Prices Buoyant On Montreal Market

MONTREAL, Dec. 19.—(CP)—Led by papers and helped generally by a firm display in New York, prices were buoyant on average trading today on the stock exchange and curb market. Papers, industrial and bank shares were higher in the index. Utilities and golds were lower. In the sub-divisions of issues firmer were metals and beverages.

Lively Buying On N. Y. Exchange

(By Victor Eubank, Associated Press Financial Writer)
NEW YORK, Dec. 19.—(AP)—The stock market today enjoyed one of its best and speediest run-ups of the month with buying apparently touched off by hopes and expectations of a year-end rally. Gains of fractions to 2 or more points—there were a few jump points—were widespread after some hesitancy following the opening. Strength was shown by steel, motors, assorted rails and industrial shares. Big blocks of low-quoted utilities moved, accounted for much of the activity.
