightingale voices that in some instances it is almost impossible to have singing taught in many of the grades. If singing is to be made a success in the schools there should be a competent teacher employed to give the necessary instructions to the pupils.

::A visit to our store will give many suggestions for Xmas gifts—Our stock in chocolates, perfumes, smokers' goods, walking canes, and Ebony goods is large and well assorted—It is a pleasure to show goods, Call and inspect them. E. A. Foster, Central Drugstore, Sunnyside.

John and Mrs. Holman, Strasburg, Sask, spent Xmas at Winsloe, the guests of John and Mrs. Horne.

The New Glasgow News, in referring to the professional hockey team of that town says that it is a question whether Jimmie Williams, of this city, may be brought from Calgary to play on their team, but the question has not yet been decided.

Prowse Bros, Ltd., city, have issued this year a very handsomely embossed wall pocket as a souvenir to their customers and friends. It is exceedingly nice, the colors shading from grey to dark green. The pocket is sufficiently large to be useful and the calendar is good size without spoiling the dainty effect of the whole.

The Semi-annual examination of Mill View School was held Friday December 22nd., quite a number of parents and visitors being present. The pupils were examined in the various branches and showed by their prompt and correct answers that decided progress was being made under the careful training of their energetic teacher, Stanley Curran. The enthusiasm shown by both teacher and pupils called forth complimentary remarks from the trustees, after which the pupils presented the teacher with and elegant set of fgold cuff links, and necktie, which was duly acknowledged. After being treated to an abundant supply of candy by the teacher and some of the ladies present, the singing of the National Anthem, in which all heartily joined brought a well spent evening to a close.

A Prince Edward Island correspondent has the following to say in the Canadian Farm:—Frederick Richards, of Mount Mellick, brought to Charlottetown on November 27th two Short-horn cattle, one of which was the finest animal that has been weighed for some time. It was a short-horn two-year-old, which, after a walk of twelve miles without any breakfast, tipped the scales at 1,235 pounds. Mr. Richards is a firm believer in the merits of the Short-horn breed, and his fine herd are a credit to him. He sold the two animals to Wm. Drake. John S. Stewart, Cross Roads, Lot. 48, has started a very promising fox ranch. He had the good fortune to capture a black fox, and has purchased a pure white one from Ruben Chapple, Brimstone Hollow. It is a very rare occurence to get so valuable an animal, and his friends wish him every success, as he has an ideal den to raise these valuable animals in. He purchased the fence for his ranch from Mr. Robertson, of Alexandra. The fence is four and a half feet under ground and is seven and a half feet high. It encloses what was formerly known as Oat Grove, and it covers about three acres of ground.
